March 26, 1998

Dear Fellow Shareholder:

I am pleased to enclose information relating to a Special Meeting of Shareholders of Embassy Acquisition Corp. ("Embassy") to be held at NationsBank Tower Auditorium, 100 SE 2nd Street, 19th Floor, Miami, Florida 33131 at 9:00 a.m. E.D.T. on April 16, 1998. At the Special Meeting of Shareholders you will be asked:

1. To consider and vote upon a proposal to approve an Agreement and Plan of Merger and Reorganization dated as of October 30, 1997 (the "Merger Agreement") by and between Embassy and Orthodontix, Inc., a Florida corporation ("Orthodontix"), providing for, among other things, (i) the merger of Orthodontix Acquisition Corp., a Florida corporation and wholly owned subsidiary corporation of Embassy ("Embassy Sub") with and into Orthodontix (the "Merger"), and (ii) an amendment to Embassy's Articles of Incorporation to change Embassy's name to "Orthodontix, Inc.";

2. To consider and vote upon a proposal to approve an amendment to Embassy's Articles of Incorporation to provide for an authorized class of Preferred Stock consisting of 100,000,000 shares, par value \$.0001 per share, with rights, preferences and designations of such shares to be determined by the Board of Directors of Embassy; and

3. To consider and vote upon a proposal to approve the 1997 Embassy Acquisition Corp. Stock Option Plan.

If the Merger is not consummated, the Embassy Articles of Incorporation will not be amended and restated, and the 1997 Embassy Acquisition Corp. Stock Option Plan will not be implemented, notwithstanding shareholder approval of such proposals.

As a result of the Merger: (i) Embassy's name will be changed to "Orthodontix, Inc."; (ii) Orthodontix will become a wholly-owned subsidiary corporation of Embassy; (iii) Embassy will issue an aggregate of approximately 3,487,940 shares, par value \$.0001 per share, of Embassy Common Stock (the "Merger Stock") to the current owners of all of the outstanding shares of capital stock of Orthodontix, and in exchange for the acquisition of substantially all the assets of 27 orthodontic practices, which will then constitute approximately 57.9% of the then outstanding shares of capital stock of Embassy, without giving effect to (a) the issuance of 120,000 shares of Embassy Common Stock issuable upon the exercise of certain warrants held by affiliates of Barron Chase Securities, Inc. (the "Underwriter Warrants"); or (b) the issuance of 959,944 shares of Embassy Common Stock issuable upon the exercise of certain stock options granted to certain persons, based on an assumed Average Price of \$8.5625 per share (the "Closing Stock Options"); and (iv) designees of Orthodontix, Inc. will comprise four of the seven members of the Board of Directors of Embassy. None of the shares of Embassy Common Stock currently outstanding will be converted or otherwise modified in the Merger and all of such shares will continue to be outstanding capital stock of Embassy after the Merger. A copy of the Merger Agreement is attached as Appendix A to, and is summarized in, the accompanying Proxy Statement/Prospectus.

The Board of Directors of Embassy has fixed March 24, 1998 as the record date for the determination of shareholders entitled to notice of and to vote at the Special Meeting of Shareholders. The affirmative vote of the holders of a majority of all of the outstanding Embassy Common Stock entitled to vote at the Special Meeting is necessary to approve and adopt the Merger, assuming that less than 30% of the shares of Embassy Common Stock held by non-affiliated shareholders are voted against approval of the Merger. The holders of Embassy Common Stock are entitled to certain redemption rights. These redemption rights are more fully described in the attached Proxy Statement/Prospectus.

Enclosed is a Notice of Special Meeting of Shareholders of Embassy and a Proxy Statement/Prospectus containing detailed information concerning the Merger Agreement and the transactions contemplated thereby. Whether or not you plan to attend the Special Meeting of Shareholders, we urge you to read this material carefully. Your vote is important. In order to ensure that your vote is represented at the Special Meeting of

Shareholders, please indicate your vote on the Proxy form, date and sign it, and return it in the enclosed postage prepaid envelope. A prompt response is appreciated. If you are able to attend the Special Meeting of Shareholders, you may revoke your Proxy and vote in person if you wish.

The Board of Directors of Embassy unanimously recommends that you vote FOR the approval and adoption of the proposals described above.

Very truly yours,

Glenn L. Halpryn, President

2. Authorization to Issue Preferred Stock. As a result of the Merger (i) Embassy's name will be changed to "Orthodontix, Inc."; (ii) Orthodontix will become a wholly-owned subsidiary corporation of Embassy; (iii) Embassy will issue an aggregate of approximately 3,487,940 shares of common stock, par value \$.0001 per share, (the "Embassy Common Stock") to the owners of all of the outstanding shares of capital stock of Orthodontix, and in exchange for the acquisition of substantially all the assets of 27 orthodontic practices, which will then constitute approximately 57.9% of the then outstanding shares without giving effect to (a) the issuance of 120,000 shares of Embassy Common Stock issuable upon the exercise of certain warrants held by affiliates of Barron Chase Securities, Inc. (the "Underwriter Warrants"); or (b) the issuance of 959,944 shares of Embassy Common Stock issuable upon the exercise of certain stock options granted to certain persons (the "Closing Stock Options"); and (iv) designees of Orthodontix, Inc. will comprise four of the seven members of the Board of Directors of Embassy. None of the shares of Embassy Common Stock currently outstanding will be converted or otherwise modified in the Merger and all of such shares will continue to be outstanding capital stock of Embassy after the Merger. A copy of the Merger Agreement and the Form of Restated Articles of Incorporation of Embassy are attached to the accompanying Proxy Statement/Prospectus as Appendices A and B, respectively, and are incorporated herein by reference.

CONCURRENTLY WITH THE CLOSING OF THE MERGER, EMBASSY WILL ACQUIRE IN SEPARATE TRANSACTIONS (THE "PRACTICE ACQUISITIONS") SUBSTANTIALLY ALL THE TANGIBLE AND INTANGIBLE ASSETS AND ASSUME CERTAIN LIABILITIES OF 27 ORTHODONTIC PRACTICES (COLLECTIVELY, THE "FOUNDING PRACTICES") IN EXCHANGE FOR CASH AND SHARES OF EMBASSY COMMON STOCK (IN ACCORDANCE WITH STAFF AC-

COUNTING BULLETIN NO. 48). THE NUMBER OF SHARES OF EMBASSY COMMON STOCK TO BE ISSUED IN EACH ACQUISITION WILL DEPEND ON THE PRICE OF THE EMBASSY COMMON STOCK. THE NUMBER OF SHARES WILL DEPEND ON THE AVERAGE OF THE CLOSING BID AND ASK PRICE, AS REPORTED ON THE OTC ELECTRONIC BULLETIN BOARD OF EMBASSY COMMON STOCK FOR THE 15 TRADING DAYS IMMEDIATELY PRECEDING THE DATE OF THE CLOSING OF THE PRACTICE ACQUISITIONS (THE "AVERAGE PRICE"). THE DISCLOSURES HEREIN RELATING TO THE EMBASSY COMMON STOCK ISSUED IN CONNECTION WITH THE PRACTICE ACQUISITIONS ARE ESTIMATED, BASED ON AN ASSUMED AVERAGE PRICE OF \$8.5625 PER SHARE (THE MIDPOINT OF THE CLOSING BID AND ASK PRICE, AS REPORTED ON THE OTC ELECTRONIC BULLETIN BOARD OF EMBASSY COMMON STOCK FOR THE 15 TRADING DAYS IMMEDIATELY PRECEDING THE DATE HEREOF).

SHAREHOLDER APPROVAL AND ADOPTION OF THE MERGER WILL RESULT IN A CHANGE OF THE MAJORITY EQUITY OWNERSHIP, THE BUSINESS AND MANAGEMENT OF EMBASSY.

The Board of Directors of Embassy has fixed March 24, 1998 as the record date for the determination of shareholders entitled to notice of and to vote at the Special Meeting. The affirmative vote of the holders of a majority of all of the outstanding Embassy Common Stock entitled to vote at the Special Meeting is necessary to approve and adopt the Merger, assuming that less than 30% of the shares of Embassy Common Stock held by non-affiliated shareholders are voted against approval of the Merger. HOLDERS OF EMBASSY COMMON STOCK ARE NOT ENTITLED TO APPRAISAL RIGHTS UNDER FLORIDA LAW IN CONNECTION WITH THE MERGER BUT WILL BE ENTITLED TO CERTAIN REDEMPTION RIGHTS. These Redemption Rights are more fully described in the attached Proxy Statement/Prospectus.

Whether or not you plan to attend the Special Meeting, please complete, date and sign the accompanying proxy card and mail it promptly in the enclosed pre-addressed envelope, which requires no postage if mailed in the United States.

THE EMBASSY BOARD UNANIMOUSLY RECOMMENDS THAT THE EMBASSY SHAREHOLDERS VOTE "FOR" THE PROPOSAL TO APPROVE AND ADOPT THE MERGER, THE PREFERRED STOCK AMENDMENT AND THE STOCK OPTION PLAN PROPOSAL.

EMBASSY ACQUISITION CORP.
PROXY STATEMENT AND PROSPECTUS

3,487,940 SHARES OF COMMON STOCK

INTRODUCTION

This Proxy Statement and Prospectus ("Proxy Statement/Prospectus") is being furnished to the shareholders (the "Embassy Shareholders") of common stock, par value \$.0001 per share (the "Embassy Common Stock") of Embassy Acquisition Corp., a Florida corporation ("Embassy") in connection with the solicitation of proxies by the Board of Directors of Embassy (the "Embassy Board") from such holders for use at a Special Meeting of Shareholders of Embassy (the "Special Meeting") to be held on April 16, 1998 at 9:00 local time at NationsBank Tower Auditorium, 100 SE 2nd Street, 19th Floor, Miami, Florida 33131, and any adjournments or postponements thereof.

At the Special Meeting, Embassy Shareholders will be asked to consider and vote upon a proposal to approve and adopt an Agreement and Plan of Merger and Reorganization, dated as of October 30, 1997 (the "Merger Agreement"), providing for the merger (the "Merger") of Orthodontix Acquisition Corp., a Florida corporation wholly owned by Embassy ("Embassy Sub"), with and into Orthodontix, Inc., a Florida corporation ("Orthodontix"). A copy of the Merger Agreement is attached as Appendix A hereto and is incorporated herein by reference.

This Proxy Statement/Prospectus also constitutes a prospectus of Embassy with respect to 3,487,940 shares of Embassy Common Stock to be issued to shareholders of Orthodontix pursuant to the Merger Agreement. This Proxy Statement/Prospectus, the enclosed Notice of Special Meeting of Shareholders and the form of proxy are first being mailed to the Embassy Shareholders on or about March 26, 1998.

In addition, at the Special Meeting, Embassy Shareholders will be asked to consider and vote upon a proposal to amend and restate Embassy's Articles of Incorporation to provide for an authorized class of Preferred Stock consisting of 100,000,000 shares, par value \$.0001 per share (the "Preferred Stock"), with rights, preferences and designations of such shares to be determined by the Embassy Board (the "Preferred Stock Amendment"); and a proposal to ratify and approve the 1997 Embassy Acquisition Corp. Stock Option Plan (the "Stock Option Plan"). The Form of Restated Articles of Incorporation of Embassy (the "Restated Articles") is attached hereto as Appendix B and is incorporated herein by reference.

As a result of the Merger and the transactions contemplated thereby, all as more fully set forth in the Merger Agreement (i) Embassy's name will be changed to "Orthodontix, Inc." (the "Name Change"); (ii) Orthodontix will become a wholly-owned subsidiary corporation of Embassy; (iii) Embassy will issue that amount of shares of par value \$.0001 per share, of Embassy Common Stock (the "Merger Stock"), to the current owners of all of the outstanding shares of capital stock of Orthodontix and in connection with the Practice Acquisitions (hereinafter defined), which will constitute approximately 57.9% of the then outstanding shares of capital stock of Embassy, without giving effect to (a) the issuance of 120,000 shares of Embassy Common Stock issuable upon the exercise of certain warrants held by affiliates of Barron Chase Securities, Inc. (the "Underwriter Warrants"); or (b) the issuance of 959,944 shares of Embassy Common Stock issuable upon the exercise of certain stock options granted to certain persons, based on an assumed Average Price of \$8.5625 per share (the "Closing Stock Options"); and (iv) designees of Orthodontix will comprise four of the seven members of the Embassy Board. For additional information relating to the Closing Stock Options, See "Proposal 1: THE MERGER -- Interests of Certain Persons."

CONCURRENTLY WITH THE CLOSING OF THE MERGER, THE ACQUISITION (THE "PRACTICE ACQUISITIONS") OF SUBSTANTIALLY ALL THE TANGIBLE AND INTANGIBLE ASSETS AND THE ASSUMPTION OF CERTAIN LIABILITIES OF 27 ORTHODONTIC PRACTICES (COLLECTIVELY, THE "FOUNDING PRACTICES") WILL BE CONSUMMATED IN

EXCHANGE FOR CASH AND SHARES OF EMBASSY COMMON STOCK IN ACCORDANCE WITH STAFF ACCOUNTING BULLETIN NO. 48.

THE FOLLOWING SUMMARY IS QUALIFIED IN ITS ENTIRETY BY THE MORE DETAILED INFORMATION AND FINANCIAL STATEMENTS, INCLUDING THE NOTES THERETO, APPEARING ELSEWHERE IN THIS PROXY STATEMENT/PROSPECTUS. UNLESS OTHERWISE INDICATED, THE INFORMATION IN THIS PROXY STATEMENT/PROSPECTUS GIVES EFFECT TO THE PRACTICE ACQUISITIONS.

THE MERGER WILL RESULT IN A CHANGE-IN-CONTROL OF EMBASSY, WHEREBY, AMONG OTHER THINGS, THE SHAREHOLDERS OF ORTHODONTIX WILL BECOME THE CONTROLLING SHAREHOLDERS AND PRINCIPAL EXECUTIVE OFFICERS AND DIRECTORS OF EMBASSY SUBSEQUENT TO THE CONSUMMATION OF THE MERGER.

THE CONSUMMATION OF THE MERGER IS SUBJECT TO SEVERAL CONDITIONS, INCLUDING THE APPROVAL AND ADOPTION OF THE MERGER BY THE EMBASSY SHAREHOLDERS AND LESS THAN 30% OF THE OUTSTANDING EMBASSY COMMON STOCK HELD BY NON-AFFILIATED EMBASSY SHAREHOLDERS ACTUALLY VOTING AGAINST THE MERGER. EMBASSY'S DIRECTORS AND EXECUTIVE OFFICERS, COLLECTIVELY HOLDING AN AGGREGATE OF APPROXIMATELY 30.7% OF THE OUTSTANDING EMBASSY COMMON STOCK BEFORE GIVING EFFECT TO THE MERGER, HAVE AGREED, WITH RESPECT TO THE PROPOSAL TO APPROVE THE MERGER, TO VOTE THEIR RESPECTIVE SHARES OF EMBASSY COMMON STOCK IN ACCORDANCE WITH THE VOTE OF THE MAJORITY OF THE NON-AFFILIATED EMBASSY SHAREHOLDERS.

UNLESS OTHERWISE INDICATED, THE INDUSTRY INFORMATION USED IN THIS PROXY STATEMENT/PROSPECTUS IS DERIVED FROM THE 1995 JOURNAL OF CLINICAL ORTHODONTISTS ORTHODONTIC PRACTICE STUDY (THE "JCO STUDY") AND RELATES TO 1994 UNLESS OTHERWISE INDICATED. PARTS I AND II OF THE 1997 JOURNAL OF CLINICAL ORTHODONTISTS ORTHODONTIC PRACTICE STUDY (THE "1997 STUDY"), WHICH CONTAIN CERTAIN COMPARABLE INFORMATION FOR 1995 AND 1996, HAVE RECENTLY BECOME AVAILABLE AND ARE CITED HEREIN. THE REMAINDER OF THE 1997 STUDY IS NOT CURRENTLY AVAILABLE. THE INFORMATION COMPILED IN THE JCO STUDY AND THE 1997 STUDY RELATES TO ORTHODONTISTS WHO HAVE COMPLETED ACCREDITED GRADUATE ORTHODONTIC TRAINING PROGRAMS AND DOES NOT INCLUDE GENERAL DENTISTS WHO ALSO PERFORM CERTAIN ORTHODONTIC SERVICES.

SEE "RISK FACTORS" FOR CERTAIN INFORMATION THAT SHOULD BE CONSIDERED BY EMBASSY SHAREHOLDERS IN VOTING UPON THE MERGER, THE PREFERRED STOCK AMENDMENT, AND THE STOCK OPTION PLAN.

No person is authorized to give any information or to make any representations other than those contained in this Proxy Statement/Prospectus, and if given or made, such information or representations should not be relied upon as having been authorized. Neither the delivery of this Proxy Statement/Prospectus nor any distribution of securities pursuant to this Proxy Statement/Prospectus shall, under any circumstances, create any implication that there has been no change in the information set forth herein or in the affairs of Embassy or Orthodontix since the date of this Proxy Statement/Prospectus. However, if any material change occurs during the period that this Proxy Statement/Prospectus is required to be delivered, this Proxy Statement/Prospectus will be amended and supplemented accordingly. All information regarding Embassy in this Proxy Statement/Prospectus has been supplied by Embassy, and all information regarding Orthodontix has been supplied by Orthodontix.

SUMMARY

The following is a brief summary of certain significant matters discussed elsewhere in this Proxy Statement/Prospectus. The information contained in this summary is qualified in its entirety by, and should be read in conjunction with, the detailed information and financial statements, including the notes thereto, appearing elsewhere in this Proxy Statement/Prospectus and the documents incorporated herein by reference. The reader is cautioned that forward-looking statements are contained in this summary and in other sections of this Proxy Statement/Prospectus. All forward-looking statements are necessarily speculative and there are certain risks and uncertainties that could cause actual events or results to differ materially from those referred to in such forward-looking statements. Capitalized terms used and not otherwise defined in this summary have the meanings given to them elsewhere in this Proxy Statement/Prospectus.

THE PARTIES

Embassy. Embassy was formed in November 1995 to serve as a vehicle to effect a merger, exchange of capital stock, asset acquisition or other similar business combination (a "Business Combination") with a business (an "Acquired Business"). In April 1996, Embassy consummated an initial public offering of its equity securities (the "IPO") from which it derived net proceeds of approximately \$7,052,000 (the "Net Proceeds"). As per the terms of its prospectus dated April 2, 1996, \$6,800,767 of the Net Proceeds, representing 90% of the Net Proceeds (inclusive of interest earned thereon) was held in escrow at September 30, 1997 pending the consummation of a Business Combination and will be released to Embassy upon consummation of the Merger. The balance of the Net Proceeds, less net operating expenses to date, is currently held by Embassy and is being used in Embassy's pursuit of the Merger. Other than its IPO and the pursuit of a Business Combination, Embassy has not engaged in any business to date. Embassy's executive offices are located at 1428 Brickell Avenue, Suite 105, Miami, Florida 33131 and its telephone number is (305) 374-6700. See "BUSINESS OF EMBASSY."

Orthodontix. Orthodontix was organized in August 1996 to provide practice management services to orthodontic practices. Concurrently with the consummation of the Merger, the Founding Practices will transfer certain operating assets and liabilities to Embassy in exchange for cash and shares of Embassy Common Stock. Immediately subsequent to the acquisition of the Founding Practices, Embassy will provide practice management services to the Founding Practices pursuant to long-term administrative services agreements with separately organized affiliated professional associations (collectively, the "PA Contractors"). The PA Contractors directly employ orthodontists or affiliate with other separately formed professional associations owned by practicing orthodontists pursuant to service agreements ranging from terms of two to ten years (the "Practitioner PAs"). In those practices where the PA Contractors do not directly employ orthodontists, the Practitioner PAs directly employ orthodontists. In all cases, Orthodontix directly employs all non-orthodontic personnel and subject to applicable law directly owns the tangible equipment and other assets utilized in the practices. Unless the context otherwise requires, references to: (i) "Affiliated Practices" include the Founding Practices and any orthodontic practice which enters into a similar arrangement with Orthodontix whereby it is provided practice management services by Orthodontix, with orthodontic services provided by the "Affiliated Orthodontists"; and (ii) "Affiliated Orthodontists" include orthodontists directly employed by the PA Contractors or the Practitioner PAs. Orthodontix' executive offices are located at 2222 Ponce de Leon Boulevard, Suite 300, Coral Gables, Florida 33134 and its telephone number is (305) 446-8661.

THE MERGER

Subject to the approval of the Merger Agreement by the Embassy Shareholders and certain other conditions, on the date the Merger becomes effective (the "Effective Date"): (i) Embassy Sub will be merged with and into Orthodontix and Orthodontix will become a wholly-owned subsidiary of Embassy; (ii) each outstanding share of Orthodontix common stock, par value \$.0001 per share (the "Orthodontix Common Stock") will be converted into the right to receive one share of Embassy Common Stock; (iii) the name of Embassy will be changed to Orthodontix, Inc.; and (iv) designees of Orthodontix will comprise four of the seven members of the Embassy Board.

On the Effective Date, the holders of all the outstanding Orthodontix Common Stock will receive in the aggregate, 3,487,940 shares of Embassy Common Stock (the "Merger Stock"), which will then constitute approximately 57.9% of the then outstanding shares of Common Stock of Embassy. Assuming the issuance of 1,079,944 shares of Embassy Common Stock issuable subsequent to the Merger upon the (a) exercise of the Underwriter Warrants (120,000 shares) and (b) the exercise of the Closing Stock Options (959,944 shares), the percentage to be owned by the current Embassy shareholders would be 40.0% of the outstanding Embassy Common Stock.

BACKGROUND

For a detailed description of the analysis and negotiations conducted by the parties in connection with the Merger, See "PROPOSAL 1: THE MERGER -- Background."

RISK FACTORS

Embassy Shareholders should carefully consider certain risk factors in evaluating the Merger. See "RISK FACTORS" beginning on page 11.

SPECIAL MEETING OF EMBASSY SHAREHOLDERS

The Special Meeting will be held at 9:00 A.M. local time, on April 16, 1998, at the NationsBank Tower Auditorium, 100 Southeast 2nd Street, 19th Floor, Miami, Florida, 33131. At the Special Meeting, Embassy Shareholders will be asked to consider and vote upon: (i) the proposal to approve and adopt the Merger Agreement and the transactions contemplated thereby; (ii) the proposal to approve the Preferred Stock Amendment and (iii) the proposal to ratify and approve the Stock Option Plan, as discussed elsewhere herein and such other business as may properly come before the Embassy Special Meeting. The Embassy Board has fixed the close of business on March 24, 1998 as the record date (the "Embassy Record Date") for the determination of holders of Embassy Common Stock entitled to notice of and to vote at the Special Meeting. See "THE SPECIAL MEETING."

THE EMBASSY BOARD, WITHOUT DISSENT OR ABSTENTION, HAS APPROVED THE MERGER AND RECOMMENDS THAT THE EMBASSY SHAREHOLDERS VOTE "FOR" THE PROPOSAL TO APPROVE AND ADOPT THE MERGER, THE PREFERRED STOCK AMENDMENT AND THE STOCK OPTION PLAN PROPOSAL. SEE "PROPOSAL 1: THE MERGER -- RECOMMENDATIONS OF THE BOARD OF DIRECTORS AND REASONS FOR THE MERGER -- EMBASSY."

REQUIRED VOTE

Orthodontix. The Merger Agreement and the transactions contemplated thereby have heretofore been approved and adopted by the holders of all outstanding shares of Orthodontix Common Stock.

Embassy. The presence, either in person or by proxy, of the holders of a majority of the outstanding shares of Embassy Common Stock entitled to vote at the Special Meeting is necessary to constitute a quorum at the Special Meeting. The affirmative vote of the holders of a majority of the outstanding shares of Embassy Common Stock entitled to vote is necessary to approve and adopt the Merger. Embassy's directors and executive officers, collectively holding an aggregate of approximately 30.7% of the outstanding shares of Embassy Common Stock before giving effect to the Merger, have agreed, with respect to the Merger, to vote their respective shares of Embassy Common Stock in accordance with the vote of the majority in interest of all non-affiliated Embassy Shareholders. Consequently, if a majority of outstanding Embassy Common Stock held and voted by non-affiliated persons is voted in favor of the Merger, the current directors and executive officers of Embassy will vote their shares of Embassy Common Stock in favor of the Merger. In the event, however, that holders of 30% or more in interest of all non-affiliated Embassy Shareholders vote against approval of the Merger, Embassy will not consummate the Merger. The proposals to adopt the Preferred Stock Amendment and the Stock Option Plan require the affirmative vote of a majority of the shares of Embassy Common Stock present and entitled to vote at the Embassy Special Meeting. See "THE SPECIAL MEETING -- Voting Rights" and "PROPOSAL 1: THE MERGER -- Redemption Rights."

RECOMMENDATIONS OF THE BOARDS OF DIRECTORS AND REASONS FOR THE MERGER

Orthodontix. On October 30, 1997, the Board of Directors of Orthodontix (the "Orthodontix Board") without dissent or abstention, approved the Merger. For a discussion of the factors considered by the Orthodontix Board in reaching such decision, see "PROPOSAL 1: THE MERGER -- Recommendations of the Boards of Directors and Reasons for the Merger -- Orthodontix."

Embassy. On October 30, 1997, the Embassy Board, without dissent or abstention, approved the Merger. The Embassy Board recommends that the Embassy Shareholders vote "FOR" approval and adoption of the Merger. The recommendation of the Embassy Board is based upon its belief that the Merger will provide an opportunity for the Embassy Shareholders to share in the expansion of Orthodontix' market share in an industry which appears to be growing. The Embassy Board believes that the Merger is fair to, and in the best interests of, Embassy and the Embassy Shareholders. For a discussion of the factors considered by the Embassy Board in making its recommendation, see "PROPOSAL 1: THE MERGER -- Recommendations of the Boards of Directors and Reasons for the Merger -- Embassy."

INTERESTS OF CERTAIN PERSONS IN THE MERGER

Upon consummation of the Merger, Orthodontix will be a wholly-owned subsidiary of Embassy. F.W. Mort Guilford, the sole director of Orthodontix immediately prior to the Effective Date, will continue to be the sole director of Orthodontix. Additionally, and pursuant to the terms of the Merger Agreement, after the Effective Date, Embassy and Orthodontix have agreed to cause the following persons to be elected to the Embassy Board: (i) Stephen J. Dresnick, M.D., (ii) Stephen Grussmark, D.D.S., M.S.D., (iii) F.W. Mort Guilford, (iv) Glenn L. Halpryn, (v) William Thompson, D.D.S., (vi) Mel Gottlieb, and (vii) Gary Gerson.

Upon the closing of the Merger, Drs. Dresnick, Grussmark, and Thompson and Messrs. Guilford, Halpryn, Gottlieb and Gerson will own approximately 2,133,639 shares of Embassy Common Stock (assuming the exercise of 390,000 currently exercisable stock options held by such individuals to be outstanding following the consummation of the Merger), representing in the aggregate approximately 33.0% of the total shares of Embassy Common Stock to be outstanding after the Merger (assuming the exercise of all then currently exercisable options, warrants and other rights to purchase shares of Embassy Common Stock). Additionally, the executive officers of Orthodontix immediately prior to the Effective Date will be the initial executive officers of Embassy and Orthodontix subsequent to the Merger.

In consideration for Dr. Dresnick's efforts in the negotiation of the Merger on behalf of Embassy, on the Effective Date, Dr. Dresnick shall be granted the option to purchase, for a period of five years from the Effective Date, 200,000 shares of Embassy Common Stock at a per share purchase price of \$8.00 (the "Dresnick Options"). In addition, Mr. Guilford, President and Chief Operating Officer of Orthodontix will be granted the option for a period of five years from the Effective Date to purchase at a per share purchase price equal to the average of the closing bid and ask price per share of Embassy Common Stock as reported on the OTC Bulletin Board 15 trading days immediately preceding the date of the Closing (the "Average Price") 150,000 shares (the "Guilford Options"). Richard L. Alfonso, Vice President -- Operations of Orthodontix, will be granted on the Effective Date the option to purchase at a per share purchase price equal to the Average Price 25,000 shares (the "Alfonso Options"), 20% of which shares may be purchased commencing on the Effective Date through the date which is 60 months from the Effective Date (the "60 Month Date"), an additional 20% of which may be purchased commencing on the date which is 12 months from the Effective Date through the 60 Month Date, an additional 20% of which may be purchased commencing on the date which is 24 months from the Effective Date through the 60 Month Date, an additional 20% of which may be purchased commencing on the date which is 36 months from the Effective Date through the 60 Month Date, and the remainder of which may be purchased commencing on the date which is 48 months from the Effective Date through the 60 Month Date. In the event Mr. Alfonso resigns or is terminated for cause by Orthodontix from his employment with Orthodontix, the Alfonso Options shall terminate. In addition, Dr. William Thompson, who upon the closing of the Merger shall be a member of the Board of Directors of Embassy, shall be granted the option to purchase for a period of three years from the Effective Date, 40,000 shares of

Embassy Common Stock at a per share purchase price equal to 80% of the Average Price (the "William Thompson Options").

CLOSING; EFFECTIVE DATE

The closing of the transactions contemplated by the Merger Agreement (the "Closing") will take place no later than the fifth business day immediately following the date on which the last of the conditions set forth in the Merger Agreement is satisfied or waived, or at such other time as Embassy and Orthodontix agree (the "Closing Date"). After all the conditions set forth in the Merger Agreement have been satisfied or waived, the Merger will become effective on such date as Articles of Merger, together with a Plan of Merger reflecting the Merger, shall be accepted for filing by the Secretary of State of Florida (the "Effective Date"). Such filing will be made simultaneously with or as soon as practicable after the closing of the transactions contemplated by the Merger Agreement. See "PROPOSAL 1: THE MERGER -- The Merger Agreement and -- Effective Date."

CONDITIONS TO THE MERGER

The respective obligations of Embassy and of Orthodontix to effect the Merger are subject to a number of conditions, any or all of which may be waived by the party for whom such condition was established, including, among others: (i) the Practice Acquisitions shall have been consummated; (ii) the Merger shall have been approved and adopted by the Embassy Shareholders, and no more than 30% in interest of the Embassy Common Stock held by Embassy Shareholders actually vote against the Merger; (iii) no preliminary or permanent injunction or other order or decree by any federal or state court or any action by any state or federal governmental agency preventing the consummation of the Merger shall have been issued or taken and remain in effect; and (iv) all consents, orders and approvals legally required shall have been obtained and be in effect on the Effective Date. A copy of the Merger Agreement is attached hereto as Appendix A to this Proxy Statement/Prospectus.

RIGHT TO TERMINATE, AMENDMENT

The Merger Agreement may be terminated (i) at any time by the mutual consent of the parties; (ii) unilaterally by either Embassy or Orthodontix if the Merger has not been consummated prior to May 1, 1998, unless such date is extended by mutual consent of the parties; or (iii) unilaterally by either Embassy or Orthodontix if the other is unable to satisfy any of its pre-closing covenants and obligations under the Merger Agreement. See "PROPOSAL 1: THE MERGER -- The Merger Agreement -- Termination." Subject to compliance with applicable law, the Merger Agreement may be amended at any time prior to or after its approval by the Embassy Shareholders only by a written agreement executed by Embassy and Orthodontix. See "PROPOSAL 1: THE MERGER -- The Merger Agreement -- Amendment."

DELIVERY OF STOCK CERTIFICATES

On the Effective Date, the shareholders of Orthodontix (the "Orthodontix Shareholders") will receive certificates representing the Merger Stock.

COMPARISON OF RIGHTS OF EMBASSY SHAREHOLDERS AND ORTHODONTIX SHAREHOLDERS

The rights of Embassy Shareholders are currently governed by applicable Florida law, the Embassy Articles of Incorporation and Embassy Bylaws. Holders of Embassy Common Stock immediately prior to the Effective Date will continue as Embassy Shareholders subsequent to the Effective Date, and although their ownership in Embassy will suffer significant dilution, their rights as Embassy Shareholders will remain substantially unchanged and will continue to be governed by applicable Florida law, the Embassy Articles of Incorporation, as amended, and the Embassy Bylaws from and after the Effective Date. See "RISK FACTORS -- Certain Provisions of Embassy's Articles of Incorporation."

EMBASSY SHAREHOLDERS WILL NOT BE REQUIRED TO SURRENDER CERTIFICATES EVIDENCING SHARES OF EMBASSY COMMON STOCK FOLLOWING THE APPROVAL AND ADOPTION OF THE MERGER AGREEMENT AND THE SUBSEQUENT IMPLEMENTATION OF THE MERGER.

REDEMPTION RIGHTS

Each non-affiliated Embassy Shareholder as of the Embassy Record Date will have the right until April 15, 1998 to offer his or her shares of Embassy Common Stock to Embassy for redemption (the "Redemption") at a price equal to approximately \$5.35 per share as of September 30, 1997 (the "Redemption Value"). As per the terms of Embassy's prospectus dated April 2, 1996, the Redemption Value is equal to Embassy's book value divided by the number of shares of Embassy Common Stock held by all non-affiliated Embassy Shareholders, as determined by Embassy and reviewed by its independent public accountants, calculated as of the Embassy Record Date. If less than 30% in interest of Embassy Common Stock held by non-affiliated Embassy Shareholders who vote against approval of the Merger also elect to have their shares of Embassy Common Stock redeemed, and if the Merger is consummated, Embassy will redeem shares of Embassy Common Stock at the Redemption Value from those Embassy Shareholders who affirmatively requested such redemption and who actually voted against approval of the Merger. If 30% or more in interest of Embassy Common Stock held by non-affiliated Embassy Shareholders actually vote against approval of the Merger, the proposed Merger will be terminated, Embassy will not proceed with the Merger and will not redeem such shares. See PROPOSAL 1: THE MERGER -- Redemption Rights."

A non-affiliated Embassy Shareholder wishing to exercise his or her redemption rights (i) must deliver to Embassy, prior to or at the Special Meeting but before the vote is taken on the Merger, a written objection to the Merger (the "Notice of Election"), which shall include a notice of his or her election to redeem his or her Embassy Common Stock, his or her name and residence address, the number of shares of Embassy Common Stock which he or she owns and demand for payment of the Redemption Value of his or her shares of Embassy Common Stock (which Notice of Election must be in addition to and separate from any proxy or vote against the Merger); and (ii) must vote against the Merger. A proxy directing such vote for an abstention, even if accompanied by a Notice of Election, will not meet the requirements for exercise of the redemption rights. A nonaffiliated Embassy Shareholder who elects to redeem his or her shares of Embassy Common Stock may not redeem less than all of the shares of Embassy Common Stock beneficially owned by such Embassy Shareholder as of the Embassy Record Date. If a Shareholder votes against the Merger but specifically chooses not to redeem his shares of Embassy Common Stock, such shareholder will continue to be a shareholder of Embassy. See "PROPOSAL 1: THE MERGER -- Redemption Rights."

APPRAISAL RIGHTS

Holders of Embassy Common Stock will not be entitled to appraisal rights in connection with the Merger. See "PROPOSAL 1: THE MERGER -- Absence of Appraisal Rights." However, see "PROPOSAL 1: THE MERGER -- Redemption Rights."

ACCOUNTING TREATMENT

For accounting and financial reporting purposes, the Merger will be treated as a capital transaction equivalent to the issuance of stock by Orthodontix for Embassy's net monetary assets of approximately \$7.4 million as of September 30, 1997, accompanied by a recapitalization of Orthodontix. See "PROPOSAL 1: THE MERGER -- Accounting Treatment."

CERTAIN TAX CONSEQUENCES OF THE MERGER

The Merger will be treated as a "reorganization" for federal income tax purposes. Accordingly, other than with respect to the Redemption, (i) Embassy will not recognize any gain or loss in the Merger; and (ii) the Embassy Shareholders will not recognize any gain or loss in the Merger. See "PROPOSAL 1: THE MERGER -- Certain Tax Consequences of the Merger."

RESALE OF EMBASSY COMMON STOCK BY AFFILIATES

The shares of Merger Stock to be issued to Orthodontix Shareholders in connection with the Merger have been registered under the Securities Act. Subject to certain lock-up agreements described below, all shares of Merger Stock to be issued in connection with the Merger will be freely transferable by Orthodontix Shareholders not deemed to be "Affiliates" (as such term is defined in the Securities Act) of Orthodontix at the time of the Special Meeting. The Merger Agreement contemplates that all of the holders of the shares of Merger Stock will, prior to the consummation of the Merger, have entered into lock-up agreements with Embassy to the effect that such holders shall not sell, transfer or otherwise dispose of shares of Merger Stock received pursuant to the Merger for specified periods of time. See "PROPOSAL 1: THE MERGER -- Restrictions on Sales by Affiliates."

CERTAIN REGULATORY MATTERS

Except for certain required notifications and closing and post-closing filings, consummation of the Merger is not subject to any regulatory approvals. Although no assurance can be given, Embassy believes that the Merger can be effected in compliance with all federal and state regulations. See "PROPOSAL 1: THE MERGER -- Certain Regulatory Matters."

OPERATIONS AFTER THE MERGER

As a result of the Merger, Orthodontix will be a wholly-owned subsidiary corporation of Embassy. Embassy's Articles of Incorporation will be amended on the Effective Date to, among other things, change Embassy's name to "Orthodontix, Inc." In accordance with the Merger Agreement, all of Embassy's executive officers will resign effective on the Effective Date, to be replaced by Orthodontix' current executive officers. See "PROPOSAL 1: THE MERGER -- Operations After the Merger -- Executive Officers and Directors" and "MANAGEMENT OF ORTHODONTIX -- Executive Officers and Directors."

SECURITY OWNERSHIP OF MANAGEMENT

As of the Record Date, the directors and executive officers of Embassy as a group had the power to vote approximately 30.71% of the issued and outstanding shares of Embassy Common Stock entitled to vote at the Special Meeting. Embassy's directors and executive officers have agreed, with respect to the Merger, to vote their respective shares of Embassy Common Stock in accordance with the vote of the majority in interest of all non-affiliated Embassy Shareholders.

MARKET PRICES

Embassy's Common Stock has been quoted in the over-the-counter market under the symbol "MBCA" since April 2, 1996. There is no established trading market for the shares of Embassy Common Stock and, to the extent there has been any trading in the shares of Embassy Common Stock, it has been thin and sporadic. There can be no assurances that an established trading market for the shares of Embassy Common Stock will develop. Orthodontix Common Stock is owned of record by nine shareholders and there is no established public trading market therefor.

On May 5, 1997 (the last day prior to the public announcement of the letter of intent relating to the Merger that the Embassy Common Stock was quoted), the last reported closing bid price of the Embassy Common Stock was \$9.25.

On November 6, 1997 (the last day prior to the public announcement of the execution of the Merger Agreement that the Embassy Common Stock was quoted), the last reported closing bid price of the Embassy Common Stock was \$8.00.

On March 25, 1998 (the last day prior to the date of this Proxy Statement/Prospectus that the Embassy Common Stock was quoted), the last reported closing bid price of the Embassy Common Stock was \$8.75. On that date, there were 46 record holders of Embassy Common Stock, inclusive of those brokerage firms and/or clearing houses holding shares of Embassy Common Stock for their clientele (with each such brokerage house and/or clearing house being considered as one holder). See "PRICE RANGES OF EMBASSY'S SECURITIES."

RISK FACTORS

The business to be conducted by Embassy subsequent to the consummation of the Merger involves certain elements of risk, including, but not limited to, the several factors discussed below.

In addition to the other information contained in this Proxy Statement/Prospectus, Embassy Shareholders should review carefully the following considerations regarding the business of Orthodontix in deciding whether to vote in favor of approval of the Merger.

RISKS RELATING TO ORTHODONTIX

Absence of Combined Operating History. Orthodontix was organized in August 1996 to provide practice management services to orthodontic practices. Concurrently with the consummation of the Merger, substantially all the tangible and intangible assets, and certain liabilities of the Founding Practices will be acquired in exchange for cash and shares of Embassy Common Stock. Immediately following the acquisition of the Founding Practices, Embassy will provide practice management services to the Founding Practices. The Founding Practices have been operating as separate, independent entities and there can be no assurance that in the process of integrating management and administrative functions, the management of Orthodontix will be able to operate the Founding Practices successfully, manage the Founding Practices' operations effectively, achieve any cost savings as a result of the consolidation of the Practice Acquisitions or implement the necessary systems and procedures to manage the Founding Practices on a profitable basis. In addition, the management group of Orthodontix has recently been assembled and there can be no assurance that such persons will be able to effectively oversee the implementation of Orthodontix' operating, growth, acquisition and business strategies. The inability of Orthodontix to successfully integrate or operate the Founding Practices, or delays, complications and expenses in implementing and operating the necessary systems, any of which could have a material adverse effect on Orthodontix' business, financial condition and results of operations and make it unlikely that Orthodontix' acquisition program will be successful. See "CERTAIN TRANSACTIONS RELATING TO ORTHODONTIX," "MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION OF ORTHODONTIX" and "MANAGEMENT OF ORTHODONTIX."

Dependence on Affiliated Orthodontists. Orthodontix will receive fees for practice management services provided to the Affiliated Practices under administrative services agreements, but does not employ orthodontists or control or own the practices of the Affiliated Orthodontists. Orthodontix' revenue is dependent on revenue generated by the Affiliated Practices, which in turn is largely dependent on the efforts of the Affiliated Orthodontists and, therefore, the performance of Affiliated Orthodontists is essential to Orthodontix' success. The service agreements with the Practitioner PAs and the Affiliated Orthodontists have terms ranging from two to ten years with automatic renewal terms, subject to prior termination by the Affiliated Orthodontist. Any material loss of revenue by the Affiliated Orthodontists, termination of such service or employment agreements, or violation of any noncompete arrangements contained therein, could have a material adverse effect on Orthodontix' business, financial condition and results of operations. See "MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION OF ORTHODONTIX" and "BUSINESS OF ORTHODONTIX -- Services of Orthodontix and -- Affiliated Orthodontists, PA Contractor and Other Contractual Relationships."

Risks Related to Additional Affiliations and Growth Strategy. One of Orthodontix' primary business strategies is to increase revenue and expand the markets it serves beyond the Founding Practices by acquiring certain operating assets of and entering into agreements to provide practice management services to additional orthodontic practices. Competition for such affiliations has increased significantly in recent years and, as a result, there may be fewer candidates available for affiliation with Orthodontix. There can be no assurance that Orthodontix will be able to identify additional practices or contract with such practices on favorable terms. Furthermore, such arrangements involve a number of risks, including diversion of management's attention, dependence on retaining, hiring and training key personnel, and risks associated with the assumption of certain contingent legal liabilities, some or all of which could have a material adverse effect on Orthodontix' business, financial condition and results of operations. To the extent that Orthodontix is unable to enter into affiliations

with additional orthodontic practices, its ability to expand its operations and increase its revenues to the degree desired would be reduced significantly and would have a material adverse effect on Orthodontix' business, financial condition and results of operations. In addition, future acquisitions accounted for as purchases may result in substantial annual noncash amortization charges for intangible assets in Orthodontix' statements of operations. See "BUSINESS OF ORTHODONTIX -- Operating Strategy and -- Growth Strategy."

Risks Related to Orthodontix' Affiliation Strategy. Orthodontix intends to finance future affiliations with cash, the issuance of shares of common stock or the issuance of indebtedness as consideration. In the event that the Embassy Common Stock does not maintain a sufficient market value, or potential acquisition candidates are unwilling to accept Embassy Common Stock as partial consideration for their practices, Orthodontix may be required to use its cash resources, if available, to initiate and maintain its acquisition program. If Orthodontix lacks sufficient cash resources to pursue acquisitions, its growth could be limited unless it is able to obtain additional capital through debt or equity financing. There can be no assurance that Orthodontix will be able to obtain such financing if and when it is needed or that, if available, such financing can be obtained on favorable terms. The inability to obtain such financing could have a material adverse effect on Orthodontix' business, financial condition and results of operations. Furthermore, issuing shares of Embassy Common Stock as consideration for (or in order to provide financing for) future acquisitions could result in significant dilution to existing shareholders. See "MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION OF ORTHODONTIX -- Liquidity and Capital Resources" and "BUSINESS OF ORTHODONTIX -- Growth Strategy."

Risks Related to Orthodontix' Ability to Continue Internal Growth. Certain of the Founding Practices have experienced significant growth in the past, principally through growth of operations of existing orthodontic offices and the opening of new offices. There can be no assurance that Orthodontix will be able to expand its market presence in its current locations or successfully enter other markets by providing financial resources to the Affiliated Practices required for opening new orthodontic offices. Such offices may incur substantial costs, delays or other operational or financial problems. The ability of Orthodontix to continue its growth will depend on a number of factors, including the availability of working capital to support such growth, existing and emerging competition and Orthodontix' ability to maintain profitability while facing pricing pressures and rising overhead costs. Orthodontix must also manage costs in a changing regulatory environment, adapt its infrastructure and systems to accommodate growth, and recruit and train additional qualified personnel. See "MANAGEMENT'S DISCUSSION AND ANALYSIS OR PLAN OF OPERATION OF ORTHODONTIX -- Liquidity and Capital Resources" and "BUSINESS OF ORTHODONTIX -- Operating Strategy and -- Growth Strategy."

Risks Related to Changes in Government Regulation. The orthodontic industry and orthodontic practices are regulated extensively at the state and federal levels. Orthodontix will not engage in or control the practice of orthodontics by the Affiliated Orthodontists as required by certain regulatory requirements directly applicable to the orthodontists and their practices. The laws of many states prohibit non-orthodontic entities (such as Orthodontix) from practicing orthodontics, owning all or certain assets of an orthodontic practice, employing orthodontists or controlling the content of an orthodontist's advertisements. The laws of many states also prohibit orthodontists from paying any portion of fees received for orthodontic services in consideration for the referral of a patient. In addition, many states impose limits on the tasks that may be delegated to other staff members. There can be no assurance that any review of Orthodontix' business relationships by regulatory authorities or the courts will not result in determinations that could adversely affect the operations of Orthodontix or that the regulatory environment will not change to restrict Orthodontix' existing or future operations. These laws and their interpretations vary from state to state and are enforced by regulatory authorities with broad discretion. There can be no assurance that the legality of Orthodontix' arrangements with the Affiliated Practices and Affiliated Orthodontists will not be successfully challenged or that enforceability of the provisions thereof will not be limited. See "BUSINESS OF ORTHODONTIX." The laws and regulations of certain states in which Orthodontix may seek to expand may require Orthodontix to change the form of relationships entered into with orthodontists in a manner which may restrict Orthodontix' operations in those states or may prevent Orthodontix from acquiring the assets of orthodontic practices in those states. In addition, there can be no assurance that the laws and regulations of

states in which the Founding Practices presently maintain operations will not change or be interpreted in the future to either restrict or adversely affect Orthodontix' relationships with Affiliated Practices or Affiliated Orthodontists in those states. See "BUSINESS OF ORTHODONTIX -- Government Regulation."

Risks Related to Possible Future Health Care Reform. The United States Congress as well as state legislatures have considered various health care reform proposals, including comprehensive revisions to the current health care system. It is not possible to predict which, if any, proposal that has been or will be considered will be adopted. There can be no assurances that the healthcare regulatory environment will not change so as to restrict the existing operations of, impose additional requirements on or limit the expansion of Orthodontix. Costs of compliance with changes in government regulations may not be subject to recovery by Orthodontix through price increases.

Dependence on Enforceability of Operative Agreements. To effect the consummation of the Practice Acquisitions, Orthodontix requires that the Founding Practices and the Affiliated Orthodontists execute the following agreements (collectively, the "Operative Agreements"): (i) an agreement and plan of reorganization by and between the Founding Practice and Orthodontix; and (ii) a service agreement by and between the PA Contractor and the Practitioner PAs (the "Service Agreement") or an employment agreement between the Affiliated Orthodontist and the PA Contractor (the "PA Contractor Employment Agreement"); and (iii) an employment agreement between the Affiliated Orthodontist and the Practitioner PAs (the "Practitioner PA Employment Agreement") in those cases where the employment agreement has not been entered between the PA Contractor and the Affiliated Orthodontist. The consummation of the Practice Acquisitions and the subsequent viability of Orthodontix are dependent on the initial and continuing enforceability of the Operative Agreements. While Orthodontix has attempted to structure the Operative Agreements in accordance with applicable law, there can be no assurance that the enforceability of certain non-compete and other provisions will not be successfully challenged. See "BUSINESS OF ORTHODONTIX."

Dependence on Key Personnel. The success of Orthodontix is dependent upon the continued services and management experience of F. W. Mort Guilford, President and Chief Operating Officer. The loss of the services of Mr. Guilford could have a material adverse effect upon Orthodontix' business, financial condition and results of operations. Orthodontix carries no "key man" life insurance policy on Mr. Guilford. See "MANAGEMENT OF ORTHODONTIX."

Risks Related to Competition. The business of providing orthodontic services is highly competitive in each market in which Orthodontix operates. Each of Orthodontix' Affiliated Orthodontists faces competition from other orthodontists or general dentists in the communities served, some of whom have more established practices in the market. Orthodontix is aware of several other companies currently developing, consolidating and managing orthodontic practices throughout much of the United States, and Orthodontix may encounter substantial competition from those entities, as well as new market entrants. Other competitors involved in managing multiple practices may have greater marketing, financial and other resources and more established operations than Orthodontix. Orthodontix expects that the level of competition with regional or national management concerns will remain high in the future, which could limit Orthodontix' ability to maintain or increase its market share or maintain or increase gross margins, either of which could have a material adverse effect on Orthodontix' business, financial condition and results of operations. See "BUSINESS OF ORTHODONTIX -- Competition."

Liability Risks Associated with Providing Orthodontic Services. Each of the Affiliated Orthodontists provides orthodontic services to the public and may be exposed to the risk of professional liability and other claims. Claims relating to orthodontic treatment, temporomandibular joint syndrome-related claims and claims for failure to diagnose periodontal disease, if successful, could result in substantial damage awards to the claimants which may exceed the limits of any applicable insurance coverage of the Affiliated Practice and, potentially, Orthodontix as an affiliate of the Affiliated Practice. Each of the Affiliated Practices or Orthodontix on its behalf will be required to maintain certain levels of general liability and malpractice insurance.

Orthodontix does not engage in the practice of orthodontics. Orthodontix will not control the practice of orthodontics by its Affiliated Orthodontists or the compliance with regulatory and other requirements directly

applicable to the Affiliated Orthodontists and the Affiliated Practices. Although Orthodontix intends to maintain liability insurance for itself (with limits and retention amounts to be negotiated), and intends to be named as an additional insured party on the liability insurance policies of the Affiliated Orthodontists (where permitted by insurers and applicable state law), successful malpractice claims against Orthodontix or the Affiliated Orthodontists could have a material adverse effect on Orthodontix' business, financial condition and results of operations. In addition, there can be no assurance that claims not covered by Orthodontix' insurance (e.g., claims for punitive damages) will not arise. See "BUSINESS OF ORTHODONTIX -- Litigation and Insurance." Claims against Orthodontix, the Affiliated Practices and/or the Affiliated Orthodontists, regardless of their merit or eventual outcome, may also have a material adverse effect on the ability to attract patients to Affiliated Practices. Furthermore, because insurance policies must be renewed annually, there can be no assurance that Orthodontix, the Affiliated Practices and/or the Affiliated Orthodontists, will be able to obtain liability insurance coverage in the future on acceptable terms, if at all.

State Laws Regarding Prohibition of Corporate Practice of Orthodontics. The laws of many states prohibit business corporations, such as Orthodontix, from exercising control over the orthodontic judgments or decisions of orthodontists and from engaging in certain financial arrangements, such as fee splitting with orthodontists. These laws and their interpretations vary from state to state and are enforced by both the courts and regulatory authorities, each with broad discretion. Expansion into certain jurisdictions may require structural and organizational modifications of Orthodontix' form of relationship with practices. Orthodontix strives to establish affiliations and related arrangements with Affiliated Practices that achieve the substance of ownership, control and operation, to the maximum extent practicable in accordance with applicable state law. Although Orthodontix believes that it is in compliance with applicable state laws and regulations relating to the corporate practice of orthodontics, there can be no assurances that regulatory authorities or other parties will not assert that Orthodontix is engaged in the unlawful corporate practice of orthodontics in such states or that the management and administration fees paid to Orthodontix by the PA Contractors constitute unlawful fee splitting or the unlawful corporate practice of orthodontics. If such a claim were successfully asserted, Orthodontix and the Affiliated Orthodontists could be subject to civil and criminal penalties and Orthodontix could be required to restructure its contractual arrangements. Such penalties or the inability of Orthodontix to successfully restructure its relationships to comply with such laws could have a material adverse effect on Orthodontix' financial condition and results of operations. See "BUSINESS OF ORTHODONTIX -- Government Regulation."

RISKS RELATING TO EMBASSY

Benefits to Embassy's Officers and Directors. Subsequent to the consummation of the Merger, the current officers and directors of Embassy, Dr. Dresnick and Messrs. Halpryn, Stein, Brumfield, and Marshak, shall each own 2.7%, 5.5%, 2.8%, 1.0%, and 1.0% of Embassy Common Stock of Embassy without giving effect to the issuance of 1,079,944 shares of Embassy Common Stock upon the exercise of the Underwriter Warrants or the Closing Stock Options.

Dilution. Current Embassy Shareholders will incur an immediate dilution in the net tangible book value of \$2.23 per share of Embassy Common Stock.

Control by Certain Shareholders. Following the consummation of the Merger, the Orthodontix Shareholders, by virtue of their direct ownership, will collectively own approximately 57.9% of the outstanding Embassy Common Stock, without giving effect to the issuance of shares of Embassy Common Stock upon the exercise of the Underwriter Warrants or the Closing Stock Options. Accordingly, such persons, as a result of their ownership of the Merger Stock will be able to control the election of the Embassy Board and thereby direct the policies of Embassy. Simultaneous with the consummation of the Merger, the current directors and executive officers of Embassy, who, after the Merger and without taking into account the sale of any of the shares of Embassy Common Stock they may sell, will collectively own approximately 12.9% of the then outstanding Embassy Common Stock, without giving effect to the issuance of 120,000 shares of Embassy Common Stock upon the exercise of the Underwriter Warrants or the 959,944 shares of Embassy Common Stock upon the exercise of the Closing Stock Options. Upon the Effective Date, the Embassy Board shall consist of (i) Dr. Dresnick, (ii) Dr. Grussmark, (iii) Mr. Guilford, (iv) Mr. Halpryn, (v) Dr. Thompson,

(vi) Mr. Gottlieb and (vii) Gary Gerson who will exercise control over Embassy's affairs. See "MANAGEMENT OF ORTHODONTIX," "PRINCIPAL SHAREHOLDERS OF ORTHODONTIX" and "DESCRIPTION OF ORTHODONTIX' SECURITIES."

In addition, certain Affiliated Orthodontists, officers, directors and existing shareholders of Orthodontix and Dr. Dresnick will be granted the right to acquire an aggregate of 959,944 shares of Common Stock upon the exercise of Closing Stock Options. The exercise of these Closing Stock Options will result in further increasing the holders' of such shares control over Embassy's affairs. In the event all of the these Closing Stock Options are exercised such persons would own approximately 65.3% of the then outstanding shares of Embassy Common Stock (assuming no other issuances of capital stock). See "DESCRIPTION OF EMBASSY'S SECURITIES."

Shares Eligible for Future Sale. Upon consummation of the Merger, 6,027,940 shares of Embassy Common Stock are expected to be outstanding, exclusive of shares of Embassy Common Stock issuable upon exercise of the Underwriter Warrants and Closing Stock Options.

Resale of Embassy Common Stock by Affiliates. The shares of Merger Stock to be issued to Orthodontix Shareholders in connection with the Merger have been registered under the Securities Act, and, subject to applicable law and certain lock-up agreements described below, will be freely transferable under the Securities Act, except for shares issued to any person who may be deemed an "Affiliate" (as defined below) of Orthodontix within the meaning of Rule 145 under the Securities Act ("Rule 145"). "Affiliates" are generally defined as persons who control, are controlled by, or are under common control with Orthodontix at the time of the Special Meeting (generally, directors, certain executive officers and major shareholders). Affiliates of Orthodontix may not sell their shares of Embassy Common Stock acquired in connection with the Merger, except pursuant to an effective registration statement under the Securities Act covering such shares or in compliance with Rule 145 or another applicable exemption from the registration requirements of the Securities Act. In general, under Rule 145, for one year following the Effective Date, an Affiliate (together with certain related persons) would be entitled to sell shares of Embassy Common Stock acquired in connection with the Merger only through unsolicited "broker transactions" or in transactions directly with a "market maker," as such terms are defined in Rule 144 under the Securities Act. Additionally, the number of shares to be sold by an Affiliate (together with certain related persons and certain persons acting in concert) during such one-year period within any three-month period for purposes of Rule 145 may not exceed the greater of 1% of the outstanding shares of Embassy Common Stock or the average weekly trading volume of such stock during the four calendar weeks preceding such sale. Rule 145 would remain available to Affiliates only if Embassy remained current with its information filings with the Commission under the Exchange Act. One year after the Effective Date, an Affiliate would be able to sell such Embassy Common Stock without such manner of sale or volume limitations, provided that Embassy was current with its Exchange Act information filings and such Affiliate was not then an Affiliate of Embassy. Two years after the Effective Date, an Affiliate would be able to sell such shares of Embassy Common Stock without any restrictions provided such Affiliate has not been an Affiliate of Embassy for at least three months prior thereto.

Under the terms of a lock-up agreement between each of the Affiliated Orthodontists who are issued Merger Stock (the "Practitioner Holders") and Embassy, all of the shares of Merger Stock to be issued to the Practitioner Holders in connection with acquisition of the Affiliated Practices as well as shares underlying stock options received by the Practitioner Holders (the "Practitioner Merger Stock") will not be permitted to be sold, transferred or otherwise disposed of for a period of six months from the Effective Date. Thereafter, the Practitioner Holders will not be permitted to sell, transfer or otherwise dispose of the Practitioner Merger Stock other than in amounts equal to: (i) 20% of the Practitioner Holder's Practitioner Merger Stock during the period of time commencing on the 181st day and ending on the 270th day after the Effective Date; (ii) 40% of the Practitioner Holder's Practitioner Merger Stock during the period of time commencing on the 271st day and ending on the 365th day following the Effective Date; (iii) 60% of the Practitioner Holder's Merger Stock during the period of time commencing on the 366th day and ending on the 456th day following the Effective Date, and thereafter the Practitioner Holders' Practitioner Merger Stock will be transferable by the Practitioner Holders not deemed to be "Affiliates" of Embassy subject to applicable law. Affiliates are

generally defined as persons who control, are controlled by, or under common control with Embassy (generally certain executive officers, directors and principal shareholders).

Under the terms of a lock-up agreement executed by each of the Orthodontix Shareholders who receive Merger Stock other than the Practitioner Holders (the "Non-Practitioner Holders"), the Non-Practitioner Holders are not permitted to sell, transfer or otherwise dispose of any shares of Embassy Common Stock received in connection with the Merger or issuable upon exercise of any stock options for a period of 15 months from the Effective Date. Thereafter, such persons, not affiliates of Embassy, will be able to sell, transfer or otherwise dispose of such shares subject to applicable law.

Under the terms of a lock-up agreement executed by each of Dr. Dresnick and Messrs. Halpryn, Stein, and Brumfield, they are not permitted to sell, transfer, or otherwise dispose of any shares of Embassy Common Stock currently owned by them or issuable upon exercise of any stock options for a period of six months following the Effective Date. Thereafter, for a period of nine months, Dr. Dresnick and Mr. Halpryn will only be permitted to sell, transfer or otherwise dispose of their shares in 20% increments per quarter. Under the terms of a lock-up agreement executed by Mr. Marshak, he is only permitted to sell, transfer, or otherwise dispose of 20,000 shares of Embassy Common Stock currently owned by him or issuable upon exercise of any stock options for a period of six months following the Effective Date, subject to applicable law. The sale of any of these shares could have an adverse effect on the future market price of Embassy Common Stock. See "PROPOSAL 1: THE MERGER -- Restrictions on Sales by Affiliates" and "-- Interests of Certain Persons in the Merger."

While no assurances can be made, it is contemplated that subsequent to the Effective Date, Embassy expects to file a Registration Statement on Form S-8 (the "S-8 Registration Statement") covering the resale of the shares of Embassy Common Stock issuable upon exercise of options to be granted under the Stock Option Plan (assuming it is approved) (the "S-8 Registration Statement"). The effect of filing such S-8 Registration Statement is that, subject to applicable law, upon the effectiveness of the S-8 Registration Statement, the shares of Embassy Common Stock underlying stock options to be granted under the Stock Option Plan, when properly issued, will be freely transferable under the Securities Act in accordance with the terms and conditions of the Stock Option Plan. See "STOCK OPTION PLAN PROPOSAL."

Volatility of Stock Price. Prior to the Merger, there has been no public market for the equity securities of Orthodontix and there can be no assurances that an active trading market for the Embassy Common Stock will develop or be sustained subsequent to the Merger. The market price of the Embassy Common Stock could be subject to significant fluctuations in response to Embassy's operating results and other factors. In addition, the stock market in recent years has experienced extreme price and volume fluctuations that either have been unrelated or disproportionate to the operating performance of companies. These fluctuations, as well as general economic and market conditions, may adversely affect the market price of the Embassy Common Stock.

No Dividends. Embassy has never paid cash dividends on its Common Stock and does not anticipate paying any cash dividends in the foreseeable future. Embassy intends to reinvest any funds that might otherwise be available for the payment of dividends in further development of its business following the Merger. See "PROPOSAL 1: THE MERGER -- Operations after the Merger -- Dividends" and "DESCRIPTION OF EMBASSY'S SECURITIES."

OTC Bulletin Board. The Embassy Common Stock is currently quoted on the OTC Bulletin Board under the symbol "MBCA." There is currently no established trading market for the shares of Embassy Common Stock and there can be no assurances that an established trading market will develop.

Certain Provisions of Embassy's Articles of Incorporation. Embassy's Articles of Incorporation provide, among other things, that (i) officers and directors of Embassy will be indemnified to the fullest extent permitted under Florida law; and (ii) Embassy has elected not to be governed by Sections 607.0901 and 607.0902 of the Florida Business Corporation Act and other laws relating thereto (the "Anti-Takeover Sections").

As a result of Embassy's election not to be governed by the Anti-Takeover Sections, Embassy will not be subject to the provisions of Florida law which provides that certain transactions between Embassy and an "interested shareholder" or any affiliate of the "interested shareholder" be approved by two-thirds of Embassy's outstanding shares. An "interested shareholder" as defined in Section 607.0901 of the Florida Business Corporation Act is any person who is the beneficial owner of more than 10% of the outstanding shares of Embassy who is entitled to vote generally in the election of directors. Since neither Orthodontix nor any of its shareholders own 10% or more of the outstanding Embassy Common Stock, these provisions of the Anti-Takeover Sections would, nevertheless, not impact the Merger or the required role thereon. In addition, because of Embassy's election not to be governed by the Anti-Takeover Sections, Embassy will not be subject to the provisions of Florida law which provide that a person who acquires shares in an issuing public corporation in excess of certain specified thresholds will generally not have any voting rights with respect to such shares unless the voting rights are approved by a majority of the shares entitled to vote, excluding the interested shares.

Authorization of Preferred Stock. The Embassy Shareholders are being asked to consider and vote upon a proposal to amend and restate Embassy's Articles of Incorporation to provide for an authorized class of Preferred Stock, consisting of 100,000,000 shares, par value \$.0001 per share (the "Preferred Stock"), with rights, preferences and designations of such shares to be determined by the Board of Directors (the "Preferred Stock Amendment"). Accordingly, if Embassy becomes authorized to issue the Preferred Stock, the Embassy Board will be empowered, without shareholder approval, to issue the Preferred Stock with dividend, liquidation, conversion, voting or other rights which could adversely affect the voting power or other rights of the holders of Embassy Common Stock. In the event of issuance, the Preferred Stock could be utilized, under certain circumstances, as a method of discouraging and delaying or preventing a change of control of Embassy. Although Embassy has no present intention to issue any shares of Preferred Stock, there can be no assurances that Embassy will not do so in the future. See, "PROPOSAL 2 -- RESTATEMENT OF THE ARTICLES OF INCORPORATION OF EMBASSY."

THE SPECIAL MEETING

INTRODUCTION

This Proxy Statement/Prospectus is provided by the Embassy Board to the Embassy Shareholders in connection with the Special Meeting of Shareholders of Embassy and any adjournments or postponements thereof. The Special Meeting will be held on the date, at the time and in the location, and will be held to consider the matters set forth below.

The Embassy Board is soliciting proxies hereby for use at the Special Meeting. A form of proxy is being provided to the Embassy Shareholders with this Proxy Statement/Prospectus. Information with respect to the execution and the revocation of proxies is provided under "Voting Rights."

PURPOSES OF MEETING

At the Special Meeting, Embassy Shareholders eligible to vote will be asked to consider and vote upon a proposal to approve the (1) Merger, including the Name Change; (2) Preferred Stock Amendment; and (3) Stock Option Plan Proposal. Copies of the Merger Agreement and the proposed Restated Articles are attached as Appendices A and B, respectively, to this Proxy Statement/Prospectus and are incorporated herein by reference.

THE EMBASSY BOARD, WITHOUT DISSENT OR ABSTENTION HAS APPROVED THE MERGER, THE PREFERRED STOCK AMENDMENT AND THE STOCK OPTION PLAN PROPOSAL, AND RECOMMENDS THAT THE EMBASSY SHAREHOLDERS VOTE "FOR" THE PROPOSAL TO APPROVE AND ADOPT THE MERGER, INCLUDING THE NAME CHANGE, THE PREFERRED STOCK AMENDMENT, AND THE STOCK OPTION PLAN.

DATE, TIME AND PLACE; RECORD DATE

The Special Meeting is scheduled to be held at 9:00 A.M., local time, on April 16, 1998, at NationsBank Tower Auditorium, 100 SE 2nd Street, 19th Floor, Miami, Florida 33131. The Embassy Board has fixed the close of business on March 24, 1998 as the record date (the "Embassy Record Date") for the determination of holders of Embassy Common Stock entitled to notice of and to vote at the Embassy Special Meeting. As of the date of this Proxy Statement/Prospectus, there are 2,540,000 shares of Embassy Common Stock (held by 46 persons of record) outstanding and entitled to vote. Each share of Embassy Common Stock is entitled to one vote.

VOTING RIGHTS

The presence, either in person or by proxy, of the holders of a majority of the outstanding shares of Embassy Common Stock entitled to vote at the Special Meeting is necessary to constitute a quorum at the Special Meeting. If a proxy is marked as "Abstain" on any matter, or specific instructions are given that no vote be cast on any specific matter (other than a broker which holds shares in street name for its customers) (a "Specified Non-Vote"), the shares represented by proxy will not be voted on such matter. Abstentions and Specified Non-Votes will be included within the number of shares present at the Special Meeting and entitled to vote for purposes of determining whether such matter has been authorized and accordingly will have the same effect as a negative vote. A duly executed but unmarked proxy (other than a broker which holds shares in street name for its customers) will be voted "FOR" the approval and adoption of the proposals, as indicated in the accompanying Proxy Card. Abstentions are counted for purposes of determining the presence or absence of a quorum for the transaction of business. The affirmative vote of the holders of at least a majority of Embassy Common Stock entitled to vote thereon is required to approve and adopt the Merger, including the Name Change. The affirmative vote of a majority of the shares of Embassy Common Stock voting in person or by proxy at the Special Meeting is required to approve and adopt the Preferred Stock Amendment and the Stock Option Plan Proposal. Among the conditions precedent to the Merger is that less than 30% of the outstanding Embassy Common Stock held by non-affiliated shareholders is voted against approval of the Merger. See "PROPOSAL 1: THE MERGER -- Conditions to the Merger." Holders of record of Embassy Common Stock on the Embassy Record Date are entitled to vote on the proposals to be presented to the Embassy Shareholders at the Special Meeting.

Embassy's directors and executive officers collectively holding an aggregate of approximately 30.7% of the outstanding shares of Embassy Common Stock before giving effect to the Merger, have agreed, with respect to the proposal to approve the Merger, to vote their respective shares of Embassy Common Stock in accordance with the vote of the majority of all non-affiliated Embassy Shareholders. Consequently, if a majority of outstanding Embassy Common Stock held and voted by non-affiliated persons is voted in favor of the Merger, the current directors and executive officers of Embassy will vote their shares of Embassy Common Stock in favor of the Merger, the Preferred Stock Amendment and the Stock Option Plan Proposal.

If an Embassy Shareholder attends the Special Meeting, he or she may vote by ballot. However, many of the Embassy Shareholders may be unable to attend the Special Meeting. Therefore, the Embassy Board is soliciting proxies so that each holder of Embassy Common Stock on the Embassy Record Date has the opportunity to vote on the proposals to be considered at the Special Meeting. When a proxy card is returned properly signed and dated, the shares represented thereby will be voted in accordance with the instructions on the proxy card. If an Embassy Shareholder does not return a signed proxy card, his or her shares will not be voted. Embassy Shareholders are urged to mark the box on the proxy card to indicate how their shares are to be voted. If an Embassy Shareholder (other than a broker which holds shares in street name for its customers) returns a signed proxy card, but does not indicate how his or her shares are to be voted, the shares represented by the proxy card will be voted FOR approval and adoption of the Merger, the Preferred Stock Amendment and the Stock Option Plan Proposal. If a signed proxy card is returned by an Embassy Shareholder and expressly reflects an abstention upon any proposal, the shares evidenced thereby will be counted towards the quorum necessary to convene the Special Meeting, noted in the immediately preceding paragraph, but will not be counted towards the requisite affirmative vote upon such proposal mandated by applicable Florida law. If a signed proxy card is returned by a broker with no indication of how shares are to be

voted, the shares evidenced thereby will not be counted towards a quorum and will have no effect on the vote for such proposals. The proxy card also confers discretionary authority on the individuals appointed by the Embassy Board and named on the proxy card to vote the shares represented thereby on any other matter that is properly presented for action at the Special Meeting.

Any Embassy Shareholder who executes and returns a proxy card may revoke such proxy at any time before it is voted by (i) notifying in writing the Secretary of Embassy, at 1428 Brickell Avenue, Suite 105, Miami, Florida 33131; (ii) granting a subsequent proxy; or (iii) appearing in person and voting at the Special Meeting. Attendance at the Special Meeting will not in and of itself constitute revocation of a proxy.

IF THE MERGER IS NOT APPROVED BY THE REQUISITE VOTE IMPOSED BY APPLICABLE FLORIDA LAW OR IF SO APPROVED, BUT 30% OR MORE IN INTEREST OF ALL NON-AFFILIATED EMBASSY SHAREHOLDERS ACTUALLY VOTE AGAINST APPROVAL OF THE MERGER, THE MERGER AGREEMENT WILL BE TERMINATED AND THE PROPOSED MERGER ABANDONED. SEE "PROPOSAL 1: THE MERGER -- REDEMPTION RIGHTS."

SOLICITATION OF PROXIES

Embassy will bear all of the expenses in connection with printing and mailing this Proxy Statement/ Prospectus. The costs of solicitation of proxies also will be borne by Embassy. Embassy will reimburse brokers, fiduciaries, custodians and other nominees for reasonable out-of-pocket expenses incurred in sending this Proxy Statement/Prospectus and other proxy materials to, and obtaining instructions relating to such materials from, beneficial owners of Embassy Common Stock. Embassy Shareholder proxies may be solicited by directors, executive officers or regular employees of Embassy, in person, by letter or by telephone, telegram or telefax.

Embassy has retained American Stock Transfer & Trust Company, Embassy's transfer agent, to assist it in the solicitation of proxies. Embassy shall reimburse such firm for its firm's accountable expenses.

PROPOSAL 1: THE MERGER

GENERAL

The following is a brief summary of certain aspects of the Merger. This summary does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is attached to this Proxy Statement/Prospectus as Appendix A and is incorporated herein by reference.

On the Effective Date, Embassy Sub will be merged with and into Orthodontix. As a result of the Merger, Orthodontix will become a wholly-owned subsidiary corporation of Embassy. The Articles of Incorporation of Embassy will be amended on the Effective Date to change, among other things, Embassy's name to "Orthodontix, Inc." After the Merger is consummated, the Embassy Board will be comprised of seven members, four of which shall be designated by Orthodontix.

BACKGROUND OF THE MERGER

As discussed under "BUSINESS OF EMBASSY" elsewhere herein, Embassy was formed in November 1995 to serve as a vehicle to effect a merger, exchange of capital stock, asset acquisition or other similar business combination (a "Business Combination") with an operating business (an "Acquired Business"). Embassy's business objective has been to seek to effect a Business Combination with an Acquired Business which Embassy believes has growth potential.

Following the consummation of Embassy's initial public offering of its equity securities in April 1996 (the "IPO"), from which Embassy derived net proceeds of approximately \$7,052,000 (the "Net Proceeds"), Embassy's executive officers commenced a search for a prospective Acquired Business. Approximately 90% of such Net Proceeds were placed in escrow immediately following the IPO, to be released therefrom either upon consummation of a Business Combination or if required to facilitate a Business Combination, as applicable. The balance of the Net Proceeds, less net operating expenses to date, is currently held by Embassy.

Excluding Orthodontix, during the period from April 1996 through May 5, 1997, Embassy's executive officers evaluated approximately 75 prospective Acquired Businesses in varied fields of endeavor. Serious consideration was given to effecting a Business Combination with two of such prospective Acquired Businesses engaged in, respectively, providing security services and promoting and producing musical and theatrical live entertainment (collectively, the "Other Two Candidates").

In evaluating each prospective Acquired Business, Embassy's executive officers considered, among other factors, all or a majority of the following:

- costs associated with effecting the Business Combination;
- equity interest in and opportunity for control of the prospective Acquired Business;
- growth potential of the prospective Acquired Business and the industry in which it operates;
- experience and skill of management and availability of additional necessary personnel of the prospective Acquired Business;
- capital requirements of the prospective Acquired Business;
- competitive position of the prospective Acquired Business;
- stage of development of the product, process or service of the prospective Acquired Business;
- degree of current or potential market acceptance of the product, process or service of the prospective Acquired Business;
- proprietary features and degree of intellectual property or other protection of the product, process or service of the prospective Acquired Business; and
- regulatory environment of the industry in which the prospective Acquired Business operates.

The Other Two Candidates, which were accorded serious consideration by Embassy's executive officers, were rejected prior to reaching an agreement in principle for a Business Combination. The primary reasons for rejection of the Other Two Candidates were as follows:

- Intense competition and uncertainties attendant to an industry which appears to be becoming increasingly dominated by large consolidating firms.
- Severe fluctuations in operating results and relative uncertainty of market taste.

In November 1996, Dr. Grussmark, a personal friend of Dr. Dresnick, informed Dr. Dresnick that he, along with Mr. Guilford, had commenced the development of Orthodontix, an orthodontic practice management firm. At a meeting held on November 26, 1996 attended by Dr. Dresnick, Mr. Halpryn and Mr. Guilford, Dr. Dresnick informed Mr. Halpryn of his discussion with Dr. Grussmark and his business objectives regarding Orthodontix. In January 1997, Dr. Grussmark communicated to Dr. Dresnick the status of the development of Orthodontix, including preliminary feedback that he had received from orthodontists whom Dr. Grussmark had targeted to become affiliated with Orthodontix. In January 1997, Mr. Guilford requested that Dr. Dresnick, Mr. Halpryn and he meet to discuss whether Embassy would be interested in pursuing a transaction with Orthodontix. At a meeting on January 17, 1997, Mr. Guilford, Mr. Halpryn and Dr. Dresnick discussed preliminarily whether Embassy might consider a business combination with Orthodontix. At this meeting, the structure and preliminary business plan of Orthodontix was presented by Mr. Guilford to Dr. Dresnick and Mr. Halpryn. No meetings between Embassy and Orthodontix took place between the January 17, 1997 meeting and April 10, 1997. On April 10, 1997, Dr. Dresnick telephoned Mr. Guilford regarding the status of development of Orthodontix and specifically requested how many orthodontic practices had agreed to be acquired by Orthodontix at that point in time. This matter was further discussed at a meeting between Dr. Dresnick and Mr. Guilford on April 16, 1997. Dr. Dresnick inquired and Mr. Guilford responded as to the status of pending practice acquisitions and the overall development of Orthodontix at that point. On April 24, 1997, Dr. Dresnick informed Mr. Halpryn of his meeting with Mr. Guilford and suggested that Mr. Halpryn and Mr. Guilford meet regarding a possible business combination between Embassy and Orthodontix. On April 28, 1997, Mr. Guilford and Mr. Halpryn met concerning the possible business combination. At this April 28, 1997 meeting, Mr. Guilford informed Mr. Halpryn of his assessment of the orthodontic practice management industry, where he thought Orthodontix might fit within that industry, and the growth potential of Orthodontix. On April 30, 1997, the members of the Embassy Board were informed by Mr. Halpryn of his meeting with Mr. Guilford. Thereafter, the members of the Embassy Board spoke among themselves regarding pursuing an initial meeting for the purpose of gathering financial and other information regarding Orthodontix. The Embassy Board ultimately concluded that such a meeting should be scheduled. A meeting was held on May 1, 1997, at which time the members of the Embassy Board met with Mr. Guilford for the purpose of receiving an introduction to the background of Mr. Guilford and Dr. Grussmark and gaining insight into Orthodontix' operations and prospects. This initial meeting lasted several hours and topics concerning the orthodontics practice management services industry in general, Orthodontix' position within the industry and the potential for expansion of Orthodontix' operations were discussed. Shortly thereafter, Mr. Guilford distributed certain written materials, including financial information and product literature regarding Orthodontix and certain publicly available information regarding Orthodontix' competitors. Discussions included Orthodontix' (i) financial status, (ii) existing banking relationships, (iii) competitors, and (iv) rapid growth, as well as the possible impact of what appeared to the Embassy Board to be increasing competition on Orthodontix' prospects. Later that same week, Mr. Guilford met with Dr. Dresnick, wherein he discussed whether Dr. Dresnick would have an ongoing role in a possible combined company. Dr. Dresnick informed Mr. Guilford that he would, if requested to do so, serve as Chairman of the combined company.

The following week, Mr. Halpryn and Mr. Stein, both directors of Embassy spoke via telephone to several orthodontist acquaintances, all of whom are unaffiliated with Embassy and Orthodontix, as to their views concerning the future of the delivery of orthodontic services generally and the concept of practice management or orthodontic practices. Messrs. Halpryn and Stein generally understood from such acquaintances that, from the orthodontist's perspective, there existed growth prospects for businesses engaged in providing practice management services to orthodontic practices.

On May 2, 1997, all of the members of the Embassy Board met with Mr. Guilford to assess the Orthodontix information theretofore received. At a May 5, 1997 meeting among the members of the Embassy Board, the fundamental terms of the Merger were reached, subject to the preparation of an appropriate letter of intent (the "Letter of Intent").

A Letter of Intent was executed on the morning of May 6, 1997. Embassy and Orthodontix announced their execution of the Letter of Intent by a joint press release later that day. Pursuant to the Letter of Intent, among other things, Orthodontix represented to Embassy that at the closing of the business combination, if any, the Practices acquired would, in the aggregate, have generated gross revenue (unaudited) of no less than \$20.0 million for the year ended December 31, 1996. In addition, the Letter of Intent provided that if a definitive agreement had not been executed by 5:00 P.M. Eastern Standard Time on August 30, 1997 (the "Termination Date") the Letter of Intent would automatically terminate.

Subsequent thereto, Embassy commenced its initial "due diligence" review of Orthodontix and the preparation of the Merger Agreement and related documentation. Meetings in these regards were held among the principals of Embassy and Orthodontix and, in certain instances with their respective professional advisors, on several occasions in June, July and August, 1997. Of particular concern to Embassy was whether Orthodontix had entered into agreements to acquire a sufficient number of orthodontic practices. On August 30, 1997, at a meeting between the Embassy Board and Mr. Guilford, Mr. Guilford requested that Embassy extend the Termination Date primarily because, although Orthodontix had understandings to acquire certain orthodontic practices, Orthodontix had not, at that point entered into definitive agreements with practices which had generated in the aggregate \$20.0 million in practice revenue as of December 31, 1996. On August 30, 1997, Embassy and Orthodontix entered into an amendment to the Letter of Intent providing for the Termination Date to be extended until October 30, 1997.

On October 10, 1997, Dr. Dresnick and Mr. Guilford met regarding the status of Orthodontix' execution of definitive acquisition agreements with practices. Dr. Dresnick informed Mr. Halpryn of his conversation with Mr. Guilford. On October 27, 1997, the material terms of the Merger Agreement were reviewed by the Embassy Board. Following discussions, the Embassy Board voted without dissent or abstention to approve and adopt the Merger Agreement and the transactions contemplated thereby, but subject to the negotiation and execution of a definitive version of the Merger Agreement.

On October 27, 1997, representatives of Embassy and Orthodontix, together with their respective counsel, agreed to finalize the terms of the Merger Agreement. The Merger Agreement was then entered into by Embassy and Orthodontix on November 7, 1997 and announced that day through a joint press release issued by Embassy and Orthodontix.

The material difference between the Letter of Intent and the Merger Agreement is that pursuant to the Merger Agreement, Orthodontix represented that at the closing of the business combination, if any, Orthodontix will provide practice management services to orthodontic practices which in the aggregate generated at least \$15 million in revenue as of December 31, 1996. This change was made to accommodate Orthodontix, to secure the business combination for Embassy and to avoid any further delay in the execution of the Merger Agreement.

RECOMMENDATIONS OF THE BOARDS OF DIRECTORS AND REASONS FOR THE MERGER

Embassy. The Embassy Board has determined that the Merger is in the best interests of Embassy and the Embassy Shareholders. The Embassy Board without dissent or abstention approved and adopted the Merger Agreement and the transactions contemplated thereby and recommends that the Embassy Shareholders vote for approval and adoption of the Merger Agreement and the transactions contemplated thereby.

Each non-affiliated Embassy Shareholder as of the Embassy Record Date will have the right until April 15, 1998 to offer his or her shares of Embassy Common Stock to Embassy for redemption (the "Redemption") at a price equal to approximately \$5.35 per share as of September 30, 1997 (the "Redemption Value"). As per the terms of Embassy's prospectus dated April 2, 1996, the Redemption Value is equal to Embassy's book value divided by the number of shares of Embassy Common Stock held by all non-affiliated

Embassy Shareholders, as determined by Embassy and audited by its independent public accountants, calculated as of the Embassy Record Date. If less than 30% in interest of Embassy Common Stock held by non-affiliated Embassy Shareholders who vote against approval of the Merger also elect to have their shares of Embassy Common Stock redeemed, and if the Merger is consummated, Embassy will redeem shares of Embassy Common Stock at the Redemption Value from those Embassy Shareholders who affirmatively requested such redemption and who actually voted against approval of the Merger. If 30% or more in interest of Embassy Common Stock held by non-affiliated Embassy Shareholders actually vote against approval of the Merger, the proposed Merger will be terminated, Embassy will not proceed with the Merger and will not redeem such shares. See "PROPOSAL 1: THE MERGER -- Redemption Rights."

The Embassy Board concluded that a business combination with Orthodontix was a better alternative than the other companies that had been theretofore evaluated by Embassy as possible candidates for a business combination because of Embassy's belief that Orthodontix would provide a higher net income per share and more attractive growth prospects due to management's business plan to grow primarily through acquisition of additional orthodontic practices and Embassy's belief that investors have generally been receptive to orthodontic practice management companies. Furthermore, Embassy believes that Orthodontix is positioned to increase its market share and withstand competitive pressure more ably once it is a public company. With respect to the other factors listed above, Embassy believed (i) the costs associated with effecting a business combination with Orthodontix or the Other Two Candidates were substantially similar; (ii) neither Orthodontix nor the Other Two Candidates was agreeable to relinquishing control; (iii) Orthodontix' growth potential was greater than that of the Other Two Candidates due to Embassy's belief that Orthodontix' business had greater market appeal than that of the Other Two Candidates; (iv) Orthodontix' management's experience and skill, when combined with Dr. Dresnick's agreement to serve as Chairman of the combined company was equivalent to that of the management of the Other Two Candidates; and (v) the capital requirements of Orthodontix were less than that of the Other Two Candidates because the Other Two Candidates had significant debt. The Embassy Board gave considerable weight to the experience of Dr. Dresnick in the practice management field and concluded that Dr. Dresnick's experience combined with the industry in which Orthodontix will engage presented the best opportunity of the business combination candidates evaluated by the Embassy Board. Consequently, the Embassy Board has determined that the Merger is in the best interests of the Embassy Shareholders. In addition, the Embassy Board considered the dilutive effect the Merger would have on the Embassy Shareholders.

With respect to the valuation of Orthodontix, the Embassy Board considered the Founding Practices' pre-tax profit (unaudited), anticipated growth over a five-year period, comparable price earnings ratios of public companies competitive with Orthodontix. There is no established trading market for Orthodontix securities.

In considering whether or not to approve the Merger, the Embassy Board reviewed all of the criteria for a prospective Acquired Business as set forth under "Background of the Merger" elsewhere herein, excluding only the opportunity for acquiring operating control of Orthodontix in view of management of Orthodontix' unwillingness to relinquish such control and the Embassy Board's lack of expertise in these regards. Significant import was given by the Embassy Board to Dr. Dresnick's agreement to serve as Chairman of the combined company. The Embassy Board concluded that a Business Combination with Orthodontix would satisfy Embassy's business objective of effecting a Business Combination which afforded the possibility of growth potential. See "RISK FACTORS" and "BUSINESS OF ORTHODONTIX."

Consideration was given by the Embassy Board to securing an opinion (a "Fairness Opinion") of an independent investment banker or other financial advisor to the effect that the Merger would be fair, from a financial point of view, to the Embassy Shareholders. The Embassy Board decided not to obtain a Fairness Opinion due to the fact that the Merger requires the approval of a majority of the outstanding Embassy Common Stock entitled to vote at the Special Meeting and accordingly, the vote of the executive officers and directors of Embassy in the Merger is effectively neutralized by their agreement to vote consistent with the vote of a majority of the non-affiliated Embassy Shareholders and that each non-affiliated Embassy Shareholder will have certain redemption rights with respect to the Merger. In addition, the cost and expense of procuring a Fairness Opinion factored into the Embassy Board's decision not to obtain a Fairness Opinion.

Furthermore, the Embassy Board took note of the fact that no Embassy executive officer, director or principal shareholder is to become a salaried employee of Orthodontix subsequent to the consummation of the Merger.

Orthodontix. The Orthodontix Board has determined that the Merger is in the best interests of Orthodontix and its shareholders. The Orthodontix Board and all its shareholders, without dissent or abstention have approved and adopted the Merger Agreement and the transactions contemplated thereby.

In considering the Merger, the Orthodontix Board noted that the Merger would afford Orthodontix access to approximately \$7.0 million (after payment of Embassy's expenses in consummating the Merger), and that Embassy's status as a company whose securities are publicly traded would afford Embassy's post-Merger management the opportunity to utilize Embassy's authorized but unissued securities to attempt to acquire other orthodontic practices rather than expend its cash resources for any such purpose, in each instance without the anticipated uncertainty attendant to Orthodontix' own public offering of securities and the possibility that any such offering might not be successfully consummated in view of then prevailing market conditions or, alternatively, the negotiation and uncertain consummation of additional commercial lending arrangements. The Orthodontix Board also took into account the fact that if all of the Underwriter Warrants were to be exercised subsequent to the Merger, as to which there can be no assurances, Embassy would derive proceeds of approximately \$936,000 upon the exercise of the Underwriter Warrants. In addition, the Orthodontix Board also noted that the current public market for Embassy Common Stock would afford potential liquidity for the Embassy Common Stock to be acquired by the Orthodontix Shareholders in exchange for the Orthodontix Common Stock.

THE MERGER AGREEMENT

Set forth below is a description of the material provisions of the Merger Agreement. This description does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached as Appendix A to this Proxy Statement/Prospectus. As discussed below, the Merger will be effected by the merger of Embassy Sub with and into Orthodontix. To effect the Merger, Embassy formed Embassy Sub as a wholly-owned subsidiary.

General. Upon consummation of the Merger, the Orthodontix Shareholders, including the persons receiving Merger Stock in connection with the Practice Acquisitions, will own approximately 57.9% of the then outstanding shares of Embassy Common Stock. Upon the exercise of the Underwriter Warrants, an aggregate of 6,147,940 shares of Embassy Common Stock will be outstanding upon consummation of the Merger, without giving effect to the issuance of 959,944 shares of Embassy Common Stock upon the exercise of the Closing Stock Options.

None of the shares of Embassy Common Stock then outstanding on the Effective Date will be converted or otherwise modified in the Merger and all of such shares will continue to be outstanding capital stock of Embassy after the Effective Date. The Merger Agreement also provides that the Articles of Incorporation of Embassy will be amended on the Effective Date to change Embassy's name to "Orthodontix, Inc." and to revise Embassy's authorized capital stock to include the Preferred Stock.

The Merger Agreement also provides that on the Effective Date the Embassy Board shall consist of (i) Dr. Dresnick, (ii) Dr. Grussmark, (iii) Mr. Guilford, (iv) Mr. Halpryn, (v) Dr. Thompson, (vi) Mr. Gottlieb and (vii) Mr. Gerson.

Closing. The closing of the transactions contemplated by the Merger Agreement (the "Closing") will take place no later than the fifth business day immediately following the date on which the last of the conditions set forth in the Merger Agreement is satisfied or waived, or at such other time as Embassy and Orthodontix agree (the "Closing Date").

Representations and Warranties. The Merger Agreement contains various representations and warranties of Orthodontix and Embassy relating to, among other things: (i) each of Embassy's and Orthodontix' organization and similar corporate matters; (ii) each of Embassy's and Orthodontix' capital structure; (iii) the authorization, execution, delivery, performance and enforceability of the Merger Agreement and related documentation; (iv) title to assets and properties; (v) the absence of any governmental or regulatory

authorization, consent or approval required to consummate the Merger; (vi) the documents and reports filed by Embassy with the Commission, including this Proxy Statement/Prospectus; (vii) the absence of certain liabilities; (viii) the absence of certain material events, changes or defaults; (ix) litigation; (x) the accuracy of the information provided by Orthodontix and Embassy; (xi) intellectual property of Orthodontix; (xii) compliance with laws and material agreements; (xiii) taxes; (xiv) environmental matters; (xv) certain accounting matters; and (xvi) employee matters.

Certain Covenants. Pursuant to the Merger Agreement, Orthodontix has agreed that, during the period from the date of the Merger Agreement until the Closing Date, except as permitted by the Merger Agreement (including those provisions set forth or described in this Proxy Statement/Prospectus) or as consented to in writing by Embassy, Orthodontix will, among other things: (i) use reasonable efforts to cause the Founding Practices to be operated and maintained in the usual and ordinary course of business and in material compliance with the terms of the Agreement, and to preserve the goodwill and business relationships with suppliers, customers and others; (ii) use reasonable efforts to cause the Founding Practices not to dispose of any material assets or properties other than in the ordinary course of business; and (iii) not declare any dividend or other distribution, sell or issue, redeem or otherwise acquire any shares of its capital stock or other securities.

Pursuant to the Merger Agreement, Embassy has agreed that, during the period from the date of the Merger Agreement until the Closing Date or the earlier termination of the Merger Agreement, except as permitted by the Merger Agreement or consented to in writing by Orthodontix, Embassy will, among other things, (i) conduct its business in the ordinary and usual course and in material compliance with the Merger Agreement; (ii) not declare any dividend or other distribution, sell or issue, redeem or otherwise acquire any shares of its capital stock or other securities other than with respect to the Underwriter Warrants; and (iii) not make any payments or incur costs aggregating more than \$30,000, exclusive of costs relating to the transactions contemplated by the Merger Agreement or costs relating to shares offered for redemption pursuant to this Proxy Statement/Prospectus.

No Solicitation of Other Transactions. The Merger Agreement provides that Orthodontix, its officers, directors, representatives and agents will not solicit any proposal or offer to acquire all or any substantial part of the business or capital stock of Orthodontix or any of its subsidiaries from any person other than Embassy. The Merger Agreement also provides for similar restrictions on Embassy and its officers, directors, representatives and agents.

Indemnification. The Merger Agreement provides indemnification to Orthodontix and Embassy for any costs or expenses, judgments, fines, losses, claims, damages, liabilities and amounts paid in settlement arising out of, relating to or in connection with any misrepresentation or breach of representations, warranties or covenants contained in the Merger Agreement.

Conditions to the Merger. The respective obligations of Embassy and of Orthodontix to effect the Merger are subject to a number of conditions, any or all of which may be waived by the party for whom the condition was established, including among others: (i) Orthodontix shall have consummated the Practice Acquisitions on the Effective Date; (ii) the Merger shall have been approved and adopted by the Embassy Shareholders, and no more than 30% in interest of the Embassy Common Stock held by Embassy Shareholders actually vote against the Merger; (iii) no preliminary or permanent injunction or other order or decree by any federal or state court or any action by any state or federal governmental agency preventing the consummation of the Merger shall have been issued or taken and remain in effect; and (iv) all consents, orders and approvals legally required shall have been obtained and be in effect on the Effective Date.

In addition to the conditions set forth above, the obligations of Embassy to effect the Merger are subject to the following conditions, any or all of which may be waived by Embassy: (i) Orthodontix shall have performed in all material respects its agreements contained in the Merger Agreement and all representations and warranties of Orthodontix contained in the Merger Agreement shall be true and correct in all material respects on and as of the date made and the Closing Date (as defined in the Merger Agreement); (ii) the receipt of a written opinion from counsel to Orthodontix as to certain matters; (iii) the absence of material adverse changes in the business, operations, properties, assets, condition (financial or otherwise), results of

operations or prospects of Orthodontix; (iv) Orthodontix' capitalization shall be as set forth in the Merger Agreement; and (v) the receipt of all consents, orders and approvals required to consummate the Merger.

In addition to the conditions set forth in the first paragraph of this subsection, the obligations of Orthodontix to effect the Merger are subject to the following conditions, any or all of which may be waived by Orthodontix: (i) Embassy shall have cash assets of no less than \$7.2 million as of the Closing; (ii) Embassy shall have performed in all material respects its agreements contained in the Merger Agreement and all representations and warranties of Embassy contained in the Merger Agreement shall be true and correct in all material respects on and as of the date made and the Closing Date; (iii) Embassy's outstanding securities shall be unchanged in amount except as contemplated by the Merger Agreement; and (iv) an application to have the Embassy Common Stock quoted on the Nasdaq SmallCap Stock Market shall have been filed by Embassy.

Termination. The Merger Agreement may be terminated prior to the Closing Date, whether before or after approval by the Embassy Shareholders: (i) at any time by the mutual consent of the Boards of Directors of Embassy and of Orthodontix; (ii) by either Orthodontix or Embassy after May 1, 1998 if the Merger shall not have been consummated on or before such date (so long as the party terminating has not breached its obligations under the Merger Agreement), unless such date is extended by mutual consent of the parties; or (iii) by either Orthodontix or Embassy if the other party is unable to satisfy any condition to the obligations of that party (other than by reason of a breach by that party of its obligations under the Merger Agreement).

In the event of termination of the Merger Agreement by either Orthodontix or Embassy as provided above, the Merger Agreement shall become void and there will be no further obligation on the part of any of Orthodontix or Embassy except for certain nondisclosure obligations, unless such termination arises from a willful breach of the Merger Agreement.

Expenses. The Merger Agreement provides that, whether or not the transactions contemplated by Merger are consummated, Orthodontix and Embassy shall each pay its own expenses incident to the negotiation, preparation and carrying out of the Merger Agreement, including all fees and expenses of its counsel and accountants for actions taken pursuant to the Merger Agreement.

Amendment. Subject to applicable law, the Merger Agreement may not be amended except by the written agreement of Orthodontix and Embassy. Under applicable law, neither Orthodontix nor Embassy may amend the Merger Agreement subsequent to obtaining approval of their respective shareholders if such amendments would: (i) alter or change the amount or kind of shares, securities, cash, property and/or rights to be received in exchange for shares of such corporation; (ii) alter or change any term of the Articles of Incorporation of Embassy following the Merger; or (iii) alter or change any of the terms and conditions of the Merger Agreement if such alteration or change would adversely affect the Embassy Shareholders.

EFFECTIVE DATE

The Merger will become effective on such date as Articles of Merger together with a Plan of Merger reflecting the Merger shall be accepted for filing by the Secretary of State of Florida. Such filing will be made simultaneously with or as soon as practicable after the Closing.

INTERESTS OF CERTAIN PERSONS IN THE MERGER

Embassy has agreed to cause Dr. Grussmark, Mr. Guilford, Dr. Thompson and Mr. Gerson to be elected as directors of Embassy, such election to become effective on the Effective Date. Such persons will comprise four of the seven members of the Embassy Board after the Merger and, consequently, will then control the business and affairs of Embassy. In consideration for Dr. Dresnick's efforts in the negotiation of the Merger on behalf of Embassy, on the Effective Date, Dr. Dresnick shall be granted the option to purchase, for a period of five years from the Effective Date, 200,000 shares of Common Stock, at a per share purchase price of \$8.00 (the "Dresnick Options").

In addition, Mr. Guilford, the President and Chief Operating Officer of Orthodontix will be granted the option for a period of five years from the Effective Date, to purchase at a per share purchase price equal to the

Average Price 150,000 shares. Richard L. Alfonso, Vice President -- Operations of Orthodontix, will be granted on the Effective Date the option to purchase at a per share purchase price equal to the Average Price 25,000 shares (the "Alfonso Options"), 20% of which shares may be purchased commencing on the Effective Date through the date which is 60 months from the Effective Date (the "60 Month Date"), an additional 20% of which may be purchased commencing on the date which is 12 months from the Effective Date through the 60 Month Date, an additional 20% of which may be purchased commencing on the date which is 24 months from the Effective Date through the 60 Month Date, an additional 20% of which may be purchased commencing on the date which is 36 months from the Effective Date through the 60 Month Date, and the remainder of which may be purchased commencing on the date which is 48 months from the Effective Date through the 60 Month Date. In the event Mr. Alfonso resigns or is terminated for cause by Orthodontix from his employment with Orthodontix, the Alfonso Options shall terminate.

On the Effective Date, William Thompson, D.D.S., who will become a director of Embassy upon the closing of the Merger, shall be granted the option to acquire for a period of three years from the Effective Date, 40,000 shares of Common Stock at a purchase price equal to 80% of the Average Price (the "William Thompson Options").

In connection with the Merger, in addition to the Dresnick Options, the Guilford Options, the Alfonso Options and the William Thompson Options, on the Effective Date, members of the law firm of Berman Wolfe & Rennert, P.A., counsel to Embassy, Jack Greenman, and Ed Strongin, both advisors to Orthodontix, shall be granted options to acquire an aggregate of 50,000, 50,000 and 10,000 shares of Common Stock, respectively, at any time and from time to time for a period of five years from the Effective Date at the per share purchase price equal to the Average Price (collectively the "Merger Options"). In addition, in connection with the Practice Acquisitions, options to acquire 327,444 shares of Common Stock at the Average Price per share, based on an assumed Average Price of \$8.5625 per share, shall be granted to five Affiliated Orthodontists (the "Affiliated Orthodontists Options"). The Affiliated Orthodontists Options shall be granted to (i) John A. Benkovich, III, D.D.S., M.S., (ii) Clifford Marks, D.D.S., (iii) Bradley A. Taylor, D.M.D., (iv) Ronald Taylor, D.M.D., M.S., and (v) Roger Taylor, D.M.D., as follows:

On the Effective Date, Dr. Benkovich shall be granted the option to acquire an aggregate of 40,000 shares of Common Stock, at a per share purchase price equal to the Average Price, the exerciseability of which is subject to his generating certain levels of revenue from his orthodontic practice.

On the Effective Date, Dr. Marks shall be granted the option to acquire for a period of three years from the Effective Date, 20,000 shares of Common Stock at a per share purchase price equal to 80% of the Average Price.

On the Effective Date, Dr. Bradley Taylor shall be granted the option to acquire, in the aggregate, that amount of shares of Common Stock equal to the quotient obtained by dividing 1,340,000 by the Average Price, at a per share purchase price equal to the Average Price, the exerciseability of which is subject to his generating certain levels of revenue from his orthodontic practice.

On the Effective Date, Dr. Ronald Taylor shall be granted the option to acquire, in the aggregate 50% of that amount of shares of Common Stock equal to the quotient obtained by dividing 950,000 by the Average Price, at a per share purchase price equal to the Average Price, the exerciseability of which is subject to his generating certain levels of revenue from his orthodontic practice.

On the Effective Date, Dr. Roger Taylor shall be granted the option to acquire, in the aggregate, 50% of that amount of shares of Common Stock equal to the quotient obtained by dividing 950,000 by the Average Price, the exerciseability of which is subject to his generating certain levels of revenue from his orthodontic practice.

The Dresnick Options, the Guilford Options, the Alfonso Options, the William Thompson Options, the Merger Options, and the Affiliated Orthodontists Options, together with options to be granted to 13 Affiliated Orthodontists in connection with their tenure on the Advisory Board (the "Advisory Board Options") are collectively referred to herein as the "Closing Stock Options." See "MANAGEMENT OF ORTHODONTIX -- Advisory Board."

EXCHANGE OF STOCK CERTIFICATES

Any stock certificate that, prior to the Effective Date, represented outstanding shares of Orthodontix Common Stock will, on the Effective Date and prior to surrender, be deemed to evidence ownership of the Merger Stock for which such shares of Orthodontix Common Stock were exchanged in the Merger. From and after the Effective Date, certificates representing Embassy Common Stock will continue to represent such securities and will not be exchanged, notwithstanding the Name Change of Embassy to "Orthodontix, Inc."

EMBASSY SHAREHOLDERS WILL NOT BE REQUIRED TO SURRENDER CERTIFICATES EVIDENCING SHARES OF EMBASSY COMMON STOCK FOLLOWING THE APPROVAL AND ADOPTION OF THE MERGER AGREEMENT AND THE SUBSEQUENT IMPLEMENTATION OF THE MERGER.

NO FRACTIONAL SHARES

No certificates or scrip for fractional shares of Embassy Common Stock will be issued in connection with the Merger.

ABSENCE OF APPRAISAL RIGHTS

Florida law does not afford appraisal rights to the Embassy Shareholders with respect to the Merger. However, see "Redemption Rights" below.

REDEMPTION RIGHTS

Each non-affiliated Embassy Shareholder as of the Embassy Record Date will have the right until April 15, 1998 to offer his or her shares of Embassy Common Stock for redemption (the "Redemption") at a price equal to approximately \$5.35 per share as of September 30, 1997 (the "Redemption Value"). The Redemption Value is equal to Embassy's book value divided by the number of shares of Embassy Common Stock held by all non-affiliated Embassy Shareholders, as determined by Embassy and audited by its independent public accountants, calculated as of the Embassy Record Date. If less than 30% in interest of Embassy Common Stock held by non-affiliated Embassy Shareholders who vote against approval of the Merger, and the Merger is consummated, Embassy will redeem shares of Embassy Common Stock at the Redemption Value from those Embassy Shareholders who affirmatively requested such redemption and who actually voted against approval of the Merger. If 30% or more in interest of Embassy Common Stock held by non-affiliated Embassy Shareholders actually vote against approval of the Merger, the proposed Merger will be terminated, Embassy will not proceed with the Merger and will not redeem any shares.

A non-affiliated Embassy Shareholder wishing to exercise his or her redemption rights (i) must deliver to Embassy, prior to or at the Special Meeting but before the vote is taken on the Merger, a written objection to the Merger (the "Notice of Election"), which shall include a notice of his or her election to redeem his or her Embassy Common Stock, his or her name and residence address, the number of shares of Embassy Common Stock which he or she owns and demand for payment of the Redemption Value of his or her shares of Embassy Common Stock (which Notice of Election must be in addition to and separate from any proxy or vote against the Merger); and (ii) must vote against the Merger. A vote against the Merger, in person or by proxy, will in and of itself not constitute a written objection to the Merger satisfying the requirements for exercise of the redemption rights. In addition, a proxy directing such vote for an abstention, even if accompanied by a Notice of Election, will not meet the requirements for exercise of the redemption rights. A non-affiliated Embassy Shareholder, who elects to redeem his or her shares of Embassy Common Stock, may not redeem less than all of the shares of Embassy Common Stock beneficially owned by such Embassy Shareholder as of the Embassy Record Date. Embassy Shareholders, who timely file a Notice of Election and who vote their Embassy Common Stock against the Merger, are hereinafter referred to as "Redeeming Shareholders."

ALL NOTICES OF ELECTION SHOULD BE ADDRESSED TO EMBASSY ACQUISITION CORP., 1428 BRICKELL AVENUE, SUITE 105, MIAMI, FLORIDA 33131, ATTENTION: GLENN HALPRYN.

On the Effective Date, each Redeeming Shareholder will cease to have any of the rights of an Embassy Shareholder, except the right to be paid the Redemption Value for his or her shares of Embassy Common Stock. To maintain his or her position as a Redeeming Shareholder, each Embassy Shareholder must submit the certificate representing his or her shares of Embassy Common Stock to Embassy or its transfer agent as noted below. A Notice of Election may be withdrawn by an Embassy Shareholder, with the written consent of Embassy, prior to 20 days following the Effective Date.

Within 10 days after the date on which the Embassy Shareholders approve the Merger, Embassy will send written notice of such approval ("Notice of Approval of Merger"), including the per share Redemption Value, by certified or registered mail to each Embassy Shareholder who filed a Notice of Election and who voted his shares against adoption of the Merger. Within 20 days following the date of mailing of the Notice of Approval of Merger, Redeeming Shareholders must submit certificates representing their shares of Embassy Common Stock to Embassy or its transfer agent. Within 30 days following the date of mailing of the Notice of Approval of Merger, Embassy will pay each Redeeming Shareholder who has submitted the certificates representing his or her shares of Embassy Common Stock to Embassy or its transfer agent, the Redemption Value for such shares. ANY REDEEMING SHAREHOLDER WHO FAILS TO SUBMIT HIS OR HER CERTIFICATES REPRESENTING EMBASSY COMMON STOCK WITHIN 20 DAYS FOLLOWING THE DATE OF MAILING OF THE NOTICE OF APPROVAL OF MERGER SHALL LOSE HIS REDEMPTION RIGHTS.

ACCOUNTING TREATMENT

Embassy and Orthodontix believe that the Merger will be treated as a capital transaction equivalent to the issuance of stock by Orthodontix for Embassy's net monetary assets of approximately \$7.4 million as of September 30, 1997, accompanied by a recapitalization of Orthodontix.

In accordance with Staff Accounting Bulletin No. 48, "Transfers of Nonmonetary Assets by Promoters and Shareholders" ("SAB 48"), the acquisition of the tangible and intangible assets and assumption of certain liabilities of the Founding Practices from certain promoters of the transaction (the orthodontists who own the Founding Practices) will be accounted for by Orthodontix, at the transferor's historical cost basis. The Orthodontix Common Stock being issued in connection with the acquisition of the Founding Practices will be recorded at the historical net book value of the net assets being acquired, net of liabilities assumed, as reflected on the books of the Founding Practices.

CERTAIN TAX CONSEQUENCES OF THE MERGER

The Merger is intended to be a "reorganization" for federal income tax purposes under Section 368 of the Internal Revenue Code of 1986, as amended (the "Code"). As a consequence, other than with respect to the Redemption: (i) Embassy will not recognize any gain or loss in the Merger; and (ii) the Embassy Shareholders will not recognize any gain or loss in the Merger.

THE TAX DISCUSSION SET FORTH ABOVE IS INCLUDED FOR GENERAL INFORMATION ONLY AND IS BASED UPON PRESENT LAW. EACH EMBASSY SHAREHOLDER SHOULD CONSULT HIS OR HER TAX ADVISOR AS TO THE SPECIFIC TAX CONSEQUENCES OF THE MERGER, INCLUDING THE APPLICATION AND EFFECT OF FEDERAL STATE, LOCAL AND OTHER TAX LAWS AND THE POSSIBLE EFFECTS OF CHANGES IN FEDERAL LAW OR OTHER TAX LAWS.

RESTRICTIONS ON SALES BY AFFILIATES

The shares of Merger Stock to be issued to Orthodontix Shareholders in connection with the Merger have been registered under the Securities Act, and, subject to applicable law and certain lock-up agreements described below, will be freely transferable under the Securities Act, except for shares issued to any person who may be deemed an "Affiliate" (as defined below) of Orthodontix within the meaning of Rule 145 under the Securities Act ("Rule 145"). "Affiliates" are generally defined as persons who control, are controlled by, or are under common control with Orthodontix at the time of the Special Meeting (generally, directors, certain executive officers and major shareholders). Affiliates of Orthodontix may not sell their shares of

Embassy Common Stock acquired in connection with the Merger, except pursuant to an effective registration statement under the Securities Act covering such shares or in compliance with Rule 145 or another applicable exemption from the registration requirements of the Securities Act. In general, under Rule 145, for one year following the Effective Date, an Affiliate (together with certain related persons) would be entitled to sell shares of Embassy Common Stock acquired in connection with the Merger only through unsolicited "broker transactions" or in transactions directly with a "market maker," as such terms are defined in Rule 144 under the Securities Act. Additionally, the number of shares to be sold by an Affiliate (together with certain related persons and certain persons acting in concert) during such one-year period within any three-month period for purposes of Rule 145 may not exceed the greater of 1% of the outstanding shares of Embassy Common Stock or the average weekly trading volume of such stock during the four calendar weeks preceding such sale. Rule 145 would remain available to Affiliates only if Embassy remained current with its information filings with the Commission under the Exchange Act. One year after the Effective Date, an Affiliate would be able to sell such Embassy Common Stock without such manner of sale or volume limitations, provided that Embassy was current with its Exchange Act information filings and such Affiliate was not then an Affiliate of Embassy. Two years after the Effective Date, an Affiliate would be able to sell such shares of Embassy Common Stock without any restrictions provided such Affiliate has not been an Affiliate of Embassy for at least three months prior thereto.

Under the terms of a lock-up agreement between each of the Affiliated Orthodontists who are issued Merger Stock (the "Practitioner Holders") and Embassy, all of the shares of Merger Stock to be issued to the Practitioner Holders in connection with acquisition of the Affiliated Practices as well as shares underlying stock options received by the Practitioner Holders (the "Practitioner Merger Stock") will not be permitted to be sold, transferred or otherwise disposed of for a period of six months from the Effective Date. Thereafter, the Practitioner Holders will not be permitted to sell, transfer or otherwise dispose of the Practitioner Merger Stock other than in amounts equal to: (i) 20% of the Practitioner Holder's Practitioner Merger Stock during the period of time commencing on the 181st day and ending on the 270th day after the Effective Date; (ii) 40% of the Practitioner Holder's Practitioner Merger Stock during the period of time commencing on the 271st day and ending on the 365th day following the Effective Date; and (iii) 60% of the Practitioner Holder's Merger Stock during the period of time commencing on the 366th day and ending on the 456th day following the Effective Date, and thereafter the Practitioner Holders' Practitioner Merger Stock will be transferable by the Practitioner Holders not deemed to be "Affiliates" of Embassy subject to applicable law. Affiliates are generally defined as persons who control, are controlled by, or under common control with Embassy (generally certain executive officers, directors and principal shareholders).

Under the terms of a lock-up agreement executed by each of the Orthodontix Shareholders who receive Merger Stock other than the Practitioner Holders (the "Non-Practitioner Holders"), the Non-Practitioner Holders are not permitted to sell, transfer or otherwise dispose of any shares of Embassy Common Stock received in connection with the Merger or issuable upon exercise of any stock options for a period of 15 months from the Effective Date. Thereafter, such persons, not affiliates of Embassy, will be able to sell, transfer or otherwise dispose of such shares subject to applicable law.

Under the terms of a lock-up agreement executed by each of Dr. Dresnick and Messrs. Halpryn, Stein, and Brumfield, they are not permitted to sell, transfer, or otherwise dispose of any shares of Embassy Common Stock currently owned by them or issuable upon exercise of any stock options for a period of six months following the Effective Date. Thereafter, for a period of nine months, Dr. Dresnick and Mr. Halpryn will only be permitted to sell, transfer or otherwise dispose of their shares in 20% increments per quarter. Under the terms of a lock-up agreement executed by Mr. Marshak, he is only permitted to sell, transfer, or otherwise dispose of 20,000 shares of Embassy Common Stock currently owned by him or issuable upon exercise of any stock options for a period of six months following the Effective Date, subject to applicable law.

While no assurances can be made, it is contemplated that subsequent to the Effective Date, Embassy expects to file a registration statement on Form S-8 (the "S-8 Registration Statement") covering the resale of the shares of Embassy Common Stock issuable upon exercise of options to be granted under the Stock Option Plan (assuming it is approved) (the "S-8 Registration Statement"). The effect of filing such S-8 Registration Statement is that, subject to applicable law, upon the effectiveness of the S-8 Registration Statement, the

shares of Embassy Common Stock underlying stock options to be granted under the Stock Option Plan, when properly issued, will be freely transferable under the Securities Act in accordance with the terms and conditions of the Stock Option Plan.

CERTAIN REGULATORY MATTERS

No federal or state regulatory requirements remain to be complied with in connection with the Merger, except for certain required notifications and closing and post-closing filings.

OPERATIONS AFTER THE MERGER

General. As a result of the Merger, Orthodontix will become a wholly-owned subsidiary corporation of Embassy. The Articles of Incorporation of Embassy will be amended on the Effective Date to, among other things, change Embassy's name to "Orthodontix, Inc."

Directors and Executive Officers. In accordance with the Merger Agreement, all members of the Embassy Board will, immediately prior to the Effective Date, resign from the Embassy Board, other than Dr. Dresnick and Mr. Halpryn and, following the Merger, the Embassy Board shall elect four new members of the Embassy Board selected by Orthodontix, namely, Mr. Guilford, Dr. Grussmark, Dr. Thompson and Mr. Gerson and one new member selected by Embassy, namely, Mr. Gottlieb. In addition, all of Embassy's executive officers will resign effective on the Effective Date, to be replaced by Orthodontix' current executive officers. See "MANAGEMENT OF ORTHODONTIX -- Executive Officers and Directors."

Dividends. Embassy does not presently intend to pay any cash dividends for the foreseeable future, as all available cash will be utilized to further the growth of Embassy's business subsequent to the Effective Date and for the proximate future thereafter. The payment of any subsequent cash dividends will be in the discretion of the Embassy Board and will be dependent upon Embassy's results of operations, financial condition, and other factors deemed relevant by the Embassy Board. See "DESCRIPTION OF EMBASSY'S SECURITIES."

THE PROPOSAL TO APPROVE THE MERGER REQUIRES THE AFFIRMATIVE VOTE OF A MAJORITY OF THE OUTSTANDING EMBASSY SHARES HELD BY NONAFFILIATED SHAREHOLDERS AND NO MORE THAN 30% IN INTEREST OF THE EMBASSY COMMON STOCK HELD BY NON-AFFILIATED SHAREHOLDERS ACTUALLY VOTE AGAINST THE MERGER. UNLESS OTHERWISE SPECIFIED BY SUCH SHAREHOLDER, A VOTE AGAINST THE MERGER WILL NOT CONSTITUTE A REQUEST BY SUCH SHAREHOLDER FOR REDEMPTION OF HIS SHARES. IF A SHAREHOLDER VOTES AGAINST THE MERGER BUT SPECIFICALLY CHOOSES NOT TO REDEEM HIS SHARES, SUCH SHAREHOLDER WILL CONTINUE TO BE A SHAREHOLDER OF EMBASSY. THE EMBASSY BOARD BELIEVES THAT APPROVAL OF THE MERGER IS IN THE BEST INTERESTS OF EMBASSY AND THE EMBASSY SHAREHOLDERS AND UNANIMOUSLY RECOMMEND A VOTE FOR APPROVAL AND ADOPTION OF THE MERGER.

PROPOSAL 2: RESTATEMENT OF THE
ARTICLES OF INCORPORATION OF EMBASSY

The Embassy Shareholders are being asked to consider and vote upon a proposal to amend and restate Embassy's Articles of Incorporation (the "Restated Articles") to provide for (i) an authorized class of Preferred Stock, consisting of 100,000,000 shares, par value \$.0001 per share (the "Preferred Stock"), with rights, preferences and designations to be determined by the Embassy Board (the "Preferred Stock Amendment"); and (ii) a change in the corporate name from Embassy Acquisition Corp. to "Orthodontix, Inc."

The following summary of the Preferred Stock Amendment is, in all respects, qualified and amplified by the actual language of the Restated Articles, a copy of which is attached as Appendix B to this Proxy Statement/Prospectus.

AUTHORIZATION TO ISSUE PREFERRED STOCK

Under Florida law and under the terms of the proposed Restated Articles of Embassy, preferred stock may be issued in series established from time to time by the Board of Directors. In this connection, the Board of Directors has broad discretion to set the terms of the Preferred Stock, and, if it decided to, may fix for each series, without further shareholder approval (i) the rate of dividend; (ii) the price at and the terms and conditions on which shares may be redeemed; (iii) the amount payable upon shares in the event of voluntary or involuntary liquidation; (iv) sinking fund provisions, if any, for the redemption or purchase of shares; (v) the terms and conditions on which shares may be converted, if the shares of any series are issued with the privilege of conversion; and (vi) voting rights, if any.

The Embassy Board may fix the number of votes to which each share of Preferred Stock is entitled, or deny voting rights to the shares of any series, except to the extent voting rights are expressly granted by applicable law. Depending upon the terms of voting rights granted to any series of Preferred Stock, issuance thereof could result in a reduction in the voting power of the holders of Common Stock or other Preferred Stock.

It is not possible to state the actual effect of the authorization of the Preferred Stock or other classes of stock upon the rights of holders of Embassy Common Stock until the Embassy Board determines the respective rights of the holders of one or more series of the Preferred Stock. However, such effects might include, without limitation: (a) restrictions on dividends on Common stock if Preferred Stock is issued with a preferential (and possibly cumulative) dividend right and dividends on the Preferred Stock are in arrears; (b) substantial dilution of the voting power of the Common Stock to the extent that the Preferred Stock has voting rights or to the extent that any Preferred Stock is given conversion rights into Common Stock; and (c) the holders of Common Stock not being entitled to share in Embassy's assets upon liquidation or dissolution until satisfaction of any liquidation preference granted to the Preferred Stock, which the Embassy Board may set at its discretion. The Embassy Board could also authorize holders of the Preferred Stock to vote, either separately as a class or with the holders of Common Stock, on any merger, sale or exchange of assets by Embassy or other extraordinary corporate transaction. Shares of Preferred Stock could even be privately placed with purchasers who might ally themselves with the Embassy Board in opposing a hostile takeover bid, diluting the stock ownership or voting power of persons seeking to obtain control of Embassy. The Preferred Stock could be utilized, under certain circumstances, as a method of discouraging, delaying or preventing a change in control of Embassy, thereby having an anti-takeover effect. The ability to issue Preferred Stock could be beneficial to management in a hostile tender offer while it may have an adverse impact on shareholders who may want to participate in such a tender offer.

In addition, Embassy may be affected to the extent that Preferred Stock is issued which is, by its terms, redeemable, either at the option of Embassy or the holders of Preferred Stock, in accordance with such terms and conditions as may be designated by the Board of Directors in creating such series. The amount payable by Embassy upon redemption of the Preferred Stock will be the redemption price fixed for the shares of each series by the Board of Directors and may also include payment of all accumulated and unpaid dividends. There are many other potential effects not mentioned here.

Although Embassy does not presently intend to issue any of the additional shares of Preferred Stock to be authorized, this approval is being sought in order to allow the Embassy Board to authorize the issuance of such shares when opportunities arise without delay, which would result from holding a meeting of the Embassy Shareholders to authorize the issuance of such additional shares.

In approving the proposed Restated Articles of Embassy, Embassy Shareholders will also be authorizing the Embassy Board to take all such actions and execute and/or file all such documents as the Board deems necessary or appropriate to effectuate the purposes of the proposed Restated Articles, including, without limitation, the making of any technical or non-material changes to the Restated Articles. Furthermore, the Embassy Board reserves the right, notwithstanding approval of the proposed Restated Articles by the Embassy Shareholders, at any time prior to the filing of the Restated Articles, with the Secretary of State of Florida, to terminate all or any part of the provisions made a part of the Restated Articles and all transactions contemplated by or incident thereto.

THE PROPOSAL TO AMEND AND RESTATE THE ARTICLES REQUIRES THE AFFIRMATIVE VOTE OF A MAJORITY OF THE SHARES OF EMBASSY COMMON STOCK VOTING IN PERSON OR BY PROXY AT THE SPECIAL MEETING. THE EMBASSY BOARD BELIEVES THAT APPROVAL OF THE RESTATED ARTICLES IS IN THE BEST INTERESTS OF EMBASSY AND THE EMBASSY SHAREHOLDERS AND UNANIMOUSLY RECOMMENDS A VOTE FOR APPROVAL.

PROPOSAL 3: RATIFICATION AND APPROVAL OF THE
1997 EMBASSY ACQUISITION CORP. STOCK OPTION PLAN

The Embassy Shareholders are being asked to consider the proposal to ratify and approve the 1997 Embassy Acquisition Corp. Stock Option Plan (the "Stock Option Plan"). The following summary of the Stock Option Plan is, in all respects, qualified and amplified by the actual language of the Stock Option Plan.

DESCRIPTION OF THE STOCK OPTION PLAN

The Stock Option Plan was unanimously approved by the Embassy Board in November 1997 to become effective on the Effective Date, to provide Embassy with an effective means to attract, retain and motivate persons affiliated with Embassy. The Stock Option Plan is designed to comply with the requirements of Section 16(b) the Exchange Act. A maximum of 500,000 shares of Embassy Common Stock (the "Option Shares") may be issued under the Stock Option Plan. No options may be granted under the Plan after November 18, 2007. Pursuant to the Merger Agreement, Embassy shall file with the Commission a Registration Statement on Form S-8 (the "Form S-8") covering the Option Shares. The effect of filing the Form S-8 is that, subject to applicable law, the Option Shares when properly issued by Embassy, shall be freely tradeable securities.

The Stock Option Plan is to be administered by a compensation and stock option committee of the Embassy Board (the "Committee"), which, under the terms of the Stock Option Plan, must consist of at least two "Non-Employee Directors, within the meaning of Rule 16b-3 promulgated by the Commission under the Exchange Act. The Committee has the authority to interpret the provisions of the Stock Option Plan and to make all determinations deemed necessary or advisable for its administration. On the Effective Date, Mr. Gottlieb and Mr. Gerson shall serve on the Committee.

The Stock Option Plan provides for the issuance of incentive stock options within the meaning of Section 422 of the Internal Revenue Code of 1986 (the "Code") and non-qualified stock options not intended to meet the requirements of Section 422 of the Code. Incentive stock options may be granted to employees of Embassy and its subsidiaries, and non-qualified stock options may be granted to employees, directors, independent contractors and agents of Embassy and its subsidiaries. Subject to the Stock Option Plan, the Committee determines the persons to whom grants are made and the vesting, timing, amounts and other terms of such grants. An optionee may not receive incentive stock options exercisable in one calendar year for shares with a fair market value on the date of grant in excess of \$100,000. No quantity limitations apply to the grant of nonqualified stock options.

The exercise price of options may not be less than the fair market value of the Embassy Common Stock on the date of grant, except that the exercise price of any incentive stock option granted to the holder of more than 10% of the outstanding Embassy Common Stock may not be less than 110% of the fair market value of the Embassy Common Stock on the date of grant. The term of each option may not exceed ten years, except the term of any incentive stock option granted to the holder of more than 10% of the outstanding Embassy Common Stock may not exceed five years. The Stock Option Plan sets forth additional provisions with respect to the exercise of options by optionees upon the termination of their employment and upon their death.

The number of shares of Embassy Common Stock covered by outstanding options, the number of shares of Embassy Common Stock available for issuance under the Stock Option Plan, and the exercise price per share of outstanding options, are proportionately adjusted for any increase or decrease in the number of issued shares of Embassy Common Stock resulting from a stock split or stock dividend. In the event of a merger, sale of all or substantially all of the assets or other "change in control" of Embassy (as defined in the Stock Option Plan), all stock options will become immediately exercisable.

The Committee may amend or terminate the Stock Option Plan, except that shareholder approval is required to increase the number of shares of Embassy Common Stock subject to the Stock Option Plan, to change the class of persons eligible to participate in the Stock Option Plan, or to materially increase the benefits accruing to participants under the Stock Option Plan.

FEDERAL INCOME TAX CONSEQUENCES

Incentive Stock Options. It is intended that certain options granted under the Stock Option Plan will qualify as "incentive stock options" to the degree possible under the Code. This means that the optionee will not realize taxable income upon the grant or exercise of the option subject to compliance with the Code. However, any excess of the fair market value of the option stock on the date of exercise over the option price will constitute an item of adjustment for purposes of the alternative minimum tax and may cause the optionee to incur a liability for such tax in the year of exercise.

If the optionee holds the stock purchased on exercise of the option until at least (a) one year after it is purchased and (b) two years after the option is granted, any profit or loss recognized on disposition of the stock will be treated as capital gain or loss. If, however, the optionee disposes of the stock within either the one or two-year period, the optionee generally will be required to include in ordinary taxable income upon disposition of the stock an amount equal to the lesser of (a) the amount, if any, by which the fair market value of such stock on the date the option was exercised exceeded the option price, or (b) the amount, if any, by which the amount realized from such disposition exceeds the option price; any additional gain would be long-term or short-term capital gain, depending upon how long the stock was held. But, for certain dispositions of stock made within either the one or two-year period by way of gift or by way of sale to a person or entity related to the optionee, the optionee may be required to include in ordinary taxable income the full amount described in (a), regardless of the amount realized from such disposition.

The one and two-year requirements do not apply to the disposition of stock after an optionee's death by (a) the optionee's estate or (b) a person who acquires the right to exercise the option by reason of the optionee's death. In such cases, the stock may be disposed of any time after receipt and receive preferential tax treatment subject to the general holding period rules for capital gains.

Options granted under the Stock Option Plan may be exercised by the transfer to Embassy of shares of Embassy's Common Stock with a fair market value equal to the option's exercise price. If the optionee transfers incentive stock option shares to Embassy before both the one and two-year holding periods have expired, the transfer will be treated as a disposition of such shares with the tax consequences described above. If the shares so transferred are not incentive stock option shares or, if they are such shares and both the one and two-year periods have expired, such transfer to Embassy will not be a taxable event.

Generally, Embassy will not be entitled to any tax deduction in connection with the grant or exercise of an incentive stock option. If, however, the optionee disposes of stock acquired upon exercise of an option before the one and two-year periods have expired, Embassy will be entitled to deduct, when the optionee disposes of the stock, any amount the optionee is required to include in ordinary taxable income.

Non-Qualified Stock Options. The grant by Embassy of non-qualified stock options is not a taxable event to the optionee. Generally, an optionee recognizes ordinary income on the date unrestricted option shares are issued to him pursuant to the exercise of the option in an amount equal to the "spread" or the excess of the fair market value of the shares on that date over the exercise price. Any further gain or loss on disposition of the shares will be capital gain or loss if the shares are held by the optionee for investment.

In certain circumstances, Embassy will be entitled to deduct, as an expense, for federal income tax purposes any amount the optionee is required to include in ordinary income at the time such amount is so includable, provided that such amount is not deemed to be an "excess parachute payment" (i.e., payment payable upon a change of control of Embassy that is in excess of reasonable compensation).

OPTIONS OUTSTANDING

As of the date of this Proxy Statement/Prospectus, no options have been granted under the Stock Option Plan. However, in connection with the Merger, Closing Stock Options to purchase approximately 959,944 shares of Embassy Common Stock shall be outstanding as of the Closing Date.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Embassy Board believes that the best interests of Embassy will be served by Embassy implementing the Stock Option Plan. The Embassy Board believes that awards made under the Stock Option Plan will enable Embassy to better compete for qualified personnel, to retain such personnel in the employ of Embassy, and to motivate such personnel and align their long-term interests with those of the Embassy Shareholders. To remain competitive in attracting and retaining qualified personnel and to continue to provide such personnel proper motivation and incentives, the Embassy Board believes that the proposal to ratify and approve the Stock Option Plan should be approved.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE EMBASSY SHAREHOLDERS VOTE FOR THE PROPOSAL TO RATIFY AND APPROVE THE STOCK OPTION PLAN.

MANAGEMENT'S DISCUSSION AND ANALYSIS OR
PLAN OF OPERATION OF EMBASSY

Embassy Acquisition Corp. was formed in November 1995 to seek to effect a merger, exchange of capital stock, asset acquisition or similar business combination (a "Business Combination") with a business (an "Acquired Business"). In connection with its initial capitalization, Embassy issued 1,160,000 shares of its Embassy Common Stock to its officers, directors and other shareholders for an aggregate sum of \$76,078. On April 2, 1996, Embassy's Registration Statement on Form SB-2 (the "SB-2 Registration Statement") was declared effective by the Commission. Pursuant to the SB-2 Registration Statement, Embassy, in its initial public offering of securities, offered and sold 1,380,000 shares of Common Stock, par value \$.0001 per share, at a purchase price of \$6.00 per share (the "Offering"). The Offering was a "blank check" offering. In connection with the closing of the Offering, Embassy issued 1,380,000 shares of Common Stock and received gross proceeds of \$8,280,000.

Embassy, as a result of the offering had net proceeds of approximately \$7,052,000 (the "Net Proceeds"). Approximately 90% of such proceeds (\$6,346,800) was placed in escrow (the "Escrow Fund") immediately following the Offering.

For the three and nine month periods ended September 30, 1997, Embassy incurred \$16,609 and \$67,019, respectively, of operating expenses and derived interest income of \$91,140 and \$258,793, respectively, as compared with the three and nine month periods ended September 30, 1996 when Embassy incurred \$11,655 and \$26,247, respectively, of operating expenses and derived interest income of \$58,517 and \$116,100, respectively. For the period from inception (November 30, 1995) through September 30, 1997, Embassy incurred \$111,077 of operating expenses and derived interest income of \$502,536.

At December 31, 1996 and September 30, 1997, Embassy had cash and cash equivalents of \$763,965 and \$655,033, respectively, restricted short-term investments of \$6,566,206 and \$6,800,767, respectively, long-term assets of \$8,472 and \$8,472, respectively, and liabilities of \$79,963 and \$77,748, respectively.

MANAGEMENT'S DISCUSSION AND ANALYSIS OR
PLAN OF OPERATION OF ORTHODONTIX

The following discussion and analysis contains certain statements of a forward-looking nature relating to future events or the future financial performance of Orthodontix. Such statements are only predictions, and the actual events or results may differ materially from the results discussed in the forward-looking statements. Factors that could cause or contribute to such differences include, but are not limited to, those discussed in "RISK FACTORS," as well as those discussed elsewhere in this Proxy Statement/Prospectus. The historical results set forth in this discussion and analysis are not indicative of trends with respect to any actual or projected future financial performance of Orthodontix. The following should be read in conjunction with the financial statements and related notes thereto appearing elsewhere in this Proxy Statement/Prospectus.

OVERVIEW

Orthodontix has conducted no operations to date other than entering into agreements to acquire the Founding Practices. Immediately subsequent to the consummation of the Practice Acquisitions, Orthodontix will provide practice management services to the Founding Practices pursuant to long-term administrative services agreements (the "Administrative Services Agreements") with separately organized PA Contractors. The PA Contractors directly employ Affiliated Orthodontists or affiliate with other separately formed professional associations owned by practicing orthodontists (the "Practitioner PAs") pursuant to employment agreements (the "PA Contractor Employment Agreements") or service agreements, as the case may be (the "Service Agreements") with terms ranging from two to ten years. In those practices where the PA Contractors do not directly employ the Affiliated Orthodontists, the Practitioner PAs directly employ orthodontists pursuant to employment agreements (the "Practitioner PA Employment Agreements") with substantially similar terms. In all cases Orthodontix directly employs all non-orthodontic personnel and subject to applicable law directly owns the tangible equipment and other assets utilized in the practice.

ADMINISTRATIVE SERVICES AGREEMENTS

General. Pursuant to the Administrative Services Agreements, Orthodontix provides and has control over all non-orthodontic functions of the PA Contractors including all administrative, management, billing and support functions, while the PA Contractors and the Affiliated Orthodontists they employ or affiliate with, have control over all functions relating to the provision of orthodontic services. Orthodontix receives a management fee for the services. Subject to applicable state law the management fee (the "Management Fee") is either equal to (i) 15% percent of the accrued revenue derived by the PA Contractor and a percentage of the net income earned by the PA Contractor; or (ii) a flat based fee, which is determined on an annual basis.

Services Provided by Orthodontix. Pursuant to the Administrative Services Agreements, Orthodontix provides practice management services to the PA Contractors, which include consultation and other activities regarding the suitability of facilities and equipment, nonprofessional staffing, regulatory compliance, productivity improvements, inventory and supplies management, information systems management, marketing services, site selection and layout, billing and financial services, malpractice insurance, and, subject to applicable law, other services as Orthodontix deems necessary to meet the day to day requirements of the PA Contractors. Under the Administrative Services Agreements, Orthodontix has responsibility over billing of professional services, claims for reimbursement or indemnification from third parties, collection of accounts receivable, custody of checks, notes, and other forms of payment and funds deposited.

Advisory Board. Orthodontix will establish an advisory board (the "Advisory Board") consisting of licensed orthodontists designated by Orthodontix and the PA Contractors who will meet to review, evaluate and make recommendations concerning capital improvements and expenditures, ancillary services, provider-payor relationships, strategic planning, fee-dispute resolution, and other management issues. In addition, the members of the Advisory Board who are licensed healthcare professionals shall have exclusive authority to review and resolve issues regarding the type and levels of healthcare services to be provided, fee schedules, any

orthodontic or dental related functions and any other decisions required by applicable law to be made solely by dentists and orthodontists.

Term and Termination. The Administrative Services Agreements have initial terms of 40 years, subject to prior termination by either party in the event the other party (i) becomes subject to bankruptcy proceedings or (ii) materially breaches the Administrative Services Agreement and such party fails to cure the breach within 30 days. In addition, the Administrative Services Agreement may be terminated by either party upon the occurrence of adverse legislative, regulatory or administrative change.

SERVICE AGREEMENTS AND PA CONTRACTOR EMPLOYMENT AGREEMENTS

Under the Service Agreements and the PA Contractor Employment Agreements, the PA Contractor owns and operates each Affiliated Practice and has the exclusive right to bill and receive payment for orthodontic services rendered by the Affiliated Orthodontist. In exchange, the PA Contractor pays to the Practitioner PA in the case of a Service Agreement, or directly to the Affiliated Orthodontist, in the case of a PA Contractor Employment Agreement, a monthly base amount (the "Base Compensation") equal to a percentage (ranging from a low of 15% to a high of 48% of the practice's Accrued Revenue. "Accrued Revenue" is defined as: (i) 24% of the Initial Contract Amount; plus (ii) the Monthly Contract Residual Amount; plus (iii) Additional Non-Contract Service Charges. "Initial Contract Amount" for a given month is defined as the total value of any contracts to provide orthodontic services between a patient or third party payor on the one hand and the Affiliated Orthodontist, the Practitioner PA, or the PA Contractor on the other, for the provision of orthodontic services at a pre-determined fee-for service amount (whether or not payable in cash) which contract was generated by the Affiliated Orthodontist after the Effective Date (the "Contract"), entered into on or prior to the last business day of each month. "Monthly Contract Residual Amount" is defined as that amount equal to the amounts remaining to be paid by the patient or third party payor under a Contract (the "Remaining Amounts Payable") divided by the number of months remaining in the term of such Contract; except that the Remaining Amounts Payable shall not be in excess of 76% (other than for a Contract entered into prior to the Effective Date) of the total amounts payable by the patient or third party payor under the Contract. "Additional Non-Contract Service Charges" is defined as that amount charged for orthodontic services which are not included in a patient contract. Such orthodontic services include, but are not limited to, diagnosis charges, observation charges, retention charges and office visit charges.

In addition to the Base Compensation, under certain conditions, a Service Fee (the "Service Fee"), equal to 70% of the "Net Operating Income" generated from the delivery of orthodontic services by the Affiliated Orthodontist is paid to the Practitioner PA in the case of a Service Agreement and directly to the Affiliated Orthodontist in the case of a PA Contractor Employment Agreement. "Net Operating Income" is defined as that amount, if any, equivalent to the percentage by which Practice Overhead declines as a percentage of Accrued Revenue annually; multiplied by the annual Accrued Revenue. "Practice Overhead" is generally defined as the sum of:

- (i) an agreed upon allocable share of salaries, benefits, and other direct costs of all employees other than licensed healthcare professional at the practice location (the "Location");
- (ii) an agreed upon allocable share of direct costs of all patient care and office supplies purchased in connection with the operation of the Location;
- (iii) an agreed upon allocable share of personal property and real property leasehold obligations entered into in connection with the performance of orthodontic services at the Location;
- (iv) an agreed upon allocable share of personal property and intangible taxes assessed against the assets used in connection with the operation of the orthodontic practice at the Location;
- (v) an agreed upon allocable share of malpractice insurance expenses and orthodontist recruitment expenses;
- (vi) the annual Base Compensation; and
- (vii) the Management Fee.

PRACTICE ACQUISITIONS

In accordance with SAB 48, the acquisition of the tangible and intangible assets and assumption of certain liabilities of the Founding Practices from certain promoters of the transactions (the orthodontists who own the Founding Practices) pursuant to the Practice Acquisitions will be accounted for by Orthodontix at the transferors' historical cost basis, with the shares of Embassy Common Stock to be issued in connection with the acquisition of the Founding Practices recorded at the historical net book value of net assets being acquired, as reflected on the books of the Founding Practices. Future acquisitions of certain of the assets and liabilities of Affiliated Practices accounted for as purchases may result in substantial annual noncash amortization charges for intangible assets in Orthodontix' statements of operations.

Subsequent to the Effective Date, Orthodontix intends to implement a growth strategy focused on (i) affiliating with additional orthodontic practices that have a high quality practice with strong financial performance; (ii) expanding Affiliated Practices by providing capital, support and consultation for satellite office expansion; (iii) assisting the Affiliated Practices with their internal growth by increasing gross revenues through increased patient volume; and (iv) enhancing profitability through operational efficiencies.

RESULTS OF OPERATIONS

Orthodontix has conducted no significant operations to date and will not conduct significant operations until the Practice Acquisitions and the Merger are consummated on the Effective Date. From inception through September 30, 1997, Orthodontix incurred general and administrative expenses of \$515,700. See Orthodontix' Financial Statements and the notes thereto.

LIQUIDITY AND CAPITAL RESOURCES

If the Practice Acquisitions and Merger had occurred on September 30, 1997, Orthodontix would have had pro forma working capital of approximately \$3.3 million, including the payment of \$3.4 million in cash to the Founding Practices.

Orthodontix anticipates the primary uses of capital will include affiliation with orthodontic practices and funding working capital needs of Orthodontix and the Affiliated Practices. Orthodontix anticipates that it will incur approximately \$535,000 of operating expenses for the year ending December 31, 1997, which does not include any expenses associated with the Merger or the acquisition of the Founding Practices. As part of its growth strategy, Orthodontix intends to enter into affiliations with additional orthodontic practices that will involve the payment of cash and issuance of capital stock.

YEAR 2000 COMPUTER COMPLIANCE

The Commission has issued Staff Legal Bulletin No. 5 (CF/IM) stating that public operating companies should consider whether they will suffer any anticipated costs, problems or uncertainties as a result of the "Year 2000" issue, which affects existing computer programs that use only two digits to identify a year in the date field. Orthodontix anticipates that its business operations will electronically interact with third parties very minimally, and the issues raised by Staff Legal Bulletin No. 5 are not applicable in any material way to its contemplated business or operations. Additionally, Orthodontix intends that any computer systems that it will purchase or lease will have already addressed the "Year 2000" issue.

BUSINESS OF ORTHODONTIX

GENERAL

Orthodontix was organized in August 1996 to provide practice management services to orthodontic practices. Upon consummation of the Merger, Orthodontix intends to manage the business aspects of the Affiliated Practices and may provide capital for the development and growth of such practices. Orthodontix will affiliate with Affiliated Practices and will generate revenues by providing management, marketing and development services to Affiliated Practices. Orthodontix presently intends to seek to expand its network of Affiliated Practices by acquiring certain operating assets of and entering into long-term management services agreements with additional orthodontic practices. Orthodontix has no current plans, arrangements, understandings or agreements to acquire any orthodontic practices other than the Founding Practices.

The Founding Practices and Their Affiliated Orthodontists. Orthodontix has entered into definitive agreements, to be consummated concurrently with the closing of the Merger, to acquire certain operating assets of the Founding Practices, and enter into Service Agreements or PA Contractor Employment Agreements with the Founding Practices or the Affiliated Orthodontists, as the case may be, which include 28 orthodontists operating 41 offices located in 12 states. Management believes that the Founding Practices are leading practices in their markets and the Founding Practices were selected based upon a variety of factors, including size, profitability, historical growth and reputation for high quality care, among local consumers of orthodontic services and within the orthodontic services industry. Management intends to capitalize on the reputations and relationships of the Founding Practices and their Affiliated Orthodontists to assist Orthodontix in affiliating with additional orthodontic practices. Management believes that Orthodontix' management, marketing, recruiting and growth strategies, as applied to the Founding Practices, will maximize Orthodontix' revenues.

Services of Orthodontix. Orthodontix will provide practice management services to the Affiliated Practices. Orthodontix will not practice orthodontics or dentistry, but generally will acquire certain tangible and intangible assets of an orthodontic practice, employ the non-orthodontic employees, and cause the PA Contractors to enter into Service Agreements or PA Contractor Employment Agreements with the Affiliated Practices or the Affiliated Orthodontists, as the case may be. Where state law allows and upon request by an Affiliated Practice, Orthodontix may lease equipment or office space to the Affiliated Practices. Each Affiliated Practice, in its sole discretion, determines the fees to be charged for services provided to patients based upon market conditions in the service area and other factors deemed appropriate by the Affiliated Practice.

Orthodontix will generate revenues by providing practice management services to the Affiliated Practices, including billing and collections, cash management, purchasing, inventory management, payroll processing, employee benefits administration, advertising and marketing, financial reporting and analysis, productivity reporting and analysis. Management believes, based on its experience with the Founding Practices and data available to it, that Orthodontix' emphasis on high quality patient care and its business, marketing, technological and practice-growth support systems will appeal to orthodontists inclined to affiliate with Orthodontix.

THE ORTHODONTIC INDUSTRY

Orthodontics historically has been one of the more profitable specialties in dentistry. According to the JCO Study, in 1994, orthodontists in the United States conducted examinations of nearly 2.5 million potential new patients and initiated treatment for approximately 1.5 million patients. The typical orthodontist initiated treatment for approximately 170 patients in 1994 and maintained approximately 380 active cases.

The primary target market for orthodontic treatment is children ages 8 to 18. In 1994, approximately 80%, or 1.2 million, of all patients treated were children. The U.S. Census Bureau estimates that as of July 1, 1996, there were approximately 37.6 million children and adolescents between the ages of 10 and 19. Management believes that as many as 50% of these children and adolescents could benefit from orthodontic treatment, presenting an attractive opportunity for Orthodontix. In addition to the traditional juvenile market,

the adult market has been a rapidly growing market for orthodontic services. Management believes the market for adults has grown rapidly over the last 15 years as a result of several factors. Adults today are more conscious about their appearance, which may be improved by orthodontic treatment they may not have received as children. Moreover, many adults today are more willing to undergo orthodontic treatment in light of the development of new orthodontic materials and techniques that allow the orthodontist largely to conceal the bands and brackets used during treatment because they match the color of the teeth. Based on statistics obtained from the JCO Study, management believes that the adult market for orthodontic services remains untapped, as the number of adults who need or want orthodontic treatment substantially exceeds the number of patients currently seeking treatment. In 1994, standard case fees averaged approximately \$3,500 for children and \$3,800 for adults. On an individual practice basis, the 1997 Study reported median annual revenues of \$518,800 and median operating income of \$224,000 in 1996. Median overhead as a percentage of revenues was 55%. Median down payments were equal to approximately 25% of the total treatment cost. Median case starts and active treatment cases, according to the 1997 Study, were 180 and 400 per practice in 1996, respectively.

Currently, there are approximately 9,000 practicing orthodontists in the United States. The industry is highly fragmented, with approximately 90% of the practicing orthodontists acting as sole practitioners and the balance practicing in multiple-doctor practices (generally two orthodontists) or in groups affiliated with competitors of Orthodontix. The training and qualification of an orthodontist is rigorous.

OPERATING STRATEGY

Management believes that Orthodontix' operating strategy will enable Affiliated Practices to compete more effectively and realize significantly greater profitability than other orthodontic practices, thereby providing an inducement for additional orthodontists to affiliate with Orthodontix. Key elements of Orthodontix' operating strategy are anticipated to include:

Emphasizing Quality Patient Care. Management believes that the services and support it provides to Affiliated Orthodontists will positively impact the level of patient care by increasing the Affiliated Orthodontists' time to concentrate on patient care. Management believes that the primary hindrances to consistent delivery of quality patient care are (i) the discrepancy in qualifications among practicing orthodontists and (ii) the amount of time each orthodontist spends on patient care. The qualifications of providers of orthodontic services vary from general dentists who have taken certain courses in orthodontics to graduates of accredited three-year programs.

Capitalizing on the Best Demonstrated Practices of Affiliated Orthodontists. Orthodontix believes that it will be positioned to identify practice-level strategies that have proven successful for individual Affiliated Practices and share this information among other Affiliated Practices. Management will routinely evaluate the policies and procedures of the Affiliated Practices, including such critical areas as treatment quality, delivery of patient care, practice-building, marketing, patient financing programs and expense control. Orthodontix will provide Affiliated Orthodontists with comparative operating and financial data that will enable Affiliated Orthodontists to detect areas of their practices that could be improved. Orthodontix will provide its own analysis of such operating and financial data and recommend changes to improve performance. Orthodontix expects that a primary means of identifying and implementing solutions to particular practice issues will be to consult with Affiliated Practices that have had demonstrated success in a certain area. Orthodontix generally will seek to facilitate communication among Affiliated Practices through periodic conferences and meetings and, ultimately, through an intranet system. In addition, Orthodontix will establish an Advisory Board whose members are licensed orthodontists designated by Orthodontix and the PA Contractors, which will meet to review, evaluate and make recommendations concerning capital improvements and expenditures, ancillary services, provider-payor relationships, strategic planning, fee-dispute resolution, and other management issues. The Advisory Board shall have authority to review and resolve issues regarding the type and levels of healthcare services to be provided, fee schedules, any orthodontic or dental related functions and any other decisions required by applicable law to be made solely by dentists and orthodontists.

Achieving Operating Efficiencies and Economies of Scale. Orthodontix intends to implement a variety of operating procedures and systems designed to improve the productivity and profitability of each orthodontic practice which becomes an Affiliated Practice and to achieve economies of scale. Orthodontix intends to implement centralized payroll processing, inventory control and national group purchasing contracts. Orthodontix plans to implement appropriate credit and collection policies which will accommodate specific needs of the target market of each Affiliated Practice. Management believes that patient flow and work flow could be enhanced by physical improvements in designs to facilities, which should result in an increase in the number of patients seen and an increase in employee and orthodontist productivity. If such physical improvement in design is supported by an adequate return on investment, the Affiliated Practice and Orthodontix may undertake such design changes. Operating efficiencies and economies will be instituted on a per market or per Affiliated Practice need basis after thorough analysis, including review of work flow, patient flow, aged accounts receivable history, facilities, employee work load and productivity, and employee and patient satisfaction.

Increasing the Affordability of Orthodontic Care through Flexible Payment Plans. Orthodontix will assist Affiliated Practices in developing and implementing payment plans designed to make orthodontic services more affordable to prospective patients, thereby making orthodontic services available to a larger segment of the population in their respective markets. Many of the Founding Practices have historically received a down payment of approximately 20% of the total cost of services, which is typical in the orthodontics industry and is based on the costs incurred by an orthodontic practice at the time treatment is initiated. Recognizing that orthodontic services are largely discretionary and that a significant down payment is often a deterrent to prospective patients, Orthodontix believes that flexible payment plans are an effective means of increasing patient volume. Management believes that the markets in which Affiliated Practices are located are different and payment plans should be tailored to respond to the various market demands and opportunities. Orthodontix will make general recommendations to all Affiliated Practices with respect to instituting flexible payment plans and will develop and implement market-tailored plans upon the request of individual Affiliated Practices. In addition, Orthodontix will provide the working capital necessary for the Affiliated Practices to implement flexible payment plans which may result in the reduction or elimination of down payments.

Stimulating Demand in Local Markets Through Aggressive Marketing. In consultation with and upon approval of the Affiliated Practices, Orthodontix may develop and implement marketing plans to augment each Affiliated Practice's referral and other marketing systems currently in place. Management believes that the orthodontic industry has not taken advantage of the gains that can be achieved through strategic direct marketing and intends to, upon request of an Affiliated Practice, may implement direct marketing campaigns. Upon the request of an Affiliated Practice and in appropriate markets, Orthodontix may attempt to reach potential patients through print, local television and radio advertising.

GROWTH STRATEGY

Management believes the continued growth of the Founding Practices and the affiliation of new Affiliated Practices are key components of the future success of Orthodontix. To increase Orthodontix' revenues and profits and gain market share, management intends to initiate a growth strategy designed to increase the number of Affiliated Practices and Affiliated Orthodontists over time. Management's expansion strategy includes:

Affiliations with Orthodontic Practices. Management believes that Orthodontix' target market for affiliations includes approximately half of the orthodontic practices in the United States (approximately 4,500 practices), because these practices offer quality orthodontic services and opportunity for revenue and earnings growth. Management believes that affiliation will be an attractive option for many orthodontists because Orthodontix intends to (i) identify and recruit qualified associate orthodontists for the Affiliated Practices, (ii) offer business systems for each Affiliated Practice, (iii) with the approval of the Affiliated Orthodontist, hire the necessary business and non-orthodontic personnel for each new Affiliated Practice, (iv) help increase each Affiliated Practice's market share and the number of new patients seen by recommending successful

marketing and advertising strategies, and (vi) reduce the time Affiliated Orthodontists spend on administrative and business related tasks, allowing them to focus on delivering quality patient care.

Internal Growth through Improved Operating Efficiencies. An element of management's growth strategy is internal Affiliated Practice growth through improving each practice's operating efficiencies. Orthodontix plans to implement payroll processing, employee benefits administration, financial reporting and analysis, inventory management and national group purchasing discounted contracts and intends to implement appropriate credit and collection policies which accommodate specific needs of the general target markets of each Affiliated Practice. Operating efficiencies and economies may be instituted on a per market or per Affiliated Practice need basis after thorough analysis, including review of work flow, patient flow, aged accounts receivable history, facilities, employee work load and productivity, employee satisfaction and patient satisfaction.

AFFILIATED PRACTICE OPERATIONS AND LOCATIONS

Payment Plan; Case Fees. At the initial orthodontic treatment, the patient signs a contract outlining the terms of the treatment, including the anticipated length of treatment and the total fees. Each Affiliated Orthodontist determines the appropriate fee to charge for services to patients based upon market conditions in the area served by that Affiliated Orthodontist. Generally, the amount of fees charged by the Affiliated Orthodontists are independent of the patient's source of payment. The number of required monthly payments is estimated at the beginning of the case and generally corresponds to the anticipated number of months of treatment. Depending on the patient's credit history, the down payment will range from a substantial down payment to no down payment. Patients are typically required to pay equal monthly installments although each Affiliated Practice will offer a payment plan tailored to its market and patients.

If the treatment period exceeds the period originally estimated by the orthodontist, the patient and the Affiliated Orthodontist will determine whether payment for additional treatment will be required. If the treatment is completed prior to the scheduled completion date, the patient is required to pay the remaining balance of the contract. If a patient terminates the treatment prior to the completion of the treatment period, the patient is required to pay the balance due for services rendered to date. Other payment plans with lower monthly payments are available for patients who have insurance coverage for the treatment. Payments for patients with insurance may be lower, depending upon the amount of the fee paid on behalf of the patient by insurance policies. For patients with insurance coverage, the portion of the fee not covered by insurance is paid by the patient and is not generally waived or discounted by the Affiliated Practice.

Information Systems ("IS"). Orthodontix plans to implement a comprehensive IS strategy over the next several years. Orthodontix may implement a communications and data transmission program utilizing an intranet system and commercially available integration technology. Typically, an orthodontic practice utilizes an accounting and general ledger system as well as a production system. The accounting and general ledger system will be implemented promptly upon the Affiliated Practice's affiliation with Orthodontix. The production system, which provides patient and practice management functions, will take more time to implement. While it is Orthodontix' stated objective to protect the computer system and applications investment of each Affiliated Practice, management intends to use a combination of integration and interface technologies to tie together the disparate systems.

Purchasing. Orthodontix plans to coordinate quantity discounts of equipment, office furniture, inventory and supplies for the Affiliated Practices in order to reduce per unit costs. In addition, Orthodontix will negotiate arrangements with other suppliers, such as casualty insurance carriers, that should provide cost savings to the Affiliated Practices.

Locations. Upon consummation of the Practice Acquisitions, Orthodontix will provide management services to the following locations:

(1) The 27 Founding Practices include an aggregate of 28 Affiliated Orthodontists, operating in 12 states.

AFFILIATED ORTHODONTIST, PA CONTRACTOR AND OTHER CONTRACTUAL RELATIONSHIPS

Orthodontix contracts with the PA Contractors who employ Affiliated Orthodontists pursuant to PA Contractor Employment Agreements or affiliate with Affiliated Orthodontists pursuant to Service Agreements to provide orthodontic services. The PA Contractor Employment Agreements and Service Agreements typically have terms ranging from two to ten years. The Affiliated Orthodontists generally receive a percentage of the gross revenue generated at the Affiliated Practice as well as a percentage of the Net Operating Income derived from the Affiliated Practice. The Affiliated Orthodontists are required to hold a valid license to practice orthodontics in the jurisdiction in which the Affiliated Orthodontist practices. Orthodontix is responsible for billing patients and third party payors for services rendered by the Affiliated Orthodontist. All of the Affiliated Orthodontists have agreed, for a period of one to two years after the termination of employment or affiliation, not to compete with Orthodontix or the PA Contractor within a defined geographic area and not to solicit Affiliated Orthodontists, other employees or patients of the Affiliated Practices.

Orthodontix has Administrative Services Agreements with the PA Contractors. Under the Administrative Services Agreements, Orthodontix has control over all non-orthodontic functions of the PA Contractors, including all administrative, management, billing and support functions. The PA Contractors pay Orthodontix a management fee for its services. In certain states, the fee is equal to a percentage of the gross revenue generated by the underlying Affiliated Practices contracting with the PA Contractors as well as a percentage of the Net Operating Income of such underlying Affiliated Practices. In other states, the management fee consists of a flat base fee, which is determined on an annual basis. Each of the Administrative Services Agreements has a term of 40 years and is subject to renegotiation at the end of such term.

GOVERNMENT REGULATION

General. The business of Orthodontix is subject to a variety of governmental and regulatory requirements relating to healthcare matters as well as laws and regulations which relate to business corporations in general. In general, regulation of healthcare companies is increasing. Every state imposes licensing requirements on individual orthodontists and on facilities operated by and services rendered by orthodontists. In addition, federal and state laws regulate health maintenance organizations and other managed care organizations for which orthodontists may be providers. In connection with the entry into new markets, Orthodontix, the Affiliated Practices and the Affiliated Orthodontists may become subject to compliance with additional regulations.

The operations of the Affiliated Practices must meet federal, state and local regulatory standards in the areas of safety and health. Historically, compliance with those standards has not had any material adverse effect on the operations of the Founding Practices. Based on its familiarity with the historical operations of the Founding Practices and the activities of Orthodontix' Affiliated Orthodontists, management believes that the Affiliated Practices are in compliance in all material respects with all applicable federal, state and local laws and regulations relating to safety and health.

State Legislation. The laws of several states prohibit orthodontists from splitting fees with non-orthodontists. Furthermore, many states prohibit non-orthodontic entities from practicing orthodontics, employing orthodontists, or in some circumstances, employing orthodontic assistants. The laws of some states prohibit advertising orthodontic services under a trade or corporate name and require that all advertising be in the name of the orthodontist. A number of states also regulate the content of advertisement of orthodontic services and the use of promotional gift items. A number of states limit the ability of a non-licensed dentist or non-orthodontist to own equipment or offices used in an orthodontic practice. Some of these states allow leasing of equipment and office space to an orthodontic practice, under a bona-fide lease, if the equipment and office remain in the complete care and custody of the orthodontist. Management believes, based on its familiarity with the historical operations of the Founding Practices, the activities of Orthodontix' Affiliated Orthodontists and applicable regulations, that Orthodontix' planned activities do not constitute the prohibited practices contemplated by these statutes and regulations. There can be no assurance, however, that future interpretations of such laws, or the enactment of more stringent laws, will not require structural and organizational modifications of Orthodontix' initial relationships with its Affiliated Orthodontists or the operation of the Affiliated Practices. In addition, statutes in some states could restrict expansion of Orthodontix operations in those jurisdictions.

Regulatory Compliance. Orthodontix may be required to modify its agreements, operations and marketing strategies from time to time in response to changes in the business and regulatory environment. Orthodontix intends to structure all of its agreements, operations and marketing in accordance with applicable law, although there can be no assurance that its arrangements will not be successfully challenged or that required changes may not materially affect Orthodontix' business, financial condition and results of operations.

COMPETITION

Orthodontix anticipates facing substantial competition from other entities as Orthodontix seeks to affiliate with additional orthodontic practices. Orthodontix is aware of several practice management companies that are focused in the area of orthodontics. Additional entities may enter this market and compete with Orthodontix. Certain of these competitors have greater financial or other resources than Orthodontix.

The business of providing orthodontic services is highly competitive in each market in which the Affiliated Practices and other practices operate. Founding Practices compete with orthodontists who maintain single offices or operate a single satellite office, as well as with orthodontists that maintain group practices or operate in multiple offices. Founding Practices also compete with general dentists and pedodontists who provide certain orthodontic services, some of whom have more established practices. The provision of orthodontic services by such dentists and pedodontists has increased in recent years. There can be no assurance that Orthodontix or the Affiliated Practices will be able to compete effectively within their markets.

EMPLOYEES

Upon completion of the Practice Acquisitions and the Merger, Orthodontix will employ an aggregate of approximately 220 employees. None of Orthodontix' employees are represented by a collective bargaining agreement.

PROPERTIES

Orthodontix currently subleases, on a month to month basis, approximately 1,200 square feet of office space in Coral Gables, Florida from Guilford & Associates, P.A., a firm wholly owned by F.W. Mort Guilford, the President and Chief Operating Officer of Orthodontix, for a monthly rental amount of approximately

\$1,000. In addition to the monthly rental amount, Orthodontix is liable to pay to Guilford & Associates, P.A. Orthodontix' pro-rata share of office expenses. Upon consummation of the Merger, it is presently anticipated that Orthodontix shall rent approximately 3,000 square feet of office space in the Miami-Dade County, Florida area. In addition, upon consummation of the Practice Acquisitions, Orthodontix will become obligated under 41 separate lease agreements relating to the office space of the Founding Practices.

INTELLECTUAL PROPERTY

Orthodontix has not applied for or obtained any registrations of its trademarks or service marks. Orthodontix is aware of one other orthodontic practice management company in the United States that uses, in part the name "Orthodontix." There can be no assurances that actions taken by Orthodontix will be adequate to protect Orthodontix' intellectual property rights, if any.

LITIGATION AND INSURANCE

Orthodontix does not have any pending litigation. The Affiliated Practices provide orthodontic services to the public and are exposed to the risk of professional liability and other claims. Such claims, if successful, could result in substantial damage awards to the claimants that may exceed the limits of any applicable insurance coverage. Although Orthodontix does not control the practice of orthodontics by the Affiliated Practices, it could be asserted that Orthodontix should be held liable for malpractice of an Affiliated Orthodontist.

Orthodontix intends to maintain general liability insurance for itself and on behalf of the Affiliated Practices and it is anticipated that, where permitted by applicable law and insurers, Orthodontix will be named as an additional insured under the policies of the Affiliated Practices. There can be no assurance that any claims against Orthodontix or any of the Affiliated Practices will not be successful, or if successful, will not exceed the limits of available insurance coverage or that such coverage will continue to be available at acceptable rates.

ANTICIPATED EMPLOYMENT ARRANGEMENTS

Upon consummation of the Merger it is currently anticipated that Dr. Grussmark, Mr. Guilford, and Mr. Alfonso will become Embassy's Chief Executive Officer and Chief Clinical Officer; President and Chief Operating Officer; Chief Financial Officer, Vice President -- Operations, Treasurer and Secretary, respectively. Immediately following the Merger, it is contemplated that Dr. Grussmark, an Affiliated Orthodontist, will not receive a salary in his capacity as Chief Executive Officer but will be provided with health insurance benefits for himself and his dependants. Further, Dr. Grussmark's responsibilities will include business development and acting as a liaison between Embassy and the orthodontic practices. It is not anticipated that Dr. Grussmark will be involved in the day to day operations of Embassy following the Merger. Upon consummation of the Merger, it is anticipated that Messrs. Guilford and Alfonso will receive base annual salaries of \$80,000 and \$70,000, respectively, as well as be provided with health insurance benefits for themselves and their dependents. It is presently anticipated that Messrs. Guilford and Alfonso shall enter into written employment agreements with Embassy subsequent to the Effective Date. Orthodontix is currently in the process of interviewing several candidates to replace Mr. Alfonso as Chief Financial Officer. Upon the retention of a Chief Financial Officer, it is contemplated that Mr. Alfonso will retain his other executive officer positions with Orthodontix but will resign from the Chief Financial Officer position.

In addition, Mr. Guilford will be granted the option for a period of five years from the Effective Date, to purchase at a per share purchase price equal to the Average Price 150,000 shares. Richard L. Alfonso, Vice President -- Operations of Orthodontix, will be granted on the Effective Date the option to purchase at a per share purchase price equal to the Average Price 25,000 shares (the "Alfonso Options"), 20% of which shares may be purchased commencing on the Effective Date through the date which is 60 months from the Effective Date (the "60 Month Date"), an additional 20% of which may be purchased commencing on the date which is 12 months from the Effective Date through the 60 Month Date, an additional 20% of which may be purchased commencing on the date which is 24 months from the Effective Date through the 60 Month Date, an additional 20% of which may be purchased commencing on the date which is 36 months from the Effective Date through the 60 Month Date, and the remainder of which may be purchased commencing on the date which is 48 months from the Effective Date through the 60 Month Date. In the event Mr. Alfonso resigns or is terminated for cause by Orthodontix from his employment with Orthodontix, the Alfonso Options shall terminate.

CERTAIN TRANSACTIONS RELATING TO ORTHODONTIX

Orthodontix has met its cash requirements in its developmental stage from bank financing and from personal loans made by F.W. Mort Guilford (the "Guilford Loans"). In July 1997, Orthodontix obtained a credit facility from a bank which enables Orthodontix to borrow up to \$500,000 for working capital purposes (the "Bank Credit Facility"). The repayment obligations of Orthodontix under the Bank Credit Facility have been secured by the pledge of certain collateral by Dr. Dresnick. The Guilford Loans and the borrowings under the Bank Credit Facility bear interest at the prime rate plus 1%. As of March 20, 1998, the amounts outstanding under the Guilford Loans and the Bank Credit Facility are approximately \$331,000 and \$487,000, respectively. The amounts outstanding under the Guilford Loans are contemplated to be satisfied in full upon the Effective Date with the working capital of Embassy. In February 1998, Stephen Grussmark, D.D.S., M.S.D., the Chief Executive Officer and Chief Clinical Officer of Orthodontix, loaned to the Orthodontix \$100,000 (the "Grussmark Loan"). The Grussmark Loan bears interest at the prime rate plus 1%. The amounts outstanding under the Grussmark Loan are contemplated to be satisfied in full upon the Effective Date with the working capital of Embassy.

Concurrently with the closing of the Merger, Orthodontix will consummate the Practice Acquisitions pursuant to which it will acquire certain operating assets of 27 separate Founding Practices in exchange for cash and shares of Embassy Common Stock and enter into long-term practice management services

agreements with the Founding Practices. The acquisition of each of the Founding Practices was individually negotiated between Orthodontix and each Founding Practice with respect to all material terms, including without limitation, valuation. The aggregate consideration to be paid to the Founding Practices is approximately \$22.1 million, consisting of 2,187,940 shares of Embassy Common Stock at a price of \$8.5625 per share and \$3.4 million in cash, all of which is payable upon the closing of the Practice Acquisitions. The aggregate consideration to be paid for the Founding Practices will not change; however, the actual number of shares of Embassy Common Stock issued to the Founding Practices will increase or decrease depending upon the average of the closing bid and ask price, as reported on the OTC Bulletin Board, of Embassy Common Stock for the 15 trading days immediately preceding the date of the closing of the Practice Acquisitions (the "Average Price"). The exact number of shares will be determined by dividing \$18.7 million by the Average Price.

Dr. Grussmark, who will become an officer and a director of Embassy at the closing of the Merger, will receive 102,774 shares of Embassy Common Stock and \$220,000 in cash as a result of the Practice Acquisitions. The analysis used to determine the consideration to be paid to Dr. Grussmark in connection with the sale of his orthodontic practice is consistent with the analysis used to calculate the consideration to be paid in the other Practice Acquisitions.

Attorneys in the law firm of Berman Wolfe & Rennert, P.A., counsel to Embassy, are shareholders of Embassy and Orthodontix. Berman Wolfe & Rennert, P.A. has provided legal services in the past to Orthodontix. Upon closing of the Merger, attorneys in Berman Wolfe & Rennert, P.A. shall own, in the aggregate, 104,567 shares of Common Stock of Embassy and options to acquire 50,000 shares of Embassy Common Stock. Jack Greenman, advisor to Orthodontix, is a shareholder of Embassy and Orthodontix and has provided services in the past to Orthodontix. Upon closing of the Merger, Mr. Greenman shall own, in the aggregate, 69,712 shares of Common Stock of Embassy and options to acquire 50,000 shares of Embassy Common Stock. "PROPOSAL 1 -- THE MERGER -- Interest of Certain Persons in the Merger."

- (1) As used herein, "beneficial ownership" means the sole or shared power to vote, or direct the voting of, a security, or the sole or shared power to dispose, or direct the disposition, of a security. Except as otherwise indicated, all persons named herein and therein have (i) sole voting power and investment power with respect to their shares of Orthodontix Common Stock, except to the extent that authority is shared by spouses under applicable law; and (ii) record and beneficial ownership with respect to their shares of Orthodontix Common Stock. For purposes of this table, beneficial ownership is computed pursuant to Rule 13d-3 under the Securities Exchange Act of 1934, as amended, (the "Exchange Act"); the inclusion of shares as beneficially owned should not be construed as an admission that such shares are beneficially owned for purposes of the Exchange Act. BUSINESS OF EMBASSY

Embassy was formed in November 1995 to serve as a vehicle to effect a merger, exchange of capital stock, asset acquisition or other similar business combination (a "Business Combination") with an operating business (an "Acquired Business"). Embassy's business objective has been to seek a Business Combination with an Acquired Business which Embassy believes has growth potential. In April 1996, Embassy successfully consummated an initial public offering of its equity securities ("IPO") from which it derived net proceeds of approximately \$7,052,000 (the "Net Proceeds"). Approximately 90% of the Net Proceeds (inclusive of interest earned thereon, less operating expenses to date) is presently held in escrow pending the consummation of a Business Combination and will be released to Embassy upon consummation of the Merger. The balance of the Net Proceeds is currently held by Embassy, less operating expenses to date. Embassy's executive offices are located at 1428 Brickell Avenue, Suite 105, Miami, Florida 33131; its telephone number is (305)374-6700.

Embassy is not presently a party to any material litigation nor to the knowledge of management of Embassy is any such litigation presently threatened.

Under the rules of the Securities and Exchange Commission a person is deemed to be a "beneficial owner" of a security if he or she has or shares the power to vote or direct the voting of such security or the power to dispose of or direct the disposition of such security. Accordingly, more than one person may be deemed to be a beneficial owner of the same security. Shares of Common Stock subject to options to be held by persons listed in the table that are exercisable within 60 days of the closing of the Merger are deemed beneficially owned by such person and outstanding for the purposes of computing such person's beneficial ownership and to the extent held by officers and directors listed in the table, the beneficial ownership of all directors and executive officers beneficial ownership as a group. 2,540,000 shares of Common Stock of Embassy were outstanding as of the close of business on the date of this Proxy Statement/Prospectus. DESCRIPTION OF EMBASSY'S SECURITIES

GENERAL

Embassy is authorized to issue 100,000,000 shares of Common Stock, par value \$.0001 per share. As of

the date hereof, 2,540,000 shares of Embassy Common Stock are outstanding, held of record by 46 persons. If approved by the Embassy Shareholders, Embassy will be authorized to issue 100,000,000 shares of Preferred Stock, par value \$.0001 per share.

COMMON STOCK

The holders of Embassy Common Stock are entitled to one vote for each share held of record on all matters to be voted on by shareholders. There is no cumulative voting with respect to the election of Directors, with the result that the holders of more than 50% of the shares voted for the election of Directors can elect all of the Directors. The holders of Embassy Common Stock are entitled to receive dividends when, as and if declared by the Board of Directors out of funds legally available therefor. In the event of liquidation, dissolution or winding up of Embassy, the holders of Embassy Common Stock (except for the existing shareholders who have agreed to waive their rights to share in any distribution relating to a liquidation of Embassy due to the failure of Embassy to effect the Merger by October 1, 1998), are entitled to share ratably in all assets remaining available for distribution to them after payment of liabilities and after provision has been made for each class of stock, if any, having preference over the Embassy Common Stock. Holders of shares of Embassy Common Stock, as such, have no conversion, preemptive or other subscription rights, and there are no redemption provisions applicable to the Embassy Common Stock. All of the outstanding shares of Embassy Common Stock are, and the shares of Embassy Common Stock issuable in the Merger, when delivered in accordance with the terms of the Merger Agreement, will be, fully paid and nonassessable.

PREFERRED STOCK

Embassy's proposed Restated Articles authorizes the issuance of 100,000,000 shares of preferred stock (the "Preferred Stock") with such designation, rights and preferences as may be determined from time to time by the Embassy Board. Accordingly, the Embassy Board is empowered, without shareholder approval, to issue Preferred Stock with dividend, liquidation, conversion, voting or other rights which could adversely affect the voting power or other rights of the holders of Embassy Common Stock. The Preferred Stock could be utilized, under certain circumstances, as a method of discouraging, delaying or preventing a change in control of Embassy subsequent to the Effective Date of the Merger. Although Embassy does not currently intend to issue any shares of Preferred Stock, there can be no assurance that Embassy will not do so subsequent to the consummation of the Merger.

Embassy does not presently intend to pay any cash dividends for the foreseeable future as all available cash will be utilized to further the growth of Embassy business subsequent to the Effective Date of the Merger for the proximate future thereafter. The payment of any subsequent cash dividends will be in the discretion of the Embassy Board and will be dependent upon Embassy's results of operations, financial condition, contractual restrictions and other factors deemed relevant by the Embassy Board.

TRANSFER AGENT

The transfer agent for the Embassy Common Stock is American Stock Transfer & Trust Company, 40 Wall Street, New York, New York 10005.

UNDERWRITER WARRANTS

In connection with Embassy's IPO, Embassy sold to Barron Chase Securities, Inc., for nominal consideration, warrants to purchase up to 120,000 shares of Common Stock, par value \$.0001 per share of Embassy (the "Underwriter Warrants"). The Underwriter Warrants are exercisable at \$7.80 per share (the "Exercise Price") for a period of five years commencing on April 2, 1996. The Underwriter Warrants contain anti-dilution provisions providing for adjustment of the Exercise Price upon the occurrence of certain events including the issuance of shares of Embassy Common Stock or other securities convertible into or exercisable for shares of Embassy Common Stock at a price per share less than the Exercise Price, or in the event of any recapitalization, reclassification, stock dividend, stock split, stock combination or similar transaction.

Embassy also agreed at the time of the issuance of the Underwriter Warrants to use its best efforts to maintain an effective registration statement with respect to the Underwriter Warrants and the underlying Embassy Common Stock. In addition, the Underwriter Warrants granted to the holders thereof certain "piggyback" and "demand" rights with respect to the registration under the Securities Act of the securities issuable upon exercise of the Underwriter Warrants.

COMPARISON OF RIGHTS OF EMBASSY SHAREHOLDERS
AND ORTHODONTIX SHAREHOLDERS

On the Effective Date, Orthodontix Shareholders will automatically become Embassy Shareholders, and their rights as shareholders will be governed by applicable Florida law, the Embassy Articles of Incorporation and Embassy Bylaws. Holders of Embassy Common Stock immediately prior to the Effective Date will continue as Embassy Shareholders subsequent to the Effective Date, and although their ownership in Embassy will suffer significant dilution, their rights as Embassy Shareholders will remain substantially unchanged and will continue to be governed by applicable Florida law, the Embassy Articles of Incorporation, as amended, and the Embassy Bylaws from and after the Effective Date. As both Embassy and Orthodontix are incorporated under the laws of the State of Florida, each of Embassy and Orthodontix are governed by Florida law. The following sets forth the rights of an Embassy Shareholder under Embassy's Articles of Incorporation.

Embassy's Articles of Incorporation provide, among other things, that (i) officers and directors of Embassy will be indemnified to the fullest extent permitted under Florida law; and (ii) Embassy has elected not to be governed by Sections 607.0901 and 607.0902 of the Florida Business Corporation Act and other laws relating thereto (the "Anti-Takeover Sections").

As a result of Embassy's election not to be governed by the Anti-Takeover Sections, Embassy will not be subject to the provisions of Florida law which provides that certain transactions between Embassy and an "interested shareholder" or any affiliate of the "interested shareholder" be approved by two-thirds of Embassy's outstanding shares. An "interested shareholder" as defined in Section 607.0901 of the Florida Business Corporation Act is any person who is the beneficial owner of more than 10% of the outstanding shares of Embassy who is entitled to vote generally in the election of directors. Since neither Orthodontix nor any of its shareholders own 10% or more of the outstanding Embassy Common Stock, these provisions of the Anti-Takeover Sections would, nevertheless, not impact the Merger or the required role thereon. In addition, because of Embassy's election not to be governed by the Anti-Takeover Sections, Embassy will not be subject to the provisions of Florida law which provide that a person who acquires shares in an issuing public corporation in excess of certain specified thresholds will generally not have any voting rights with respect to such shares unless the voting rights are approved by a majority of the shares entitled to vote, excluding the interested shares.

LEGAL MATTERS

The validity of the Embassy Common Stock offered hereby will be passed upon on behalf of Embassy by Berman Wolfe & Rennert, P.A., Miami, Florida. Berman Wolfe & Rennert, P.A. has provided legal services in the past to Orthodontix. Upon closing of the Merger, attorneys in Berman Wolfe & Rennert, P.A. shall own, in the aggregate, 104,567 shares of Common Stock of Embassy and options to acquire 50,000 shares of Embassy Common Stock.

UNAUDITED PRO FORMA BALANCE SHEET

The unaudited pro forma balance sheet dated September 30, 1997 of Orthodontix, Inc. (the "Company") has been prepared as if (a) the acquisition by the Company of certain assets and assumption of certain liabilities of 27 orthodontic practices (the "Founding Practices") for consideration consisting of a combination of cash and shares of its common stock, par value \$.0001 per share (the "Common Stock"), and the execution of agreements to provide management services to the Founding Practices (collectively, the "Acquisitions") and (b) the merger and recapitalization of the Company with and into Embassy Acquisition Corp. ("Embassy") in exchange for Embassy common stock (the "Merger Transaction") all had been completed and those transactions had occurred on September 30, 1997. The Acquisition and the Merger Transaction are each contingent on the occurrence of the other.

The Company will not employ orthodontic professionals or control the practice of orthodontics by the orthodontists. As the Company will not be acquiring the future patient revenues to be earned by the Founding Practices, the Acquisitions are not deemed to be business combinations. In accordance with the Securities and Exchange Commission's Staff Accounting Bulletin No. 48, "Transfers of Nonmonetary Assets by Promoters or Shareholders," the Acquisitions will be accounted for at their historical cost basis with the shares of Common Stock to be issued in the Acquisitions being valued at the historical net book value of the nonmonetary assets acquired, net of liabilities assumed.

The Merger Transaction will be treated as a capital transaction equivalent to the issuance of stock by the Company for the net monetary assets of Embassy accompanied by a recapitalization.

The unaudited pro forma balance sheet has been prepared by the Company based on the unaudited historical financial statements of the Company and Embassy included elsewhere in this Prospectus, including the unaudited combined financial information of the Founding Practices included in the notes to the Company's financial statements, and assumptions deemed appropriate by the Company.

(A DEVELOPMENT STAGE CORPORATION)

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1996

(INFORMATION AS OF SEPTEMBER 30, 1997 AND FOR THE NINE MONTHS ENDED SEPTEMBER 30, 1997 IS UNAUDITED)

1. ORGANIZATION

Embassy Acquisition Corp. (the "Company") was incorporated in the State of Florida on November 30, 1995 for the purpose of raising capital and to seek to effect a merger, exchange of capital stock, asset acquisition or other similar business combination (a "Business Combination") with an operating business, which the Company believes has significant growth potential. The Company had no operations from November 30, 1995, date of inception, to December 31, 1995. The Company is currently in the development stage. On April 2, 1996, the Company's Registration Statement (the "Registration Statement") on Form SB-2 was declared effective by the U.S. Securities and Exchange Commission. Pursuant to the Registration Statement the Company, in its initial public offering of securities, offered and sold 1,380,000 shares of its common stock, \$.0001 par value, at a purchase price of \$6 per share (the "Offering"). Proceeds totaled \$7,052,263, which was net of \$1,227,737 in underwriting and other expenses (the "Net Proceeds").

In connection with the Offering, the Company sold to the managing underwriter (the "Underwriter") and its designees, for total consideration of \$10, stock purchase options ("the "Underwriter Options") to purchase up to 120,000 shares of the Company's common stock at an exercise price of \$7.80 per share. The Underwriter Options will be exercisable for a period of five years from the effective date of the Company's Registration Statement. The Company has also agreed to certain registration rights with respect to the shares underlying the Underwriter Options.

The Offering can be considered a "blind pool/blank check" offering which is characterized by an absence of substantive disclosures related to the use of the Net Proceeds of the Offering. Consequently, although substantially all of the Net Proceeds of the Offering are intended to be utilized to effect a Business Combination, the Net Proceeds are not being designated for a specific Business Combination at this time.

In accordance with the Offering, 90% of the Net Proceeds therefrom were placed in an interest bearing escrow account (the "Escrow Fund") subject to the earlier of (i) written notification by the Company of its need for all or substantially all of the Escrow Fund for the purpose of implementing a Business Combination, (ii) the exercise by certain shareholders of the Redemption Offer, as hereinafter defined, or (iii) the expiration of no more than 30 months from the date of the Offering.

Amounts in the Escrow Fund, including interest earned thereon, are prohibited from being used for any purpose other than a Business Combination. Such amounts are included in restricted cash at December 31, 1996.

The Company, prior to the consummation of any Business Combination, will submit such transaction to the Company's stockholders for their approval. In the event, however, that the holders of 30% or more of the shares sold in the Offering which are outstanding (the "Public Stockholders") vote against approval on any Business Combination, the Company will not consummate such Business Combination. All of the officers and directors of the Company, who own in aggregate 30.7% of the common stock outstanding, have agreed to vote their respective shares of common stock in accordance with the vote of the Public Stockholders with respect to any such Business Combination.

At the time the Company seeks stockholder approval of any potential Business Combination, the Company will offer (the "Redemption Offer") to each of the Public Stockholders the right, for a specified period of time of not less than 20 days, to redeem all, but not a portion of, their shares of common stock at a per share price equal to the Company's liquidation value on the record date for determination of stockholders entitled to vote upon the proposal to approve such Business Combination (the "Record Date") divided by the number of shares held by all of the Public Stockholders. The Company's liquidation value will be equal to the Company's book value, as determined by the Company (the "Company's Liquidation Value"), calculated as

EMBASSY ACQUISITION CORP.
(A DEVELOPMENT STAGE CORPORATION)

NOTES TO FINANCIAL STATEMENTS -- (CONTINUED)

of the Record Date. In no event, however, will the Company's Liquidation Value be less than the Escrow Fund, inclusive of any net income thereon. If holders of less than 30% of the shares held by the Public Stockholders elect to have their shares redeemed, the Company may, but will not be required to, proceed with such Business Combination. If the Company elects to so proceed, it will redeem shares, based upon the Company's Liquidation Value, from those Public Stockholders who affirmatively requested such redemption and who voted against the Business Combination. If the holders of 30% or more of the shares held by the Public Stockholders vote against approval of any potential Business Combination, the Company will not proceed with such Business Combination and will not redeem such shares. The Escrow Fund will be released to stockholders voting against a Business Combination only if such proposed Business Combination is consummated.

As a result of its limited resources, the Company will, in all likelihood, have the ability to effect only a single Business Combination. Accordingly, the prospects for the Company's success will be entirely dependent upon the future performance of a single business.

The Company has not and will not receive any revenues, other than interest income, until, at the earliest, the consummation of a Business Combination. Although the Company believes that the Net Proceeds will be sufficient to effect a Business Combination, the Company has not yet identified any prospective business candidates. Accordingly, the Company cannot ascertain with any degree of certainty the capital requirements for any particular transaction. In the event that the Net Proceeds prove to be insufficient for purposes of effecting a Business Combination, the Company will be required to seek additional financing. In the event no Business Combination is identified, negotiations are incomplete or no Business Combination has been consummated, and all of the Net Proceeds other than the Escrow Fund have been expended, the Company currently has no plans or arrangements with respect to the possible acquisition of additional financing which may be required to continue the operations of the Company.

Furthermore, there is no assurance that the Company will be able to successfully effect a Business Combination. In the event that the Company does not effect a Business Combination within 24 months (or in certain circumstances 30 months) from the date of the consummation of the Offering, the Company will submit to the stockholders a proposal to liquidate the Company. If the proposal is approved by a majority of the Public Stockholders, the Company will distribute to the Public Stockholders, in proportion to their respective equity interest in the Company, an aggregate sum equal to the Company's Liquidation Value.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Cash and Cash Equivalents. Cash and cash equivalents are defined as all highly liquid financial instruments with maturities of 90 days or less at the date of purchase. The Company maintains its cash and cash equivalents which consist principally of demand deposits and repurchase agreements with one financial institution.

Restricted Cash and Cash Equivalents. Ninety percent of the Net Proceeds were placed in the Escrow Fund, as described above. As of December 31, 1996, there was \$6,566,206 in the Escrow Fund which was invested in United States government-backed securities with maturities of 90 days or less at the date of purchase.

Common Stock Subject to Redemption. In the event that the Company does not successfully effect a Business Combination within 24 months (or in certain circumstances 30 months) from the date of consummation of the Offering, the Company will submit a proposal to liquidate the Company. If such proposal is approved, the Company will distribute the Company's Liquidation Value to the Public Stockholders. Since the Company may be required to refund all available equity to the Public Stockholders, such

EMBASSY ACQUISITION CORP.
(A DEVELOPMENT STAGE CORPORATION)

NOTES TO FINANCIAL STATEMENTS -- (CONTINUED)

amounts have been classified in the accompanying balance sheet as common stock subject to redemption. Periodic changes in the Liquidation Value are reflected as adjustments to stockholders' equity.

Fair Value of Financial Instruments. The carrying amount of cash and cash equivalents, restricted cash and cash equivalents and accrued expenses approximate fair value due to the short maturities of these items.

Use of Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

Net Income Per Share. Net income per share is calculated by dividing net income by the weighted average number of common and common equivalent shares outstanding during the period. Common stock subject to redemption is treated as common shares for purposes of calculating net income per share. Common equivalent shares consist of the Underwriter Options which are not considered in the calculation of net income per share since the impact of such is antidilutive.

Recent Accounting Pronouncements. In February 1997, Statement of Financial Accounting Standards ("SFAS") No. 128, "Earnings Per Share" was issued. SFAS No. 128 establishes new standards for computing and presenting earnings per share ("EPS"). This statement replaces the presentation of primary EPS and will require a dual presentation of basic and diluted EPS. SFAS No. 128 is effective for financial statements issued for periods ended after December 15, 1997 and requires restatement of all prior-period EPS data presented. The Company does not believe the adoption of SFAS No. 128 will have a material impact on the Company's financial statements when adopted.

3. COMMON STOCK

The Company's Articles of Incorporation authorize the issuance of 100,000,000 shares of common stock. The Company's Board of Directors has the power to issue any or all of the authorized but unissued common stock without stockholder approval. The Company currently has no commitments to issue any shares of common stock; however, the Company will, in all likelihood, issue a substantial number of additional shares in connection with a Business Combination. To the extent that additional shares of common stock are issued, dilution of the interests of the Public Stockholders may occur.

4. RELATED PARTIES

None of the Net Proceeds have been nor will be used to pay any compensation to the Company's officers or directors. In addition, no funds, including interest earned thereon, have been nor will be disbursed from the Escrow Fund for the reimbursement of expenses incurred on the Company's behalf by the Company's officers and directors.

Currently, the officers and directors and the other non-public stockholders own 30.7% and 15.0%, respectively, of the issued and outstanding shares of the Company's common stock.

5. INCOME TAXES

The Company is a C Corporation under the provisions of the Internal Revenue Code and related state income tax statutes.

6. INTERIM FINANCIAL INFORMATION

Interim Unaudited Financial Statements. The financial statements as of September 30, 1997 and for the three and nine months ended September 30, 1997 and 1996 are unaudited; however, in the opinion of management, all adjustments (consisting of normal recurring adjustments) necessary for a fair presentation of the unaudited financial statements for this interim period have been included. The results of interim periods are not necessarily indicative of the results of operations to be obtained for the full year.

On May 6, 1997, the Company entered into a letter of intent with Orthodontix, Inc., a Florida corporation ("Orthodontix"), regarding a business combination of the Company or a newly formed wholly-owned subsidiary and Orthodontix (the "Transaction"). The intended principal business activity of Orthodontix is providing practice management services to orthodontic practices. Orthodontix has conducted no operations to date other than in connection with its agreements to acquire certain assets, assume certain liabilities, and provide long-term management services to certain orthodontic practices (the "Practices") in exchange for cash and shares of common stock (the "Practice Acquisitions").

On August 29, 1997, the Company and Orthodontix amended the terms of the Letter of Intent to provide that either party can terminate the Letter of Intent if a definitive agreement had not been executed by October 30, 1997. The Letter of Intent had previously provided that either party could terminate the Letter of Intent if a definitive agreement regarding the Transaction had not been executed by August 30, 1997. As of October 30, 1997, the Company and Orthodontix entered into an Agreement and Plan of Merger and Reorganization (the "Agreement") regarding the Transaction. Pursuant to the Agreement, the parties shall engage in the Transaction, which at the closing of the Transaction (the "Closing") will result in Orthodontix becoming a wholly owned subsidiary corporation of the Company in exchange for that number of shares of Common Stock of the Company (the "Merger Stock") representing approximately 56% of the Company's outstanding shares of Common Stock after giving effect to the Transaction but without giving effect to any

options or warrants to acquire shares of Common Stock which are contemplated to be outstanding at the Closing. The actual number of shares to be issued in connection with the Transaction is subject, in part, to the average of the closing bid and ask price, as reported on the OTC Electronic Bulletin Board or similar quotation board of the Company's shares of Common Stock for the 15 trading days immediately preceding the date of the Closing (the "Share Value").

Pursuant to the terms of the Agreement, the recipients of 1,300,000 shares of the Merger Stock (approximately 23% of the Company's outstanding shares of Common Stock after giving effect to the Transaction, assuming an Embassy Share Value of \$8.00 per share) and the shares of Merger Stock to be issued in connection with the Practice Acquisitions (approximately 33% of Embassy's outstanding shares of Common Stock after giving effect to the Transaction assuming an Embassy Share Value of \$8.00 per share), respectively, have agreed, for a period of 15 months and six months, respectively, from the date of the Closing, not to make any offer, sale or disposition of any of the Merger Stock to be issued to them in connection with the Transaction. The Transaction is contemplated to be tax-free to the Company and its shareholders.

Based on information received from Orthodontix, at the Closing, Orthodontix shall provide practice management services to approximately 24 orthodontic practices, which practices generate gross revenue of approximately \$16 million annually.

The Closing is subject to, among other conditions, the closing of the Transaction by April 1, 1998 (unless that date is extended by mutual agreement of the parties), approval of the Transaction by the shareholders of the Company and Orthodontix, certain regulatory and third party approvals and consents, and the closing of the Practice Acquisitions. There can be no assurance that the proposed Transaction will be consummated on these or any other terms.

Based upon the price per share of the common stock of the Company as of October 30, 1997, at the closing of the Practice Acquisitions (assuming the Practice Acquisitions represent orthodontic practices totaling \$16 million of revenue) and the Transaction, the Company would be obligated to issue approximately 3.3 million shares of Common Stock and expend up to approximately \$3.0 million in consideration for the Transaction. The Company currently has outstanding 2,540,000 shares of Common Stock and warrants entitling the holder to purchase an additional 120,000 shares of Common Stock. Upon effectiveness of the Transaction, the Company will change its name to "Orthodontix, Inc.," Stephen J. Dresnick, M.D., a member of the Company's Board of Directors, President and Chief Executive Officer of Sterling Healthcare Group, Inc. and Vice Chairman of the Board of FPA Medical Management, Inc. and Glenn Halpryn, Chairman of the Company would continue to be members of the Board of Directors of the Company with Dr. Dresnick assuming the role of Chairman of the Company. There can be no assurance that the proposed Transaction will be consummated on these or any other terms.

ORTHODONTIX, INC.
(A DEVELOPMENT STAGE CORPORATION)

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1996
(INFORMATION AS OF SEPTEMBER 30, 1997 AND FOR THE NINE MONTHS
ENDED SEPTEMBER 30, 1997 IS UNAUDITED)

1. BUSINESS AND ORGANIZATION

Orthodontix, Inc. (the "Company") was incorporated in the State of Florida on August 14, 1996 for the purpose of creating a practice management services company to manage orthodontic practices in the United States. The Company has had no operations to date except seeking affiliations with orthodontic practices, negotiating to acquire the tangible assets of those practices, and negotiating agreements to provide management services to those practices. (See Notes 3 and 6).

The financial statements have been prepared on the basis that the proposed transactions will occur, although no assurance can be made that the proposed transactions described in Notes 3 and 6 will be completed or that the Company will be successful in completing future acquisitions. The Company intends to expand through the acquisition of management rights to practices throughout the United States. In order to expand, the Company will need further acquisition financing in the form of debt or equity financing. There can be no assurance that such financing will be available.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Income Taxes. The Company utilizes the liability method of accounting for income taxes. Under this method, deferred taxes are determined based on differences between the financial reporting and tax bases of assets and liabilities and are measured using the enacted marginal tax rates currently in effect when the differences reverse.

As reflected in the accompanying statement of operations, the Company incurred a net loss of \$74,175 during the period from its inception, August 14, 1996 through December 31, 1996. The Company has recognized no tax benefit from this loss. Due to the limited operations of the Company since its inception, a valuation allowance has been established to offset the deferred tax asset related to these losses that have been capitalized for tax purposes. There is no other significant difference in the tax and book bases of the Company's assets or liabilities that would give rise to deferred tax balances.

Use of Estimates. The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates.

Advertising. Costs incurred for advertising are expensed when incurred.

Net Loss Per Share. Net loss per share is calculated by dividing net loss for the period by the weighted average number of common shares outstanding during the period.

Recent Pronouncements. In February 1997, Statement of Financial Accounting Standards ("SFAS") No. 128, "Earnings Per Share" was issued. SFAS No. 128 establishes new standards for the computation, presentation and disclosure requirements of earnings per share ("EPS") and replaces Accounting Principles Board Opinion No. 15, "Earnings per Share." This statement replaces the presentation of primary EPS and will require a dual presentation of basic and diluted EPS. Basic EPS excludes the impact of common stock equivalents. Diluted EPS utilizes the average market price per share as opposed to the greater of the average market price or ending market price per share when applying the treasury stock method in determining common stock equivalents. SFAS No. 128 is effective for both interim and annual periods ending after December 15, 1997.

ORTHODONTIX, INC.
(A DEVELOPMENT STAGE CORPORATION)

NOTES TO FINANCIAL STATEMENTS -- (CONTINUED)

Fair Value of Financial Instruments. The carrying value of cash, accounts payable, accrued expenses and amounts due to shareholder approximates fair values principally because of the short-term maturities of these instruments.

Recent Pronouncements. In November 1997, the Emerging Issues Task Force of the FASB (the "EITF") reached a consensus relating to the conditions under which a physician practice management company would consolidate the accounts of an affiliated physician practice. The Company believes that its accounting policies conform to the EITF consensus.

Interim Unaudited Financial Statements. The financial statements as of September 30, 1997 and for the nine months ended September 30, 1997 are unaudited; however, in the opinion of management, all adjustments (consisting of normal recurring adjustments) necessary for a fair presentation of the unaudited financial statements for this interim period have been included. The results of interim periods are not necessarily indicative of the results of operations to be obtained for the full year.

3. PLANNED TRANSACTIONS

The Company plans to complete, through a series of mergers and asset transfers, the acquisition of certain assets and assumption of certain liabilities of 27 orthodontic practices (the "Founding Practices") (collectively the "Affiliations Acquisitions"). Owners of the Founding Practices (the "Promoters") will receive shares of common stock and cash as consideration in the Affiliations Acquisitions. In connection with the Affiliations Acquisitions, the Promoters selling orthodontists and their professional corporations or other entities (collectively, the "PCs") will enter into long-term service agreements with the Company. Additionally, those Promoters orthodontists will enter into employment and noncompete agreements with the PCs.

The Company will not employ orthodontists or control the practice of orthodontics by the orthodontists employed by the PCs. The Company will be executing management service agreements and will not hold any equity ownership interest in the PCs, therefore, the Affiliations Acquisitions are deemed not to be business combinations. Because each of the owners of the Founding Practices is a Promoter of the transaction, Securities and Exchange Commission's Staff Accounting Bulletin ("SAB") No. 48, "Transfers of Nonmonetary Assets by Promoters or Shareholders" each Founding Practice will be deemed a promoter of the Merger. Pursuant to SAB No. 48, requires the transferred nonmonetary assets and assumed liabilities will be accounted for at the historical cost basis of the Founding Practices and any monetary assets assumed and any monetary liabilities included in the Affiliations Acquisitions will be recorded at fair value, and cash consideration paid in excess of net assets transferred, to be reflected as a dividend paid by the Company.

The information set forth below assumes all the Founding Practices will participate in the Affiliations Acquisitions. Although management expects that all the practices will participate, there is no assurance that will be the case.

The net assets to be transferred and the liabilities to be assumed from the Founding Practices are summarized, on a combined basis, in the following table:

NOTES TO FINANCIAL STATEMENTS -- (CONTINUED)

Upon consummation of the Affiliations Acquisitions, the Company will enter into a service agreement with each Founding Practice under which the Company will provide management services which include consultation and other activities regarding the suitability of facilities and equipment, nonprofessional staffing, regulatory compliance, productivity improvements, inventory and supplies management, information systems management, marketing services, site selection and layout, billing and financial services, malpractice insurance, and, subject to applicable law, other services as the Company deems necessary to meet the day to day requirements of the Founding Practices.

In general, the resulting fee will be based primarily on the practice's accrued revenue (the "Standard Contract"). In those instances where the Standard Contract may not be permitted by applicable law, an alternative form of agreement (the "Alternative Contract") will be used.

Founding Practices are summarized, on a combined basis, in the following tables for the year ended December 31, 1996 and the nine months ended September 30, 1997:

UNAUDITED PRO FORMA MANAGEMENT SERVICES FEES

The unaudited pro forma management service fee pursuant to the service agreements for the Founding Practices, based on the historical patient revenues set forth above is summarized in the following table for the year ended December 31, 1996 and the nine months ended September 30, 1997:

Management has concluded that the changes in the orthodontists' incentive structure are unlikely to affect the conduct of the orthodontists' practices.

4. RELATED PARTY TRANSACTIONS

The Company currently shares office space and several support employees with one of its shareholders. The shareholder has advanced the pro rata share of these costs to the Company. Such amounts which are \$8,598 and \$48,642 for the period August 14, 1996, date of inception, to December 31, 1996 and for the nine month period ending September 30, 1997, respectively, have been reflected in general and administrative expenses in the accompanying statement of operations. The Company believes that the consideration being paid to this related party reflects the fair market value of the services being provided to the Company.

One of the Company's shareholders has funded expenses of the Company from the date of inception to date. Such amounts are classified as a long-term liability in the accompanying balance sheets as the

ORTHODONTIX, INC.
(A DEVELOPMENT STAGE CORPORATION)

NOTES TO FINANCIAL STATEMENTS -- (CONTINUED)

shareholder has agreed not to demand repayment of such amounts until the Company completes the Transaction as described in Note 6.

5. CONTINGENCIES

The Company will be subject to certain government regulation at the federal and state levels. In compliance with certain regulatory requirements, the Company will not control the practice of orthodontics. Long-term service agreements may be challenged by certain states as to their legality. There can also be no assurance that the laws and regulations of the states in which the Company will maintain operations will not change or be interpreted in the future to restrict the Company's relationships with orthodontists.

Although the Company will not employ orthodontists or control the practice of orthodontists, the Company intends to acquire certain liability insurance for itself since the orthodontists may be subject to legal liability suits while under service agreement with the Company.

6. SUBSEQUENT EVENT

On May 6, 1997, the Company entered into a letter of intent with Embassy Acquisition Corp., a Florida corporation ("Embassy"), regarding a business combination of the Company and Embassy (the "Transaction").

Embassy was formed in November 1995 to serve as a vehicle to effect a merger, exchange of capital stock, asset acquisition or other similar business combination with an operating company. In April 1996, Embassy consummated an initial public offering of its equity securities from which it derived net proceeds of approximately \$7.1 million of which \$6.8 million was held in escrow at September 30, 1997 pending the consummation of a business combination. Embassy has conducted no operations to date other than in connection with its efforts to effect a business combination.

As of October 30, 1997, the Company and Embassy entered into an Agreement and Plan of Merger and Reorganization (the "Agreement") regarding the Transaction. Pursuant to the Agreement, the parties shall engage in the Transaction, which at closing will result in the Company becoming a wholly owned subsidiary corporation of Embassy. The Transaction will be treated as a capital transaction equivalent to the issuance of stock by the Company for the net monetary assets of Embassy accompanied by a recapitalization.

Concurrently with the consummation of the Merger, the Company will exchange cash and shares of Embassy common stock for certain assets and liabilities of the Founding Practices as discussed in Note 3.

In July 1997, the Company entered into a loan agreement with a bank for a \$500,000 line of credit to fund the Company's permanent working capital. The Company may borrow, repay and reborrow from time to time as long as the total indebtedness does not exceed the principal amount. All amounts outstanding are due and payable on demand. The line of credit will accrue interest, payable monthly, on the unpaid balance at the LIBOR market index rate plus 2% (7.6250% at September 30, 1997). As of September 30, 1997, the Company had approximately \$314,000 available under the line of credit. A limited partnership, the sole limited partner of which is Stephen J. Dresnick, M.D., who, upon consummation of the Merger is contemplated to be the Chairman of the Company, collateralized the Company's repayment obligation under the line of credit.

AGREEMENT AND PLAN OF MERGER AND REORGANIZATION dated as of October 30, 1997 (the "Agreement") by and among Embassy Acquisition Corp., a Florida corporation ("Embassy") and Orthodontix, Inc., a Florida corporation ("Orthodontix").

R E C I T A L S

The respective Boards of Directors of Embassy and Orthodontix deem it desirable and in the best interests of their respective corporations, and of their respective shareholders, that prior to the Closing (as defined in Section 6.1), Embassy form a wholly owned subsidiary corporation, namely, Orthodontix Acquisition Corp., a Florida corporation ("Acquisition") and that at the Closing, subject to, among other things, the approval of the shareholders of Embassy and Orthodontix, Acquisition merge with and into Orthodontix; as a result of which Orthodontix will become a wholly owned subsidiary corporation of Embassy, and the holders of shares of capital stock of Orthodontix will, in the aggregate, receive the consideration hereinafter set forth (collectively, the "Merger"). Upon the terms and subject to the conditions of this Agreement, at the Effective Date (as defined in Section 2.3 of this Agreement) in accordance with the Florida Business Corporation Act ("BCA"), Acquisition shall be merged with and into Orthodontix and the separate existence of Acquisition shall thereupon cease. Orthodontix shall be the surviving corporation in the Merger and is hereinafter sometimes referred to as the "Surviving Corporation." As a result of the Merger, among other things, Orthodontix will become a wholly owned subsidiary corporation of Embassy.

NOW, THEREFORE, in consideration of the terms, conditions, agreements and covenants contained herein, and in reliance upon the representations and warranties contained in this Agreement, the parties hereto agree as follows:

I. RECITALS; TRUE AND CORRECT

The above stated recitals are true and correct and are incorporated into this Agreement.

II. MERGER

2.1 Merger. In the manner and subject to the terms and conditions set forth herein, Embassy shall cause Acquisition to merge with and into Orthodontix, and Orthodontix shall be the surviving corporation after the Merger and shall continue to exist as a corporation created and governed by the laws of Florida.

2.2 Name Change. Upon the Closing of the Merger, Embassy shall change its name to Orthodontix, Inc. and Orthodontix, Inc. shall change its name to Orthodontix Subsidiary, Inc. (the "Name Change").

2.3 Effective Date. If all of the conditions precedent to the obligations of each of the parties hereto as hereinafter set forth shall have been satisfied or shall have been waived, the Merger shall become effective on the date (the "Effective Date") the Articles of Merger, together with Plans of Merger reflecting the Merger, shall be accepted for filing by the Secretary of State of Florida.

2.4 Securities of the Corporations. 7.9 Certain Consents. Orthodontix shall have received from First Union Bank (the "First Union Consent") (and any other applicable consents contemplated by the Embassy Disclosure Schedule) a consent in writing, in form and substance reasonably satisfactory to Embassy and its counsel, to Orthodontix's entry into this Agreement and consummation of the Merger.

7.10 Nasdaq SmallCap Market. An application to have the shares of Embassy Stock quoted for trading on the Nasdaq SmallCap Stock Market shall have been filed by Embassy.

7.11 Cash Assets. Embassy shall have cash assets of no less than \$7.2 million at the Closing, exclusive of any amounts payable in connection with the Practice Acquisitions and inclusive of any redemption amounts payable to Embassy shareholders.

VIII. CONDITIONS TO EMBASSY'S OBLIGATIONS

Embassy's obligation to consummate the closing is subject to the following conditions, any of which may be waived by Embassy in its sole discretion:

8.1 Compliance by Orthodontix. Orthodontix shall have performed and complied in all material respects with all agreements and conditions required by this Agreement to be performed or complied with prior to or on the Closing Date.

8.2 Accuracy of Orthodontix's Representations. Orthodontix's representations and warranties contained in this Agreement (including the exhibits hereto and the Embassy Disclosure Schedule) or any schedule, certificate or other instrument delivered pursuant to the provisions hereof or in connection with the transactions contemplated hereby shall be true and correct in all material respects at and as of the Closing Date (except for such changes permitted by this Agreement) and shall be deemed to be made again as of the Closing Date.

8.3 Material Adverse Change. No material adverse change shall have occurred subsequent to December 31, 1996 in the financial position, results of operations, assets, liabilities or prospects of Orthodontix taken as a whole, nor shall any event or circumstance have occurred which would result in a material adverse change in the business, assets or condition, financial or otherwise, of Orthodontix taken as a whole, within reasonable discretion of Embassy.

8.4 Litigation. No litigation seeking to enjoin the transactions contemplated by this Agreement or to obtain damages on account hereof shall be pending or, to Embassy's knowledge, be threatened.

8.5 Reorganization. The Merger shall qualify as a tax-free reorganization under Section 368 of the Code and there are no material adverse tax consequences to the Merger.

8.6 Documents. All documents and instruments delivered by Orthodontix to Embassy at the Closing shall be in form and substance reasonably satisfactory to Embassy and its counsel.

8.7 Practice Acquisitions. Immediately after the Merger has been effected, on the Effective Date, Orthodontix shall have consummated the acquisition of certain tangible and intangible assets of certain orthodontic practices, which, in the aggregate, generated no less than \$15.0 million in gross revenues for the twelve month period ended December 31, 1996 (the "Practice Gross Revenue Amount") in consideration for the delivery of cash (the "Practice Acquisition Cash Amount"); and (ii) that number of shares of Orthodontix Stock equal to the quotient obtained by (x) the difference between 1.2 times the Practice Gross Revenue Amount and the Practice Cash Amount divided by (y) the Embassy Share Value. For purposes of this calculation, the Embassy Share Value shall mean the average over a period of 15 trading days of the closing prices of Embassy Stock as reflected on the OTC Bulletin Board.

8.8 Liabilities. At the Closing Date, Orthodontix shall have no more than \$500,000 in total liabilities, exclusive of the Practice Acquisition Cash Amount.

IX. INDEMNIFICATION

9.1 By Orthodontix. Subject to Section 9.4, Orthodontix shall indemnify, defend and hold Embassy, its directors, officers, shareholders, attorneys, agents and affiliates, harmless from and against any and all losses, costs, liabilities, damages, and expenses (including legal and other expenses incident thereto) of every kind, nature and description, including any undisclosed liabilities (collectively, "Losses") that result from or arise

out of (i) the breach of any representation or warranty of Orthodontix set forth in this Agreement or in any certificate delivered to Embassy pursuant hereto; or (ii) the breach of any of the covenants of Orthodontix contained in or arising out of this Agreement or the transactions contemplated hereby.

9.2 By Embassy. Subject to Section 9.4, Embassy shall indemnify, defend, and hold Orthodontix its directors, officers, shareholders, attorneys, agents and affiliates harmless from and against any and all Losses that arise out of (i) the breach of any representation or warranty of Embassy set forth in this Agreement or in any certificate delivered to Orthodontix pursuant hereto; or (ii) the breach of any of the covenants of Embassy contained in or arising out of this Agreement or the transactions contemplated hereby.

9.3 Claims Procedure. Should any claim covered by Sections 9.1 or 9.2 be asserted against a party entitled to indemnification under this Article (the "Indemnitee"), the Indemnitee shall promptly notify the party obligated to make indemnification (the "Indemnitor"); provided, however, that any delay or failure in notifying the Indemnitor shall not affect the Indemnitor's liability under this Article if such delay or failure was not prejudicial to the Indemnitor. The Indemnitor upon receipt of such notice shall assume the defense thereof with counsel reasonably satisfactory to the Indemnitee and the Indemnitee shall extend reasonable cooperation to the Indemnitor in connection with such defense. No settlement of any such claim shall be made without the consent of the Indemnitor and Indemnitee, such consent not to be unreasonably withheld or delayed, nor shall any such settlement be made by the Indemnitor which does not provide for the absolute, complete and unconditional release of the Indemnitee from such claim. In the event that the Indemnitor shall fail, within a reasonable time, to defend a claim, the Indemnitee shall have the right to assume the defense thereof without prejudice to its rights to indemnification hereunder.

9.4 Limitations on Liability. Neither Orthodontix nor Embassy shall be liable hereunder as a result of any misrepresentation or breach of such party's representations, warranties or covenants contained in this Agreement unless and until the Losses incurred by each, as the case may be, as a result of such misrepresentations or breaches under this Agreement shall exceed, in the aggregate, \$200,000 (in which case the party liable therefor shall be liable for the entire amount of such claims, including the first \$200,000).

X. TERMINATION

10.1 Termination Prior to Closing. (a) If the Closing has not occurred by March 1, 1998, subject to a 30 day extension by Orthodontix, or any other extension as agreed by the parties (the "Termination Date"), any of the parties hereto may terminate this Agreement at any time thereafter by giving written notice of termination to the other parties; provided, however, that no party may terminate this Agreement if such party has willfully or materially breached any of the terms and conditions hereof.

(b) Prior to the Termination Date either party to this Agreement may terminate this Agreement following the insolvency or bankruptcy of the other, or if any one or more of the conditions to Closing set forth in Article VI, Article VII or Article VIII shall become incapable of fulfillment and shall not have been waived by the party for whose benefit the condition was established, then either party may terminate this Agreement.

(c) Notwithstanding anything contained herein to the contrary, Embassy acknowledges that certain of the Practice Acquisitions which in the aggregate had generated approximately no less than \$5.2 million in gross revenues for the twelve-month period ended December 31, 1996 are required to close on or prior to March 1, 1998.

10.2 Consequences of Termination. Upon termination of this Agreement pursuant to this Article X or any other express right of termination provided elsewhere in this Agreement, the parties shall be relieved of any further obligation to the others except as specified in Section 12.3. No termination of this Agreement, however, whether pursuant to this Article X hereof or under any other express right of termination provided elsewhere in this Agreement, shall operate to release any party from any liability to any other party incurred before the date of such termination or from any liability resulting from any willful misrepresentation made in connection with this Agreement or willful breach hereof.

XI. ADDITIONAL COVENANTS

11.1 Mutual Cooperation. The parties hereto will cooperate with each other, and will use all reasonable efforts to cause the fulfillment of the conditions to the parties' obligations hereunder and to obtain as promptly as possible all consents, authorizations, orders or approvals from each and every third party, whether private or governmental, required in connection with the transactions contemplated by this Agreement. Without limiting the generality of the foregoing, Orthodontix shall obtain, prior to the Closing, the consent of all of the recipients of Orthodontix Stock in connection with the Practice Acquisitions as a condition to closing the Practice Acquisitions.

11.2 Changes in Representations and Warranties of Orthodontix. Between the date of this Agreement and the Closing Date, Orthodontix shall not, directly or indirectly, except as contemplated in the Orthodontix Disclosure Schedule, enter into any transaction, take any action, or by inaction permit an event to occur, which would result in any of the representations and warranties of Orthodontix herein contained not being true and correct at and as of (a) the time immediately following the occurrence of such transaction or event or (b) the Closing Date. Orthodontix shall promptly give written notice to Embassy upon becoming aware of (i) any fact which, if known on the date hereof, would have been required to be set forth or disclosed pursuant to this Agreement and (ii) any impending or threatened breach in any material respect of any of the representations and warranties of Orthodontix contained in this Agreement and with respect to the latter shall use all reasonable efforts to remedy same.

11.3 Changes in Representations and Warranties of Embassy. Between the date of this Agreement and the Closing Date, Embassy shall not, directly or indirectly, enter into any transaction, take any action, or by inaction permit an event to occur, which would result in any of the representations and warranties of Embassy herein contained not being true and correct at and as of (a) the time immediately following the occurrence of such transaction or event or (b) the Closing Date. Embassy shall promptly give written notice to Orthodontix upon becoming aware of (i) any fact which, if known on the date hereof, would have been required to be set forth or disclosed pursuant to this Agreement and (ii) any impending or threatened breach in any material respect of any of the representations and warranties of Embassy contained in this Agreement and with respect to the latter shall use all reasonable efforts to remedy same.

XII. MISCELLANEOUS

12.1 Expenses. Orthodontix and Embassy shall each pay its own expenses incident to the negotiation, preparation and carrying out of this Agreement, including all fees and expenses of its counsel and accountants for all activities of such counsel and accountants undertaken pursuant to this Agreement, whether or not the transactions contemplated hereby are consummated.

12.2 Survival of Representations, Warranties and Covenants. All statements contained in this Agreement or in any certificate delivered by or on behalf of Orthodontix or Embassy pursuant hereto or in connection with the transactions contemplated hereby shall be deemed representations, warranties and covenants by Orthodontix or Embassy, as the case may be, hereunder. All representations, warranties and covenants made by Orthodontix and by Embassy in this Agreement, or pursuant hereto, shall survive through the Closing Date.

12.3 Nondisclosure. Embassy will not at any time after the date of this Agreement, without Orthodontix' consent, divulge, furnish to or make accessible to anyone (other than to its representatives as part of its due diligence or corporate investigation) any knowledge or information with respect to confidential or secret processes, inventions, discoveries, improvements, formulae, plans, material, devices or ideas or know-how, whether patentable or not, with respect to any confidential or secret aspects (including, without limitation, customers or suppliers) ("Confidential Information") of Orthodontix.

Orthodontix will not at any time after the date of this Agreement, without Embassy's consent (except as may be required by law), use, divulge, furnish to or make accessible to anyone any Confidential Information (other than to its representatives as part of its due diligence or corporate investigation) with respect to Embassy.

The undertakings set forth in the preceding two paragraphs of this Section 12.3 shall lapse if the Closing takes place as to Embassy and Orthodontix, but shall not lapse as to the officers and directors of Embassy, individually.

Any information, which (i) at or prior to the time of disclosure by either of Orthodontix or Embassy was generally available to the public through no breach of this covenant, (ii) was available to the public on a non-confidential basis prior to its disclosure by either of Orthodontix or Embassy or (iii) was made available to the public from a third party, provided that such third party did not obtain or disseminate such information in breach of any legal obligation to Orthodontix or Embassy, shall not be deemed Confidential Information for purposes hereof, and the undertakings in this covenant with respect to Confidential Information shall not apply thereto.

12.4 Succession and Assignments; Third Party Beneficiaries. This Agreement may not be assigned (either voluntarily or involuntarily) by any party hereto without the express written consent of the other party. Any attempted assignment in violation of this Section shall be void and ineffective for all purposes. In the event of an assignment permitted by this Section, this Agreement shall be binding upon the heirs, successors and assigns of the parties hereto. Except as expressly set forth in this Section, there shall be no third party beneficiaries of this Agreement.

12.5 Notices. All notices, requests, demands or other communications with respect to this Agreement shall be in writing and shall be (i) sent by facsimile transmission, (ii) sent by the United States Postal Service, registered or certified mail, return receipt requested, or (iii) personally delivered by a nationally recognized express overnight courier service, charges prepaid, to the following addresses (or such other addresses as the parties may specify from time to time in accordance with this Section):

12.7 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which shall together constitute one and the same Agreement.

12.8 No Implied Waiver; Remedies. No failure or delay on the part of the parties hereto to exercise any right, power or privilege hereunder or under any instrument executed pursuant hereto shall operate as a waiver, nor shall any single or partial exercise of any right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege. All rights, powers and privileges granted herein shall be in addition to other rights and remedies to which the parties may be entitled at law or in equity.

12.12 Public Disclosure. From and after the date hereof through the Closing Date, Embassy shall not issue a press release or any other public announcement with respect to the transactions contemplated hereby without the prior consent of Orthodontix, which consent shall not be unreasonably withheld or delayed.
