PART I

FINANCIAL INFORMATION

ITEM 1. FINANCIAL STATEMENTS

The unaudited, condensed consolidated financial statements for Orthodontix, Inc. (the "Company") included herein, commencing at page F-1, have been prepared in accordance with the requirements of Regulation S-B and, therefore, omit or condense certain footnotes and other information normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America. In the opinion of management, all adjustments (including all normal recurring adjustments) necessary for a fair presentation of the financial information for the interim periods reported have been made.

The results of operations for the six months ended June 30, 2001 are not necessarily indicative of the results of operations expected for the year ending December 31, 2001.

ITEM 2. MANAGEMENT'S PLAN OF OPERATION

The following discussion contains certain forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements are based on current plans and expectations of the Company and involve risks and uncertainties that could cause actual future activities and results of operations to be materially different from those set forth in the forward-looking statements. Important factors that could cause actual results to differ include, among others, risks relating to the ability of the Company to locate and consummate an acquisition of an operating business.

The discussion of management's plan of operation should be read in conjunction with the Company's unaudited, condensed consolidated financial statements and notes thereto included elsewhere in this Report and the Company's Annual Report on Form 10-KSB filed with the Securities and Exchange Commission.

CESSATION OF THE ORTHODONTIC PRACTICE MANAGEMENT BUSINESS

As of November 1999, the Company ceased providing management services to orthodontic practices and, accordingly, has generated no management service fee or other revenue since November 1999. In addition, at that time, the Company began terminating its affiliation with orthodontic practices.

As of December 31, 2000, the Company had terminated its affiliation with all orthodontic practices, except for the practice of Dr. Stephen M. Grussmark, and had sold orthodontic practice assets back to the practices. On May 14, 2001, the Company terminated its affiliation with the orthodontic practice of Dr. Grussmark.

In connection with the termination of the orthodontic practice management business, the Company's Chairman of the Board, the Company's Chief Executive Officer, who was a board member, and the Company's President and Chief Operating Officer, who was also a board member, resigned their positions and, together with the Company's counsel, returned 921,572 shares of common stock of the Company during the quarter ended June 30, 2001.

In connection with the sale of the practice assets back to the practices the Company received, in the aggregate, \$1,341,285 in cash, \$691,300 in notes receivable and 2,044,721 shares of its Common Stock, of which 96,571 shares were received during the three months ended June 30, 2001. In addition,

certain outstanding stock options were cancelled with exercise prices ranging from \$8.00 to \$9.11. Except for the transaction with Dr. Grussmark, the Company had recorded the sale of practice assets and the shares returned in connection with the resignations of management as of December 31, 2000, and such transactions are reflected in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2000.

With the cessation of the orthodontic practice management business, the Company intends to utilize its capital resources to effect a business combination with an operating business in an industry unrelated to orthodontic practice management. There can be no assurance that the Company's efforts to effect such a business combination will be successful.

OPERATING RESULTS, LIQUIDITY AND CAPITAL RESOURCES

The Company had a net loss of \$52,524 and \$224,788 for the three and six months ended June 30, 2001, respectively. Such losses are primarily a result of the Company's general and administrative expenses, which were \$65,048 for the three months ended June 30, 2001 and \$170,872 for the six months ended June 30, 2001. The Company does not expect to incur significant future costs relating to the termination of the orthodontic practice management business. The Company received interest income during the three and six months ended June 30, 2001 of approximately \$12,524 and \$40,084, respectively.

As of June 30, 2001, the Company had current assets of approximately \$1,101,000, consisting primarily of cash and cash equivalents of \$946,000, and had current liabilities of approximately \$131,000. The Company expects that the primary use of working capital will be to fund its general and administrative expenses. The Company believes that its current level of funds will be sufficient for its cash expenses for at least the next twelve months. However, in the event that the Company locates an operating business with which to effect a business combination, the Company may require additional capital beyond the current level of funds available.

OTHER ACCOUNTING MATTERS

In July 2001, the Financial Accounting Standards Board issued two new Statements of Financial Accounting Standards ("SFAS"). SFAS No. 141, "Business Combinations", requires that the purchase method of accounting be used for all business combinations initiated after June 30, 2001, establishes specific criteria for the recognition of intangible assets separately from goodwill and requires unallocated negative goodwill to be written off. SFAS No. 141 is effective for all business combinations effective after June 30, 2001. SFAS No. 142, "Goodwill and Other Intangible Assets", addresses the accounting for goodwill and intangible assets subsequent to their acquisition. SFAS No. 142 is effective for fiscal years beginning after December 31, 2001. The Company does not believe that the adoption of these pronouncements will have a material impact on the Company's financial position or results of operations.

The accompanying notes are an integral part of these condensed consolidated financial statements.

1. BASIS OF PRESENTATION:

The accompanying unaudited condensed consolidated financial statements of Orthodontix, Inc. ("Orthodontix" or the "Company") presented herein do not include all disclosures required by accounting principles generally accepted in the United States of America for a complete set of financial statements. In the opinion of management, these financial statements include all adjustments, including normal recurring adjustments, necessary for a fair presentation of the results of interim periods.

The results of operations for the six months ended June 30, 2001 are not necessarily indicative of the results of operations to be expected for the year ending December 31, 2001. The unaudited condensed consolidated financial statements should be read in conjunction with the consolidated financial statements and footnotes thereto included in the Company's Annual Report on Form 10-KSB as filed with the Securities and Exchange Commission on April 14, 2001.

2. ACCOUNTS PAYABLE AND ACCRUED EXPENSES:

Accounts payable and accrued expenses consist of the following:

	June 30, 2001 (Unaudited)	December 31, 2000
	-----	-----
Accounts payable	\$ 57,633	\$ 83,884
Other accrued expenses	-	402,899
	-----	-----
	\$ 57,633	\$ 486,783
	=====	=====

3. EARNINGS PER SHARE:

Basic earnings per share is calculated by dividing net income or loss by the weighted average number of common shares outstanding during the period. Diluted earnings per share is calculated by dividing net income or loss by the weighted average number of common shares and potential common equivalent shares outstanding during the period. Potential common shares consist of the dilutive effect of outstanding options calculated using the treasury stock method. For the six months periods ended June 30, 2001 and 2000, the potential common shares were antidilutive; thus there was no difference in the basic net income per share and the diluted net income per share.

4. ASSETS HELD FOR SALE AND TERMINATION OF AFFILIATION WITH CERTAIN FOUNDING PRACTICES:

In April 2001, the Company's Chairman of the Board of Directors and the Company's President and Chief Operating Officer, who also was a member of the Board of Directors, resigned their positions. In connection with their resignations and the execution of mutual releases with the Company, these individuals returned 507,980 shares of the Company's common stock and the Company cancelled stock options to acquire 350,000 shares of common stock with exercise prices ranging from \$8.00 to \$9.11. As a result of this transaction, the Company recorded other income and a corresponding common stock receivable at December 31, 2000 in the amount of \$95,246.

The Company also settled certain outstanding liabilities to companies that had provided professional services to the Company. In connection with the settlement with certain professional services firms who had provided services to the Company, 68,207 shares of the Company's common stock were returned to the Company and the Company cancelled stock options to acquire 47,500 shares of common stock with an exercise price of \$9.11. As a result of this transaction, the Company recorded a reduction of general and administrative expenses and a corresponding common stock receivable at December 31, 2000 in the amount of \$12,789 related to the value of the common stock returned to the Company. In addition, the Company recorded a reduction of \$58,417 to general and administrative expenses for the year ended December 31, 2000 related to amounts previously expensed by the Company with respect to professional services.

During the quarter ended June 30, 2001, 576,187 shares, described above, were returned to the Company and have been subsequently retired.

On May 14, 2001, the Company terminated its affiliation with the one remaining Founding Practice owned by Dr. Stephen M. Grussmark and sold certain practice assets, consisting principally of accounts receivable and property and equipment, and certain liabilities to the remaining Founding Practice. In connection with this transaction, the Company received 96,571 shares of the Company's common stock from the remaining Founding Practice.

In addition, in connection with this transaction, the Company paid \$115,000 in cash to Dr. Grussmark as consideration for the return of 345,385 shares of the Company's common stock to the Company. All the shares received from the remaining Founding Practice have been retired and are no longer outstanding.

The Company also paid \$30,000 for the legal expenses incurred by the remaining Founding Practice and Dr. Grussmark, individually, in connection with the transaction.

In connection with these transactions, the Company and Dr. Grussmark executed certain mutual releases and Dr. Grussmark resigned as the Company's Chief Executive Officer and a member of the Company's Board of Directors.

 NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
 JUNE 30, 2001, Continued
 (UNAUDITED)

As a result of the transactions, the Company recorded a loss in the amount of \$94,000 for the three months ended March 31, 2001 in connection with the sale of the certain assets and satisfaction of certain liabilities and other matters described above.

As a result of these transactions, the Company received \$35,000 in cash and 267,278 shares of the Company's common stock. Such consideration received includes amounts repaid to the Company by the Founding Practices related to amounts outstanding that previously had been classified as Advances to Founding Practices. The total consideration received in connection with these transactions was valued at \$87,999. As a result of these transactions, the Company recorded a net gain on the disposition of assets of approximately \$32,000 for the three and six months ended June 30, 2000.

The assets sold or settled as a result of the transactions, described above, were as follows:

In 1999, in connection with the discussions to terminate the affiliation with the remaining Founding Practices, the Company entered into standstill arrangements with these Founding Practices. Therefore, the Company classified certain practice assets and liabilities as assets held for sale at December 31, 2000 as follows:

5. SUBSEQUENT EVENT:

In July 2001, the Financial Accounting Standards Board issued two new Statements of Financial Accounting Standards ("SFAS"). SFAS No. 141, "Business Combinations", requires that the purchase method of accounting be used for all business combinations initiated after June 30, 2001, establishes specific criteria for the recognition of intangible assets separately from goodwill and requires unallocated negative goodwill to be written off. SFAS No. 141 is effective for all business combinations effective after June 30, 2001. SFAS No. 142, "Goodwill and Other Intangible Assets", addresses the accounting for goodwill and intangible assets subsequent to their acquisition. SFAS No. 142 is effective for fiscal years beginning after December 31, 2001. The Company does not believe that the adoption of these pronouncements will have a material impact on the Company's financial position or results of operations.
