PART I

ITEM 1. FINANCIAL STATEMENTS

The unaudited, condensed financial statements included herein, commencing at page F-1, have been prepared in accordance with the requirements of Regulation S-B and supplementary financial information included herein, if any, has been prepared in accordance with Item 310(b) of Regulation S-B and, therefore, omit or condense certain footnotes and other information normally included in financial statements prepared in accordance with generally accepted accounting principles. In the opinion of management, all adjustments (consisting only of normal recurring accruals) necessary for a fair presentation of the financial information for the interim periods reported have been made. Results of operations for the three and nine months ended September 30, 1997 are not necessarily indicative of the results for the year ending December 31, 1997.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION

Embassy Acquisition Corp. (the "Company") was formed in November 1995 to seek to effect a merger, exchange of capital stock, asset acquisition or similar business combination (a "Business Combination") with an acquired business (an "Acquired Business"). In connection with its initial capitalization, the Company issued an aggregate of 1,160,000 shares of Common Stock to its officers, directors, and other shareholders for an aggregate sum of \$76,078. On April 2, 1996, the Company's Registration Statement on Form SB-2 (the "Registration Statement") was declared effective by the U.S. Securities and Exchange Commission (the "SEC"). Pursuant to the Registration Statement, the Company, in its initial public offering of securities, offered and sold 1,380,000 shares of Common Stock, par value \$.0001 per share, at a purchase price of \$6.00 per share (the "Offering") and received net proceeds of approximately \$7,052,300 after the payment of all expenses of the Offering (the "Net Proceeds"). In addition, the Company issued Underwriter Options to purchase 120,000 shares of Common Stock. The Offering was a "blank check" offering.

Liquidity and Capital Resources/Plan of Operation

As of September 30, 1997 and December 31, 1996, the Company had cash and cash equivalents of \$655,033 and \$763,965, respectively, and restricted cash and cash equivalents of \$6,800,767 and \$6,566,206, respectively. As of September 30, 1997 and December 31, 1996, the Company had total liabilities of \$77,748 and \$79,963, respectively, and common stock subject to redemption of \$7,386,524 and \$7,260,022, respectively. 90% of the Net Proceeds (\$6,347,070) (the "Escrow Fund") were delivered to Fiduciary Trust International of the South, as Escrow Agent, to be held in escrow by such firm, until the earlier of (i) written notification by the Company of its need for all or substantially all of the Escrow Fund for the purpose of implementing a Business Combination; or (ii) the exercise by certain shareholders of the Redemption Offer (as defined in the Registration Statement). As of September 30, 1997, there was \$6,800,767 (at market value) in

the Escrow Fund. The Escrow Fund is currently invested in United States government-backed short-term securities.

Other than the Escrow Fund, the Company, as of September 30, 1997, had \$655,033 in cash and cash equivalents all of which was received from the initial capitalization and the Offering (other than interest income earned thereon) (the

"Operating Funds"). The Company believes the Operating Funds will be sufficient for its cash requirements for at least the next twelve months.

For the three and nine month periods ended September 30, 1997, the Company incurred \$16,609 and \$67,019, respectively, of operating expenses and derived interest income of \$91,140 and \$258,793, respectively, as compared with the three and nine month periods ended September 30, 1996 when the Company incurred \$11,655 and \$26,247, respectively, of operating expenses and derived interest income of \$58,517 and \$116,100, respectively.

On May 6, 1997, the Company entered into a Letter of Intent with Orthodontix, Inc., (the "Letter of Intent") a Florida corporation ("Orthodontix"), regarding a business combination of the Company or its wholly-owned subsidiary and Orthodontix, Inc. (the "Transaction"). The intended principal business activity of Orthodontix is providing practice management services to orthodontic practices. Orthodontix has conducted no operations to date other than in connection with its agreements in principle to acquire certain assets, assume certain liabilities, and provide long-term management services to certain orthodontic practices (the "Practices") in exchange for cash and shares of common stock (the "Practice Acquisitions").

On August 29, 1997, the Company and Orthodontix amended the terms of the Letter of Intent to provide that either party can terminate the Letter of Intent if a definitive agreement had not been executed by October 30, 1997. The Letter of Intent had previously provided that either party could terminate the Letter of Intent if a definitive agreement regarding the Transaction had not been executed by August 30, 1997. As of October 30, 1997, the Company and Orthodontix entered into an Agreement and Plan of Merger and Reorganization (the "Agreement") regarding the Transaction. Pursuant to the Agreement, the parties shall engage in the Transaction, which at the closing of the Transaction (the "Closing") will result in Orthodontix becoming a wholly owned subsidiary corporation of the Company in exchange for that number of shares of Common Stock of the Company (the "Merger Stock") representing approximately 56% of the Company's outstanding shares of Common Stock after giving effect to the Transaction but without giving to any options or warrants to acquire shares of Common Stock which are contemplated to be outstanding at the Closing. The actual number of shares to be issued in connection with the Transaction is subject, in part, to the average of the closing bid and ask price, as reported on the OTC Electronic Bulletin Board or similar quotation board of the Company's shares of Common Stock for the 15 trading days immediately preceding the date of the Closing (the "Share Value").

Pursuant to the terms of the Agreement, the recipients of 1,300,000 shares of the Merger Stock (approximately 23% of the Company's outstanding shares of Common Stock after giving effect to the Transaction, assuming an Embassy Share Value of \$8.00 per share) and the shares of Merger Stock to be issued in connection with the Practice Acquisitions (approximately 33% of Embassy's outstanding shares of Common Stock after giving effect to the Transaction assuming an Embassy Share Value of \$8.00 per share), respectively, have agreed, for a period of 15 months and six months, respectively, from the date of the Closing, not to make any offer, sale or disposition of any of the Merger Stock to be issued to them in connection with the Transaction. The Transaction is contemplated to be tax-free to the Company and its shareholders.

Based on information received from Orthodontix, at the Closing, Orthodontix shall provide practice management services to approximately 24 orthodontic practices, which practices generate gross revenue of approximately \$16 million annually.

The Closing is subject to, among other conditions, the closing of the Transaction by April 1, 1998 (unless that date is extended by mutual agreement

of the parties), approval of the Transaction by the shareholders of the Company and Orthodontix, certain regulatory and third party approvals and consents, and the closing of the Practice Acquisitions. There can be no assurance that the proposed Transaction will be consummated on these or any other terms.

Based upon the price per share of the common stock of the Company as of October 30, 1997, at the closing of the Practice Acquisitions (assuming the Practice Acquisitions represent orthodontic practices totaling \$16 million of revenue) and the Transaction, the Company would be obligated to issue approximately 3.3 million shares of Common Stock and expend up to approximately \$3.0 million in consideration for the Transaction. The Company currently has outstanding 2,540,000 shares of Common Stock and options entitling the holder to purchase an additional 120,000 shares of Common Stock. Upon effectiveness of the Transaction, the Company would change its name to "Orthodontix, Inc.," Stephen J. Dresnick, M.D., a member of the Company's Board of Directors, President and Chief Executive Officer of Sterling Healthcare Group, Inc. and Vice Chairman of the Board of FPA Medical Management, Inc. and Glenn Halpryn, Chairman of the Company would continue to be members of the Board of Directors of the Company with Dr. Dresnick assuming the role of Chairman of the Company. There can be no assurance that the proposed Transaction will be consummated on these or any other terms.

Key-man Insurance

The Company has obtained a \$1,000,000 "key man" policy insuring the life of Glenn L. Halpryn, the Company's President and a member of the Board of Directors. There can be no assurances that such "key man" insurance will be maintained at reasonable rates, if at all. The loss, incapacity or unavailability of Mr. Halpryn at the present time or in the foreseeable future, before a qualified replacement was obtained, could have a material, adverse effect on the Company's operations.

3

7

Conflicts of Interest

None of the Company's key personnel are required to commit their full time to the affairs of the Company and, accordingly, such personnel may have conflicts of interest in allocating management time among various business activities. The Company's officers devote approximately 20% of their time to the affairs of the Company. Certain of these key personnel are or may in the future become affiliated with entities, including other "blank check" companies, engaged in business activities similar to those intended to be conducted by the Company.

In the course of their other business activities, including private investment activities, the Company's officers and directors may become aware of investment and business opportunities which may be appropriate for presentation to the Company as well as the other entities with which they are affiliated. Such persons may have conflicts of interest in determining to which entity a particular business opportunity should be presented. In general, officers and directors of corporations incorporated under the laws of the State of Florida are required to present certain business opportunities to such corporations. Accordingly, as a result of multiple business affiliations, the Company's officers and directors may have similar legal obligations relating to presenting certain business opportunities to multiple entities. In addition, conflicts of interest may arise in connection with evaluations of a particular business opportunity by the Board of Directors with respect to the foregoing criteria. There can be no assurances that any of the foregoing conflicts will be resolved in favor of the Company.

In order to minimize potential conflicts of interest which may arise from multiple corporate affiliations, each of the Company's officers and directors have agreed that, in the event any of them believes that a business

combination opportunity would be appropriate to be considered by an entity other than the Company with which such officer or director is affiliated (the "Other Entity"), so long as this affiliation with the Other Entity existed prior to November 30, 1995, then the Company will be presented with the business combination opportunity only after the Other Entity has determined not to pursue such business combination opportunity.

EMBASSY ACQUISITION CORP.
(A DEVELOPMENT STAGE CORPORATION)
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 1997
(UNAUDITED)

(1) BASIS OF PRESENTATION:

The accompanying interim financial statements presented herein do not include all disclosures provided in the annual financial statements. These unaudited financial statements should be read in conjunction with the annual financial statements and the footnotes for the fiscal year ended on December 31, 1996 thereto contained in the Form 10-KSB of Embassy Acquisition Corp. (the "Company") as filed with the U.S. Securities and Exchange Commission on March 27, 1997.

In the opinion of the Company, the accompanying unaudited financial statements contain all adjustments, which are of a normal recurring nature, necessary for a fair presentation of the financial statements. The results of operations for the three and nine months ending September 30, 1997 are not necessarily indicative of the results of operation to be expected for the full year.

(2) ORGANIZATION:

On April 9, 1996, the Company sold to the public 1,380,000 shares of its common stock, including 180,000 shares purchased by the underwriter to cover overallocments, \$0001 par value at a price of \$6 per share (the "Offering"). Proceeds totaled \$7,053,700, which was net of \$1,226,300 in underwriting and other expenses.

In connection with the Offering, the Company sold to the managing underwriter (the "Underwriter") and its designees, for total consideration of \$10, stock purchase options ("the "Underwriter Options") to purchase up to 120,000 shares of the Company's common stock at an exercise price of \$7.80 per share. The Underwriter Options will be exercisable for a period of five years from the effective date of the Company's Registration Statement. The Company has also agreed to certain registration rights with respect to the shares underlying the Underwriter Options.

In accordance with the Offering, 90% of the net proceeds therefrom were placed in an interest bearing escrow account (the "Escrow Fund") subject to the earlier of (i) written notification by the Company of its need for all or substantially all of the Escrow Fund for the purpose of implementing a business combination, (ii) the

exercise by certain shareholders of the Redemption Offer, as defined, or (iii) the expiration of no more than 30 months from the date of the Offering. Amounts in the Escrow Fund, including interest earned thereon, are prohibited from being used for any purpose other than a business combination. Such amounts are included in restricted cash and cash equivalents at September 30, 1997.

In the event the Company does not successfully effect a business combination within 24 months (or in certain circumstances 30 months) from the date of the consummation of the Offering, the Company will submit a proposal to liquidate the Company. If such proposal is approved, the Company will distribute the Company's Liquidation Value, as defined, to the Public Stockholders. Since the Company may be required to refund all available equity to the Public Shareholders, such amounts have been classified in the accompanying balance sheet as common stock subject to redemption. Periodic changes in the Liquidation Value are reflected as adjustments to stockholders' equity.

(3) BUSINESS COMBINATION:

On May 6, 1997, the Company entered into a letter of intent with Orthodontix, Inc., a Florida corporation ("Orthodontix"), regarding a business combination of the Company or a newly formed wholly-owned subsidiary and Orthodontix, Inc. (the "Transaction"). The intended principal business activity of Orthodontix is providing practice management services to orthodontic practices. Orthodontix has conducted no operations to date other than in connection with its agreements to

acquire certain assets, assume certain liabilities, and provide long-term management services to certain orthodontic practices (the "Practices") in exchange for cash and shares of common stock (the "Practice Acquisitions").

On August 29, 1997, the Company and Orthodontix amended the terms of the Letter of Intent to provide that either party can terminate the Letter of Intent if a definitive agreement had not been executed by October 30, 1997. The Letter of Intent had previously provided that either party could terminate the Letter of Intent if a definitive agreement regarding the Transaction had not been executed by August 30, 1997. As of October 30, 1997, the Company and Orthodontix entered into an Agreement and Plan of Merger and Reorganization (the "Agreement") regarding the Transaction. Pursuant to the Agreement, the parties shall engage in

(3) BUSINESS COMBINATION (CONTINUED):

the Transaction, which at the closing of the Transaction (the "Closing") will result in Orthodontix becoming a wholly owned subsidiary corporation of the Company in exchange for that number of shares of Common Stock of the Company (the "Merger Stock") representing approximately 56% of the Company's outstanding shares of Common Stock after giving effect to the Transaction but without giving to any options or warrants to acquire shares of Common Stock which are contemplated to be outstanding at the Closing. The actual number of shares to be issued in connection with the Transaction is subject, in part, to the average of the closing bid and ask price, as reported on the OTC Electronic Bulletin Board or similar quotation board of the Company's shares of Common Stock for the 15 trading days immediately preceding the date of the Closing (the "Share Value").

Pursuant to the terms of the Agreement, the recipients of 1,300,000 shares of the Merger Stock (approximately 23% of the Company's outstanding shares of Common Stock after giving effect to the Transaction, assuming an Embassy Share Value of \$8.00 per share) and the shares of Merger Stock to be issued in connection with the Practice Acquisitions (approximately 33% of Embassy's outstanding shares of Common Stock after giving effect to the Transaction assuming an Embassy Share Value of \$8.00 per share), respectively, have agreed, for a period of 15 months and six months, respectively, from the date of the Closing, not to make any offer, sale or disposition of any of the Merger Stock to be issued to them in connection with the Transaction. The Transaction is contemplated to be tax-free to the Company and its shareholders.

Based on information received from Orthodontix, at the Closing, Orthodontix shall provide practice management services to approximately 24 orthodontic practices, which practices generate gross revenue of approximately \$16 million annually.

The Closing is subject to, among other conditions, the closing of the Transaction by April 1, 1998 (unless that date is extended by mutual agreement of the parties), approval of the Transaction by the shareholders of the Company and Orthodontix, certain regulatory and third party approvals and consents, and the closing of the Practice Acquisitions. There can be no assurance that the proposed Transaction will be consummated on these or any other terms.

F-7

EMBASSY ACQUISITION CORP.
(A DEVELOPMENT STAGE CORPORATION)
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 1997
(UNAUDITED)

Based upon the price per share of the common stock of the Company as of October 30, 1997, at the closing of the Practice Acquisitions (assuming the Practice Acquisitions represent orthodontic practices totaling \$16 million of revenue) and the Transaction, the Company would be obligated to issue approximately 3.3 million shares of Common Stock and expend up to approximately \$3.0 million in consideration for the Transaction. The Company currently has outstanding 2,540,000 shares of Common Stock and warrants entitling the holder to purchase an additional 120,000 shares of Common Stock. Upon effectiveness of the Transaction, the Company will change its name to "Orthodontix, Inc.," Stephen J. Dresnick, M.D., a member of the Company's Board of Directors, President and Chief Executive Officer of Sterling Healthcare Group, Inc. and Vice Chairman of the Board of FPA Medical Management, Inc. and Glenn Halpryn, Chairman of the Company would continue to be members of the Board of Directors of the Company with Dr. Dresnick assuming the role of Chairman of the Company. There can be no assurance that the proposed Transaction will be consummated on these or any other terms.

(4) RECENT ACCOUNTING PRONOUNCEMENTS:

In February 1997, Statement of Financial Accounting Standards ("SFAS") No. 128 "Earnings Per Share" was issued. SFAS No. 128 establishes new standards for computing and presenting earnings per share ("EPS"). This statement replaces the presentation of primary EPS and will require a dual presentation of basic and diluted EPS. SFAS No. 128 is effective for financial statements issued for periods ended after December 31, 1997 and requires restatement of all prior-period EPS data presented. The Company does not believe the adoption of SFAS No. 128 will have a material impact on the Company's financial statements when adopted.
