INFORMATION STATEMENT REGARDING
ACTION TO BE TAKEN BY WRITTEN CONSENT OF
MAJORITY STOCKHOLDERS
IN LIEU OF A SPECIAL MEETING

WE ARE NOT ASKING YOU FOR A PROXY,
AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

GENERAL

This Information Statement is being furnished to the stockholders of Orthodontix, Inc., a Florida corporation (the "Company") in connection with the adoption of an Amendment to our Articles of Incorporation by written consent of our Board of Directors and the holders of a majority of our issued and outstanding voting securities in lieu of a special meeting. On June 9, 2006 our Board of Directors approved an amendment to our Articles of Incorporation to increase our authorized common stock to 1,500,000,000 shares, par value \$.0001 (the "Amendment"). This action will become effective on the date of filing the Amendment with the Florida Secretary of State (the "Effective Date of the Amendment") in accordance with the written consent of our directors and the holders of a majority of our issued and outstanding common stock and in accordance with the relevant sections of the Florida Business Corporation Act.

As of June 12, 2006 there are 5,830,856 shares of our common stock issued and outstanding. The following shareholders who collectively own approximately 57% of our outstanding common stock, which is in excess of the required majority of outstanding voting securities necessary for the adoption of this action, have executed a written consent approving the Amendment:

| Stockholder | No. of Shares Owned |
|-------------------------------|-----------------------------|
| Frost Gamma Investments Trust | 2,965,428 |
| Glenn L. Halpryn | 380,100 |
| TOTAL | ----- 3,345,528 ===== |

The increase in the number of authorized shares will not change the number of currently outstanding shares of common stock or the percentage of the Company's common stock that you now own. Only the issuance of additional shares will affect your percentage of ownership. Issuance of additional shares may have the effect of diluting book value per share as well as your percentage of ownership. As of the date of this Information Statement, we have not taken any action and do not have any commitments to issue any of the additional authorized shares.

As described hereafter, it is hoped that these actions will enable the Company to respond more quickly to any merger or acquisition opportunities that may become available to us. Our Board believes this Amendment may make our Company more attractive to possible acquisition candidates. We cannot assure you, however, that this Amendment will result in our effecting a merger or acquisition or otherwise make our Company more attractive to acquisition candidates or potential investors.

The elimination of the need for a meeting of stockholders to approve this action is made possible by Section 607.0704 of the Florida Business Corporation Act, which provides that the written consent of the holders of outstanding shares of voting stock, having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, may be substituted for such a meeting. In order to eliminate the costs involved in holding a special meeting, our Board of Directors voted to utilize the written consent of the holders of a majority in interest of our voting securities.

Pursuant to Section 607.0704 of the Florida Business Corporation Act, we are required to provide prompt notice of the taking of the corporate action without a meeting of stockholders to all stockholders who did not consent in writing to such action. This Information Statement serves as this notice. This Information Statement is first being mailed on or about June 23, 2006 to stockholders of record, and is being delivered to inform you of the corporate actions described herein before they take effect in accordance with Rule 14c-2 of the Securities Exchange Act of 1934.

The entire cost of furnishing this Information Statement will be borne by the Company. We will request brokerage houses, nominees, custodians, fiduciaries and other like parties to forward this Information Statement to the beneficial owners of our voting securities held of record by them and we will reimburse such persons for out-of-pocket expenses incurred in forwarding such material.

No Dissenter's Rights

No dissenter's rights are afforded to our stockholders under Florida law as a result of the adoption of the Amendment.

OUR PRINCIPAL STOCKHOLDERS

- * persons who own beneficially more than 5% of our outstanding voting securities,

(1) Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of Common Stock subject to options or warrants held by that person that are currently exercisable or will become exercisable within 60 days after June 12, 2006 are deemed outstanding, while such shares are not deemed outstanding for purposes of computing percentage ownership of any other person. Unless otherwise indicated in the footnotes below, the persons and entities named in the table have sole voting and investment power with respect to all shares beneficially owned, subject to community property laws where applicable.

(2) Represents shares of Common Stock held by Frost Gamma Investments Trust, of which Frost Gamma Limited Partnership is the sole and exclusive beneficiary. Dr. Frost is the sole limited partner of Frost Gamma, L.P. The general partner of Frost Gamma, L.P. is Frost Gamma, Inc. and the sole shareholder of Frost Gamma, Inc. is Frost-Nevada Corporation. Dr. Frost is also the sole shareholder of Frost-Nevada Corporation.

(3) Represents shares of Common Stock held in various trusts for which either Dr. Grussmark or his wife is the sole trustee and the beneficiaries of which are Dr. Grussmark, his wife or his children.

THE AMENDMENT

On June 12, 2006, we had 5,830,856 shares of our common stock outstanding. Currently, there are 100,000,000 shares of common stock authorized. There are also 100,000,000 shares of preferred stock authorized, none of which have ever been issued.

We have realized, in the evaluation of various merger and acquisition candidates that, given our limited amount of cash, we would need additional authorized shares to complete a merger or acquisition utilizing our shares. Therefore, we decided to authorize additional shares at this time to position the Company to take quick advantage of opportunities that may arise and to avoid the delay and expense of authorizing additional shares at a later date in connection with an acquisition. This increase in authorized shares will empower our board of directors under certain circumstances to issue the additional shares without prior notice to our shareholders and without their approval.

The Amendment will not affect your stock ownership in any way. The issuance of additional common stock, however, will decrease your percentage of ownership of the Company.
